d (*Astrol*) ~ **astral** birth chart.

théocratie [teɔkʀasi] nf theocracy.

théocratique [teɔkʀatik] adj theocratic.

Théocrite [teɔkʀit] nm Theocritus.

théodicée [teɔdise] nf theodicy.

théodolite [teɔdɔlit] nm theodolite.

Théodore [teɔdɔʀ] nm Theodore.

théogonie [teɔgɔni] nf theogony.

théologal, e, mpl **-aux** [teɔlɔgal, o] *voir* **vertu.**

théologie [teɔlɔʒi] nf theology. **études de** ~ theological studies; **faire sa** ~ to study theology *ou* divinity.

théologien, -ienne [teɔlɔʒjɛ̃, jɛn] nm,f theologian, theologist.

théologique [teɔlɔʒik] adj (*Rel*) theological.

théologiquement [teɔlɔʒikmɑ̃] adv theologically.

Théophile [teɔfil] nm Theophilus.

Théophraste [teɔfʀast] nm Theophrastus.
théorbe [teɔʀb] nm theorbo.
théorème [teɔʀɛm] nm theorem. **le ~ de Pythagore** Pythagoras' theorem.
théoricien, -ienne [teɔʀisjɛ̃, jɛn] nm,f theoretician, theorist.
théorie[1] [teɔʀi] nf (*doctrine, hypothèse*) theory. **la ~ et la pratique** theory and practice; **en ~** in theory, on paper (*fig*); **la ~, c'est bien joli, mais ...** theory *ou* theorizing is all very well, but ...; (*Math*) **~ des ensembles** set theory; (*Math*) **~ des catastrophes** catastrophe theory.
théorie[2] [teɔʀi] nf (*littér: procession*) procession, file.
théorique [teɔʀik] adj theoretical, theoretic. **c'est une liberté toute ~** it's a purely theoretical freedom.
théoriquement [teɔʀikmɑ̃] adv theoretically. **~, c'est vrai** in theory *ou* theoretically it's true.
théorisation [teɔʀizasjɔ̃] nf theorization.
théoriser [teɔʀize] 1 1 vi to theorize (*sur* about). 2 vt to theorize about.
théosophe [teɔzɔf] nmf theosophist.
théosophie [teɔzɔfi] nf theosophy.
théosophique [teɔzɔfik] adj theosophic.
thérapeute [teʀapøt] nmf therapist.
thérapeutique [teʀapøtik] 1 adj therapeutic. 2 nf (*branche de la médecine*) therapeutics *(sg)*; (*traitement*) therapy.
thérapie [teʀapi] nf: **~ de groupe** group therapy; *voir aussi* **thérapeutique**.
Thérèse [teʀɛz] nf Theresa, Teresa.
thermal, e, mpl **-aux** [tɛʀmal, o] adj: **cure ~e** water cure; **faire une cure ~e** to take the waters; **eaux ~es** hot (mineral) springs; **émanations ~es** thermal *ou* hot springs; **établissement ~** hydropathic *ou* water-cure establishment; **source ~e** thermal *ou* hot spring; **station ~e** spa.
thermalisme [tɛʀmalism] nm (*science*) balneology; (*cures*) water cures.
thermes [tɛʀm] nmpl (*Hist*) thermae; (*établissement thermal*) thermal baths.
thermidor [tɛʀmidɔʀ] nm Thermidor, *11th month of French Republican calendar.*
thermidorien, -ienne [tɛʀmidɔʀjɛ̃, jɛn] 1 adj of the 9th Thermidor. 2 nm,f revolutionary of the 9th Thermidor.
thermie [tɛʀmi] nf (*Phys*) therm.
thermique [tɛʀmik] adj *unité* thermal; *énergie* thermic. **moteur ~** heat engine; **carte ~** temperature map; **centrale ~** power station; **ascendance ~** thermal, thermal current; **science ~** science of heat.
thermocautère [tɛʀmɔkotɛʀ] nm diathermy, electro-cautery.
thermochimie [tɛʀmoʃimi] nf thermochemistry.
thermocouple [tɛʀmokupl] nm (*Phys*) thermocouple, thermoelectric couple.
thermodynamique [tɛʀmodinamik] 1 nf thermodynamics *(sg)*. 2 adj thermodynamic(al).
thermoélectricité [tɛʀmoelɛktʀisite] nf thermoelectricity.
thermoélectrique [tɛʀmoelɛktʀik] adj thermoelectric(al). **couple ~** thermoelectric couple, thermocouple; **effet ~** thermoelectric *ou* Seebeck effect; **pile ~** thermopile, thermoelectric pile.
thermoformage [tɛʀmofɔʀmaʒ] nm thermal compression moulding.
thermoformé, e [tɛʀmofɔʀme] adj thermally moulded.
thermogène [tɛʀmɔʒɛn] *voir* **ouate**.
thermographe [tɛʀmɔgʀaf] nm thermograph.
thermographie [tɛʀmɔgʀafi] nf thermography.
thermoluminescence [tɛʀmolyminesɑ̃s] nf thermoluminescence.
thermomètre [tɛʀmɔmɛtʀ] nm thermometer. **le ~ indique 38°** the thermometer is (standing) at *ou* is showing 38°; **le ~ monte** the temperature is rising, the thermometer is showing a rise in temperature; **~ à mercure/à alcool** mercury/alcohol thermometer; **~ à maxima et minima** maximum and minimum thermometer; **~ médical** clinical thermometer; (*fig*) **le ~ de l'opinion publique** the barometer *ou* gauge of public opinion.
thermométrie [tɛʀmɔmetʀi] nf thermometry.
thermométrique [tɛʀmɔmetʀik] adj thermometric(al).
thermonucléaire [tɛʀmonykleɛʀ] adj thermonuclear.
thermopile [tɛʀmopil] nf thermopile.
thermoplastique [tɛʀmoplastik] adj thermoplastic.
thermopropulsion [tɛʀmopʀɔpylsjɔ̃] nf thermal propulsion.
Thermopyles [tɛʀmɔpil] nfpl: **les ~** Thermopylae.
thermorégulateur, -trice [tɛʀmoʀegylatœʀ, tʀis] adj thermotaxic, thermoregulation (*épith*).
thermorégulation [tɛʀmoʀegylasjɔ̃] nf thermotaxis, thermoregulation (*épith*).
thermorésistant, e [tɛʀmoʀezistɑ̃, ɑ̃t] adj thermosetting.
thermos [tɛʀmos] nm ou nf (®: *aussi* **bouteille ~**) vacuum *ou* Thermos ® flask (*Brit*) *ou* bottle (*US*).
thermoscope [tɛʀmɔskɔp] nm thermoscope.
thermosiphon [tɛʀmosifɔ̃] nm thermosiphon.
thermosphère [tɛʀmɔsfɛʀ] nf thermosphere.
thermostat [tɛʀmɔsta] nm thermostat.
thermothérapie [tɛʀmoteʀapi] nf (deep) heat treatment, thermotherapy.
thésard, -arde* [tezaʀ, aʀd] nm,f Ph.D. student.
thésaurisation [tezɔʀizasjɔ̃] nf hoarding (*of money*); (*Écon*) building up of capital.
thésauriser [tezɔʀize] 1 1 vi to hoard money. 2 vt to hoard (up).
thésauriseur, -euse [tezɔʀizœʀ, øz] nm,f hoarder (*of money*).
thésaurus [tezɔʀys] nm thesaurus.
thèse [tɛz] nf a (*doctrine*) thesis, argument. (*Littérat*) **pièce/roman à ~** pièce/roman à thèse (*spéc*), play/novel expounding a philosophical *ou* social thesis. b (*Univ*) thesis. **~ de doctorat (d'État)** Ph.D., doctoral thesis (*Brit*), doctoral dissertation (*US*); **~ de 3e cycle** ≃ M.A. *ou* M.Sc. thesis, Master's thesis; *voir* **soutenance, soutenir**. c (*Philos*) thesis. d (*Police: théorie*) theory, possibility. **écarter la ~ du suicide** to rule out the theory of suicide.
Thésée [teze] nm Theseus.
Thessalie [tesali] nf Thessaly.
thessalien, -ienne [tesaljɛ̃, jɛn] 1 adj Thessalian. 2 nm,f: **T~(ne)** Thessalian.
Thessalonique [tesalɔnik] n Thessalonica.
thêta [tɛta] nm theta.
thibaude [tibod] nf anti-slip undercarpeting (*NonC*), carpet underlay (*NonC*). **moquette sur ~** fitted carpet (*Brit*) *ou* wall-to-wall carpet (*US*) with underlay.
Thibau(l)t [tibo] nm Theobald.
Thibet [tibɛ] nm = **Tibet**.
thibétain, e [tibetɛ̃, ɛn] = **tibétain**.
Thierry [tjeʀi] nm Terry.
Thimbou [timbu] n Thimbu.
Thomas [tɔmɑ] nm Thomas.
thomisme [tɔmism] nm Thomism.
thomiste [tɔmist] 1 adj Thomistic(al). 2 nmf Thomist.

yang ['jãg] nm yang.

Yang-Tsê Kiang ['jãgtsekjãg] nm Yangtze (Kiang).

yankee ['jãki] adj, nmf Yankee.

Yaoundé ['jaunde] n Yaoundé.

yaourt ['jauʀt] nm yog(h)urt.

yaourtière ['jauʀtjɛʀ] nf yoghurt-maker.

yard ['jaʀd] nm yard.

yatagan ['jatagã] nm yataghan.

yearling ['jœʀliŋ] nm (*cheval*) yearling.

Yémen ['jemɛn] nm: **le ~** the Yemen; **Nord-/Sud-~** North/South Yemen.

yéménite ['jemenit] 1 adj Yemeni. 2 nmf: **Y~** Yemeni.

yen ['jɛn] nm (*Fin*) yen.

yeti ['jeti] nm yeti.

yeuse ['jøz] nf holm oak, ilex.

yeux ['jø] nmpl de **œil**.

yé-yé*, yé-yés ['jeje] 1 adj inv: **musique ~** pop music (*of the early 1960s*); (*fig*) **il veut faire ~** he wants to look with-it*. 2 nmf inv *pop singer or teenage fan of the early 1960s*.

yiddish ['jidiʃ] adj, nm Yiddish.

Yi king ['jikiŋ] nm I Ching.

yin ['jin] nm yin.

ylang-ylang [ilãilã] nm ylang-ylang, ilang-ilang.

yod ['jɔd] nm yod.

yoga ['jɔga] nm yoga. **faire du ~** to do yoga.

yoghourt ['jɔguʀt] nm = **yaourt**.

yogi ['jɔgi] nm yogi.

yole ['jɔl] nf skiff.

Yom Kippur ['jɔmkipuʀ] nm Yom Kippur.

yougoslave ['jugɔslav] 1 adj Yugoslav, Yugoslavian. 2 nmf: **Y~** Yugoslav, Yugoslavian.

Yougoslavie† ['jugɔslavi] nf Yugoslavia†.

youp ['jup] excl hup! **allez ~ dégagez!** come on, get a move on!

youpi ['jupi] excl yippee.

youpin, e** ['jupɛ̃, in] nm,f Yid**.

yourte ['juʀt] nf yurt.

youyou ['juju] nm (*Naut*) dinghy.

Yo-Yo ['jojo] nm inv ® yo-yo.

ypérite [ipeʀit] nf mustard gas, yperite (*SPÉC*).

ytterbium [itɛʀbjɔm] nm ytterbium.

yttrium [itʀijɔm] nm yttrium.

yucca ['juka] nm yucca.

Yukon ['jykɔ̃] nm Yukon. **le (territoire du) ~** the Yukon (Territory).

Z

Z, z [zɛd] nm (*lettre*) Z, z; *voir* **A.**
ZAC [zak] nf (abrév de **zone d'aménagement concerté**) *voir* **zone.**
Zacharie [zakaʀi] nm Zechariah.
ZAD [zad] nf (abrév de **zone d'aménagement différé**) *voir* **zone.**
Zagreb [ʒagʀɛb] n Zagreb.
Zaïre [zaiʀ] nm Zaire.
zaïrois, -oise [zairwa, waz] 1 adj Zairian. 2 nm,f: **Z~(e)** Zairian.
zakouski [zakuski] nmpl zakuski, zakouski.
Zambèze [zɑ̃bɛz] nm: **le ~** the Zambezi.
Zambie [zɑ̃bi] nf Zambia.
zambien, -ienne [zɑ̃bjɛ̃, jɛn] 1 adj Zambian. 2 nm,f: **Z~(ne)** Zambian.
zanzi [zɑ̃zi] nm dice game.
Zanzibar [zɑ̃zibaʀ] n Zanzibar.
zapper [zape] 1 vi to zap.
Zarathoustra [zaʀatustʀa] nm Zarathustra.
zazou [zazu] nmf (*parfois péj*) ≃ hepcat*.
zébi [zebi] nm *voir* **peau.**
zèbre [zɛbʀ] nm (*Zool*) zebra; (**: individu*) bloke* (*Brit*), guy*. **un drôle de ~** a queer fish*, an odd bod* (*Brit*); **filer** *ou* **courir comme un ~** to run like a hare *ou* the wind.
zébrer [zebʀe] 6 vt to stripe, streak (*de* with).
zébrure [zebʀyʀ] nf (*rayure*) stripe, streak; *[coup de fouet]* weal, welt.
zébu [zeby] nm zebu.
Zélande [zelɑ̃d] nf Zealand; *voir* **nouveau.**
zélateur, -trice [zelatœʀ, tʀis] nm,f (*gén*) champion, partisan (*péj*), zealot (*péj*); (*Rel*) Zealot.
zèle [zɛl] nm zeal. **avec ~** zealously, with zeal; (*péj*) **faire du ~** to be over-zealous, overdo it; **pas de ~!** don't overdo it!; *voir* **grève.**
zélé, e [zele] adj zealous.
zélote [zelɔt] nm (*Hist*) Zealot.
zen [zɛn] nm, adj inv Zen.
zénana [zenana] nm *voir* **peau.**
zénith [zenit] nm (*lit, fig*) zenith. **le soleil est au ~** *ou* **à son ~** the sun is at its zenith *ou* height; **au ~ de la gloire** at the zenith *ou* peak of glory.
zénithal, e, mpl **-aux** [zenital, o] adj zenithal.
Zénon [zenɔ̃] nm Zeno.
ZEP [zɛp] nf a (abrév de **zone d'éducation prioritaire**) *voir* **zone.** b (abrév de **zone d'environnement protégé**) *voir* **zone.**
zéphyr [zefiʀ] nm (*vent*) zephyr. (*Myth*) **Z~** Zephyr(us).
zéphyrien, -ienne [zefiʀjɛ̃, jɛn] adj (*littér*) zephyr-like (*littér*).
zeppelin [zɛplɛ̃] nm zeppelin.
zéro [zeʀo] 1 nm a (*gén, Math*) zero, nought (*Brit*); (*compte à rebours*) zero; (*dans un numéro de téléphone*) 0 (*Brit*), zero (*US*). **remettre un compteur à ~** to reset a meter at *ou* to zero; **tout ça, pour moi, c'est ~, je veux des preuves*** as far as I'm concerned that's worthless *ou* a waste of time — I want some proof; **les avoir à ~*** to be scared out of one's wits*, be scared stiff*; **repartir de ~, recommencer à ~** to start from scratch *ou* rock-bottom again, go back to square one; **taux de croissance ~** zero growth; (*Mil*) **l'option ~** the zero option; *voir* **moral, partir[1], réduire.**

zonage [zonaʒ] nm (*Urbanisme*) zoning.
zonard* [zonaʀ] nm (*marginal*) dropout*.
zone [zon] 1 nf a (*gén, Sci*) zone, area. (*Agr*) **~ d'élevage** *etc* cattle-breeding *etc* area; **~ d'influence (d'un pays)** sphere *ou* zone of influence

(of a country); ~ **franc/sterling** franc/sterling area; (*fig*) **de deuxième/troisième** ~ second-/third-rate.

b (*bidonville*) **la** ~ the slum belt.

2 comp ▶**zone d'activités** business park, enterprise zone ▶**zone d'aménagement concerté** urban development zone ▶**zone d'aménagement différé** future development zone ▶**la zone des armées** the war zone ▶**zone artisanale** industrial estate (*Brit*) *ou* park (*US*) for small businesses ▶**zone bleue** ≃ restricted parking zone *ou* area ▶**zone dangereuse** danger zone ▶**zone de dépression** (*Mét*) trough of low pressure ▶**zone d'éducation prioritaire** *area targeted for special help in education* ▶**zone d'environnement protégé** environmentally protected zone, ≃ SSSI (*Brit*) ▶**zone érogène** erogenous zone ▶**zone franche** free zone ▶**zone industrielle** industrial estate (*Brit*) *ou* park (*US*) ▶**zone libre** (*Hist France*) French zone ▶**zone occupée** (*Hist France*) occupied zone ▶**zone piétonnière** pedestrian precinct ▶**zone de salaires** salary weighting ▶**zone à urbaniser en priorité**† (*Admin*) urban development zone.

zoner [zone] 1 1 vt to zone. 2 vi (✱) *[marginal]* to bum around✱.

zoo [zo(o)] nm zoo.

zoologie [zɔɔlɔʒi] nf zoology.

zoologique [zɔɔlɔʒik] adj zoological.

zoologiste [zɔɔlɔʒist] nmf, **zoologue** [zɔɔlɔg] nmf zoologist.

zoom [zum] nm (*objectif*) zoom lens; (*effet*) zoom.

zoomer [zume] 1 vi to zoom in (*sur* on).

zoomorphe [zoomɔʀf] adj zoomorphic.

zootechnicien, -ienne [zootɛknisjɛ̃, jɛn] nmf zootechnician.

zootechnique [zootɛknik] adj zootechnic.

Zoroastre [zɔʀɔastʀ] nm Zoroaster, Zarathustra.

zoroastrisme [zɔʀɔastʀism] nm Zoroastrianism.

zou [zu] excl: **(allez)** ~! (*partez*) off with you!, shoo!✱; (*dépêchez-vous*) get a move on!✱; **et** ~, **les voilà partis!** zoom, off they go!✱

zouave [zwav] nm Zouave, zouave. **faire le** ~✱ to play the fool, fool around.

Zoulou [zulu] nm Zulu.

Zoulouland [zululɑ̃d] nm Zululand.

zozo✱† [zozo] nm nit(wit)✱, ninny✱.

zozoter [zɔzɔte] 1 vi to lisp.

ZUP [zyp] nf (abrév de **zone à urbaniser en priorité**) *voir* **zone**.

Zurich [zyʀik] n Zürich. **le lac de** ~ Lake Zürich.

zut✱ [zyt] excl (*c'est embêtant*) dash (it)!✱ (*Brit*), darn (it)!✱, drat (it)!✱; (*tais-toi*) (do) shut up!✱

zygomatique [zigɔmatik] 1 adj zygomatic. **os/arcade** ~ zygomatic bone/arch. 2 nm zygomatic major (muscle) (SPÉC).

zygote [zigɔt] nm zygote.

zymase [zimɑz] nf zymase.

LANGUAGE IN USE

GRAMMAIRE ACTIVE

Beryl T. Atkins and Hélène M. A. Lewis

INTRODUCTION

One need which cannot be supplied within the word-based format of the conventional bilingual dictionary is that experienced by people trying to set down their own thoughts in a foreign language. They may not know even in their own language exactly how these thoughts might best be expressed, and indeed many language teachers rightly object to the framing of the thought in the native language before the expression process begins, maintaining that this leads to a distortion both of the thought itself and of its eventual expression in the other language. Non-native speakers, even the most competent, often have difficulty in expressing their thoughts in a sufficiently sensitive, varied and sophisticated way. It is to meet the needs of these people that we have designed this new section in our bilingual dictionary.

This section contains thousands of phrases and expressions grouped according to the **function** that is being performed when they are used in communication. A glance at the Contents Table on p.72 will show the themes that have been included. Some of the most notorious areas of difficulty are addressed in this section, for example the concepts of possibility, obligation and so on, often expressed in English by modal verbs, where the difficulty for the non-native speaker is as much syntactical as lexical.

Each function presents an individual set of problems and challenges for the user. For example, the needs of someone attempting to express tactful advice or contradiction are quite different from those of someone drawing up a job application, and these varied needs are met in correspondingly varied ways within this section.

The **design** of this section is entirely different from that of the dictionary proper, in that the approach is monolingual rather than bilingual. There is no question of any attempt to make the parallel columns into sets of equivalents, but simply to construct useful bridges across the language barrier.

Like the rest of this dictionary, this section has been designed as a **tool** for non-native speakers: it will serve particularly those skilled in the other language and able to recognise what they are looking for when they see it. It is not, and could not be, a comprehensive listing of the immense riches that each language offers in any area of thought. It is, rather, a selection, we hope a useful one, made to provide a channel between the user's passive and active knowledge of the foreign language. In controlled situations, such as the classroom, this section of the dictionary will also, we trust, provide a valuable teaching aid in language learning.

The authors

L'un des besoins auxquels le dictionnaire bilingue traditionnel, limité par la classification alphabétique, ne peut répondre de façon entièrement satisfaisante est celui de l'usager qui, au lieu de traduire, essaie d'exprimer ses propres idées dans une langue étrangère. À ce stade de la réflexion, celui-ci ne sait peut-être même pas comment formuler exactement sa pensée dans sa propre langue, et d'ailleurs, de nombreux professeurs s'opposent à ce que le message soit préalablement énoncé dans la langue maternelle, affirmant à juste titre qu'une telle démarche déforme à la fois la pensée elle-même et son expression finale dans la langue d'arrivée. Quelle que soit sa compétence, la personne cherchant à communiquer dans une langue qui n'est pas la sienne éprouve souvent des difficultés à atteindre un niveau d'expression qui soit riche, précis et élégant. C'est pour suppléer cette lacune que nous avons conçu cette nouvelle section de notre dictionnaire.

Ces pages contiennent plusieurs milliers d'expressions et locutions regroupées selon la **fonction** qu'elles accomplissent dans la communication. Il suffit de se reporter à la Table des matières (p.72) pour voir les thèmes qui ont été inclus. On trouvera dans cette section certains points traditionnellement considérés comme particulièrement complexes, tels que par exemple les concepts de possibilité et d'obligation, souvent traduits en anglais par les verbes modaux, qui présentent à l'usager étranger des difficultés syntactiques autant que lexicales.

Pour l'usager, chaque fonction présente des difficultés et des nuances spécifiques. Par exemple, le vocabulaire d'appoint nécessaire est différent selon qu'on fait une demande d'emploi ou qu'on cherche à exprimer avec politesse son désaccord. Par conséquent, la présentation varie suivant les besoins pratiques de chaque page.

La **conception** de cette section diffère totalement de celle du reste du dictionnaire, dans la mesure où la méthode de présentation est monolingue plutôt que bilingue. Les expressions des deux colonnes ne cherchent en aucun cas à être des traductions ou des équivalences présentées en miroir, mais sont incorporées en guise de passerelles entre deux systèmes linguistiques.

Cette section est avant tout un **outil** de travail destiné à l'usager cherchant à s'exprimer dans une langue étrangère, et qui, possédant des connaissances avancées, reconnaîtra en la voyant l'expression dont il a besoin et qui lui échappe. Ces pages ne sauraient être un catalogue exhaustif des richesses dont chaque langue dispose pour exprimer des idées. Elles constituent une sélection qui devra permettre au lecteur d'utiliser ses connaissances passives pour enrichir ses connaissances actives de la langue. Dans des situations dirigées telles que le cours de langue, cette section du dictionnaire devrait aussi constituer un support pédagogique facilitant l'acquisition de la langue étrangère.

Avez-vous pensé à *or* **Avez-vous songé à** reprendre vos études?	*have you (ever) thought of*
Vous pourriez remettre cela à plus tard.	*you could*
Pourquoi ne pas faire un peu de sport l'hiver prochain?	*why don't you*
Est-ce que cela ne vous tente pas d'aller en Grèce?	*doesn't the idea of ... tempt you?*
Voici mes suggestions: tout d'abord nous faisons une étude de marché, puis ...	*here are my suggestions:*
Vous auriez intérêt à changer de situation bientôt.	*you'd be as well to ...*
Vous feriez bien de *or* **Vous feriez mieux de** prendre vos vacances au mois de septembre.	*you'd be as well to ...*
Vous devriez l'envoyer par exprès puisque c'est tellement important.	*you ought to ...*
À votre place *or* **Si j'étais vous** *or* **Personnellement,** je demanderais des renseignements.	*if I were you*
À mon avis, tu ne devrais pas refuser.	*in my view*
Je vous conseille de prendre des précautions.	*I advise you to ...*
Si vous le permettez, je viendrai vous chercher demain.	*if you agree, I shall ...*
(Et) si on allait à l'île de Ré cet été?	*what if we were to ...*

(more tentatively)

Ce ne serait pas une mauvaise idée de lui demander son avis là-dessus.	*it might not be a bad idea to ...*
On pourrait envisager une révision des programmes.	*we could think of doing*
Il serait bon de *or* **Il serait recommandé de** lui envoyer le dossier aussitôt que possible.	*it would be as well to ...*
Il conviendrait de contacter l'entreprise sans plus attendre.	*the correct thing to do would be to ...*
Ce serait une excellente idée de visiter l'exposition de sculpture moderne.	*it would be an excellent idea to ...*
J'aimerais vous suggérer une solution possible.	*I'd like to suggest*
Puis-je faire une suggestion *or* **Puis-je émettre un avis?** Il me semble que ...	*may I make a suggestion?*
Si je peux me permettre une suggestion, je crois qu'il vaudrait mieux inclure une carte de la région.	*if I might suggest something*
Nous aimerions vous soumettre quelques propositions.	*we should like to put to you*
Rien ne vous empêche de demander une augmentation ...	*there is nothing to prevent you from*
Puis-je vous rappeler que le directeur attend votre réponse?	*may I remind you that*
Il serait souhaitable de *or* **Il serait préférable de** fournir à chacun un exemplaire de ce document.	*it would be advisable to ...*
Il vaudrait peut-être mieux en informer ses parents.	*it might be better to ...*
Peut-être faudrait-il envisager une refonte radicale du projet?	*perhaps one should*
Il suffirait de le prévenir à temps.	*you only need to ...*
Dans l'état actuel des choses, **il n'y a qu'à** attendre.	*we can only*
Est-ce que cela vous ennuierait beaucoup de me renvoyer sa lettre?	*would you mind very much*
Je serais très heureux de vous faire visiter le château.	*I'd be very happy to ...*

ASKING FOR SUGGESTIONS

Que ferais-tu **à ma place?**	*what would you do if you were me?*
Que fait-on en pareil cas?	*what can you do?*
Peut-être avez-vous une meilleure proposition en ce qui concerne le financement?	*perhaps you have a better suggestion*

AND, ACCORDING TO CONTEXT:

prenez soin de ne pas / pourquoi ne pas / voulez-vous, je vous prie, / je vous conseille vivement de / il est indispensable de / je souhaiterais pouvoir / essayez quand même de / je me demande si vous ne feriez pas mieux de / permettez-moi de vous proposer / si vous n'y voyez pas d'inconvénient / cela pourrait être une façon indirecte de / supposons qu'il s'agisse de / il n'est pas impossible que ce soit / on ne peut qu'émettre des conjectures en ce qui concerne / ceci expliquerait

ADVICE

ASKING FOR ADVICE

Je voudrais vous demander conseil *or* **J'aimerais quelques conseils** au sujet de la carrière que je souhaite entreprendre.	*I'd like some advice*
J'ai besoin d'un conseil: vaut-il mieux acheter une voiture neuve ou une voiture d'occasion?	*I need some advice:*
Vu les circonstances, **que me conseillez-vous de faire** *or* **que dois-je faire?**	*what would you advise me to do?*
À ma place, que feriez-vous?	*what would you do in my place?*
Je vous serais très reconnaissant de bien vouloir me conseiller sur la marche à suivre.	*I should be very grateful if you would advise me about*
Je voudrais que vous me donniez votre avis sur cette question.	*I'd like your opinion on*

GIVING ADVICE

Personnellement, je trouve que tu devrais *or* **Moi, je trouve que tu devrais** passer ton permis de conduire.	*personally, I think you should*
Mon conseil serait de rompre tout contact avec eux.	*my advice would be to ...*
Il est déconseillé de prendre trop de médicaments en même temps.	*it is inadvisable to ...*
Si j'ai un conseil à vous donner, c'est de ne pas vous mêler de cette affaire.	*if I can offer you a piece of advice*
Il serait judicieux d'obtenir son autorisation avant d'aller plus loin.	*it would be wise to ...*
Je ne saurais trop vous recommander d'être discret à ce sujet.	*I urge you to ...*
Je vous déconseille (vivement) d'y aller en train.	*I (strongly) advise you not to ...*
À votre place *or* **Si j'étais vous,** je démissionnerais tout de suite.	*if I were you*
À mon avis, tu devrais faire appel à un spécialiste pour un travail de ce genre.	*in my opinion, you should*
Surtout, ne croyez pas tout ce qu'on raconte!	*whatever you do*
Pars en vacances — **c'est ce que tu as de mieux à faire!**	*it's the best thing you can do*
Tu as (tout) intérêt à le faire aussitôt que possible.	*you would be best to ...*
Tu aurais tort de ne pas demander à être payé pour tes heures supplémentaires.	*you'd be wrong not to ...*
Vous auriez tort de lui confier une tâche aussi délicate.	*you'd be wrong to ...*
(more tentatively)	
Il n'y a pas de raison que tu te prives *(subj)* pour eux.	*there's no reason why you should*
Puis-je me permettre de suggérer que vous alliez à Oslo?	*might I suggest that*
Est-ce que tu as pensé à la possibilité d'un cours de recyclage?	*have you ever thought of*
Il serait peut-être bon de le prévenir en premier.	*it might be a good idea to ...*
Ce ne serait pas une mauvaise idée d'en acheter deux douzaines.	*it wouldn't be a bad idea to ...*
Il nous semble peu prudent d'engager des fonds aussi importants dans cette affaire.	*it seems to us rash to ...*
Vous pourriez peut-être le lui expliquer vous-même?	*perhaps you could*
Je me demande si vous ne devriez pas attendre encore quelques jours?	*I wonder if you shouldn't*

WARNING SOMEONE ABOUT SOMETHING

Vous feriez mieux de lui en envoyer une copie, **sinon** il va se plaindre qu'on l'oublie.	*you'd be as well to ... or else he will*
Méfiez-vous des soi-disant vendeurs qui font du porte-à-porte.	*beware of*
Ce serait de la folie de partir le 14 juillet.	*it would be madness to ...*
Je vous préviens que si vous n'avez pas terminé à temps, je ne pourrai pas vous payer.	*I warn you that*
Vous courez le risque de perdre toutes vos économies.	*you're running the risk of*
Tu auras des ennuis si tu continues à ne pas travailler.	*you'll be in trouble if*
Un conseil *or* **Un avertissement:** ne cherchez pas à savoir pourquoi il est parti.	*a word of warning:*
Je vous avertis que je commence à en avoir assez de vos absences répétées.	*I'm warning you that*
Ne venez pas vous plaindre que votre nom ne figure pas sur la liste.	*don't come to me complaining that*

AND, ACCORDING TO CONTEXT:

que fait-on dans ces cas-là? / il faut que vous m'aidiez à prendre une décision / je ne sais comment m'y prendre / est-ce que tu crois que / quelle serait votre réaction si / je me demande ce que je dois faire / si vous alliez le voir / essayez donc de / je trouve que vous devriez / n'hésitez pas à / il est dans votre intérêt de / moi, j'éviterais de / n'oubliez pas de / je ne sais pas ce que vous penseriez de / pourquoi ne pas / vous voilà prévenu / tant pis pour toi si

Nous ne pouvons tolérer un tel manque de soin.	*we cannot allow*
Surtout ne lui en parlez pas.	*whatever you do, don't ...*

AND, ACCORDING TO CONTEXT:

il est de mon devoir de / je suis dans la nécessité de / il vous appartient de / il est indispensable de / bon gré mal gré / il est extrêmement important de / on est censé connaître / je n'ai pas le choix / il m'est impossible de faire autrement / je n'ai pas pu m'empêcher de / on n'y peut rien / pour des raisons indépendantes de ma volonté / au pis-aller on pourrait / si c'est une question de vie ou de mort / je ne veux pas vous y contraindre / ne vous sentez pas obligé de / je ne vous impose pas de ...

AGREEMENT

AGREEING WITH A STATEMENT

Nous sommes du même avis que vous sur ce point. // **Nous sommes entièrement de votre avis** *or* **Nous partageons votre avis** *or* **Nous partageons vos sentiments** sur ce point.	*we agree with you*
Je suis entièrement d'accord avec ce que vous avez dit à ce sujet.	*I entirely agree with*
Comme vous, je suis d'avis que nous remettions la décision à plus tard.	*like you, I believe that*
Vous avez bien raison *or* **Vous avez entièrement raison** de vouloir clarifier la situation dès maintenant.	*you are quite right to ...*
Comme vous l'avez fait remarquer, **il est vrai que** *or* **il est juste que** nous ne disposons pas encore de toutes les données nécessaires.	*it is true that*
Je reconnais que *or* **J'admets que** Richard ne manque pas d'intelligence.	*I admit that*
Je conviens que le problème est délicat.	*I agree that*
Je comprends très bien que vous hésitiez à laisser votre mère toute seule pendant si longtemps.	*I fully understand that*
Je vous accorde que j'ai peut-être manqué de tact.	*I grant you that*
Sans doute avez-vous raison quand vous affirmez que c'est plus facile, mais ...	*you are probably right when you say*

AGREEING TO A PROPOSAL

Je suis d'accord pour que vous repreniez contact avec eux dès la première occasion.	*I agree that you should*
Nous avons pris connaissance de votre projet et **nous nous empressons de donner notre accord.**	*we hasten to give our agreement*
Nous donnons notre accord à la réfection des locaux.	*we agree to ...*
Je suis en accord avec ce que vous proposez.	*I agree with what ...*
J'accepte vos propositions **dans les grandes lignes.**	*I am broadly in agreement with*
J'accepte de consulter un expert sur ce point, comme vous me le suggérez.	*I agree we should*
Je suis heureux d'apporter mon soutien à cette proposition. // **Je suis heureux de donner mon assentiment à** ce plan.	*I am happy to support*
Je ne manquerai pas d'appuyer votre demande au cours de la prochaine réunion du comité.	*I shall certainly support*
Après la lecture des modalités de vente, **nous souscrivons à** toutes vos propositions.	*we agree to*
Je trouve que tu as raison de suggérer le mois de septembre pour partir en vacances.	*I think you are right to ...*
J'ai appris que vous aviez retiré votre candidature, et **je ne peux que vous donner raison.**	*I can only agree with you*
Il est entendu que vous n'en parlez à personne.	*it is agreed that*
À première vue, **cela semble exactement ce dont nous avons besoin, mais** je crains que ce ne soit très cher.	*it seems just what we need, but ...*

AGREEING TO A REQUEST

J'accepte avec grand plaisir votre aimable invitation. // **C'est avec grand plaisir que j'accepte** votre aimable invitation.	*I have much pleasure in accepting*
Je quitterai donc l'appartement le 22 septembre, **ainsi que vous me l'avez demandé** *or* **comme vous me l'avez demandé.**	*as you asked me to*
Je tiens à vous assurer que **je suivrai vos instructions à la lettre.**	*I shall follow your instructions to the letter*
Je ne manquerai pas de tenir compte de vos observations en ce qui concerne la préparation du programme.	*I shall certainly follow your advice about*
Nous essayerons naturellement **de nous conformer à vos désirs** dans le choix des matériaux.	*we shall try to meet your preferences*
Je serai enchanté *or* **Je serai ravi d'**aller chercher votre tante à la gare.	*I shall be delighted to ...*
Nous prenons bonne note de votre commande, que nous honorerons dans les plus brefs délais.	*we have noted*
La date qui a été retenue **me convient parfaitement.**	*... suits me perfectly*

AND, ACCORDING TO CONTEXT:

c'est une bonne idée / cela me semble convenir / cela me plaît beaucoup / je suis prêt à / il est évident que / je suis enclin à penser que / il est difficile de trouver à y redire / je m'associe à tout ce qui a été dit / il est absolument exact que / il est indéniable que / j'en suis convaincu / il n'est pas faux de dire

DISAGREEMENT

DISAGREEING WITH WHAT SOMEONE HAS SAID

Il est faux de dire *or* **Il n'est pas juste de dire que** le travail a été fait sans soin.	*it is wrong to say*
Il est faux que vous m'ayez vu au restaurant, je n'y étais pas.	*it is untrue that*
Je ne suis pas d'accord avec vous *or* **Je suis en désaccord avec vous sur** ce point.	*I don't agree with you*
Vous vous trompez si vous croyez que j'ai envie d'y aller.	*you're wrong*
Je lui accorde que la présentation n'est pas très claire, mais **il s'agit néanmoins d'une erreur.**	*there has still been a mistake*
Vous avez tort de croire que notre oubli était volontaire.	*you are wrong to ...*
Je vous donne tort de lui avoir répondu sur ce ton.	*I think you were wrong to ...*
Je ne partage pas votre point de vue là-dessus.	*I don't share your opinion*
Je rejette les arguments que vous avancez.	*I reject*
Je suis catégoriquement opposé à la vivisection. // **Je suis absolument contre** la vivisection.	*I am absolutely opposed to*
Il m'est impossible d'accepter votre point de vue là-dessus.	*I cannot accept*
Je nie catégoriquement être intervenu auprès du directeur.	*I flatly deny*
Je ne comprends pas que vous puissiez partir en vacances dans des circonstances pareilles.	*I can't understand how*
Sans vouloir vous vexer, **je vois la chose tout à fait différemment.**	*I see it quite differently*
Je suis désolé de devoir vous contredire *or* **Je suis navré de devoir vous contredire,** mais je l'ai vu moi-même.	*I am sorry to have to contradict you, but ...*

DISAGREEING WITH WHAT SOMEONE PROPOSES

Il ne vous est plus possible *or* **Il vous est impossible de** changer le programme maintenant.	*it's impossible to ...*
Je ne suis pas d'accord pour qu'on annule *(subj)* la réunion.	*I don't agree one should*
Nous nous opposons catégoriquement à la construction d'un supermarché dans le village.	*we are totally opposed to*
Je refuse de vous laisser changer l'emploi du temps.	*I refuse to ...*
Puisque vous pensez à donner votre démission, je vous préviens que **j'y mettrai mon veto.**	*I shall veto it*
Je crains fort de ne pouvoir approuver votre démarche.	*I'm afraid I can't approve*
Je suis au regret de ne pouvoir appuyer votre demande.	*I am sorry I cannot support*
C'est très gentil à vous d'offrir de m'aider, **mais je crois que je vais y arriver tout seul.**	*I think I can manage*
Je regrette sincèrement de ne pas être en mesure d'accepter votre aimable proposition.	*I am sorry I cannot accept your kind offer*

REFUSING A REQUEST

Il m'est vraiment impossible de le faire avant samedi.	*I cannot possibly do it*
Je ne pourrai malheureusement pas rencontrer votre représentant, comme vous l'aviez demandé.	*unfortunately I cannot*
En raison du nombre de dossiers en attente, **il m'est difficile de** donner suite à votre demande.	*it is difficult for me to ...*
Je ne suis pas en mesure de répondre à une telle question, car ce sujet est très délicat.	*I am not in a position to ...*
Nous regrettons de ne pouvoir donner suite à vos propositions.	*we are sorry we cannot go ahead with*
Il est hors de question que je m'en occupe *(subj)* en ce moment.	*it is out of the question for me to ...*
Je refuse absolument d'exécuter un plan qui a été conçu à la hâte.	*I totally refuse to ...*
Jamais je n'accepterai de travailler avec lui.	*I will never agree to ...*
Bien que je sois très sensible à l'honneur que vous me faites, **je dois malheureusement décliner** votre invitation.	*I am unfortunately unable to accept*
Nous sommes au regret de vous faire savoir que nous ne pourrons pas exécuter votre commande dans les délais habituels.	*we regret to have to inform you that we cannot*

AND, ACCORDING TO CONTEXT:

votre interprétation est tendancieuse / je n'admets pas / comment osez-vous dire / de quel droit vous permettez-vous de critiquer / je rejette votre insinuation / je me demande si vous y avez bien réfléchi / peut-être n'êtes-vous pas au courante de / permettez-moi de vous faire remarquer que / en théorie ... mais en réalité ... / il est déplorable que / il est vraiment fort regrettable que / je doute fort que / il est inexact de dire / les faits sont en contradiction avec / c'est loin de la vérité / il me serait très difficile de me libérer / je voudrais pouvoir vous aider, mais ...

APPROVAL

Quelle excellente idée!	*what an excellent idea!*
Vous avez bien fait de le prévenir aussitôt.	*you did right to ...*
Je trouve que vous avez raison *or* **Je trouve que vous n'avez pas tort de** vouloir chercher de nouveaux débouchés aux États-Unis.	*I think you are right to ...*
Nous vous approuvons dans votre décision de remettre *or* **Nous vous approuvons d'avoir décidé de** remettre la réunion à la semaine prochaine.	*we agree with your decision to ...*
Nous sommes en faveur de *or* **Nous sommes favorable à** ce changement d'attitude.	*we are in favour of*
Je trouve bon qu'il approfondisse ainsi sa culture générale.	*I approve of his ...*
J'ai beaucoup apprécié la gentillesse avec laquelle il nous a offert ses services.	*I greatly appreciated*
J'ai bien aimé la mise en scène. // La mise en scène **m'a beaucoup plu.**	*I liked very much*
Le grand mérite de ce projet, c'est qu'il peut être réalisé très rapidement.	*the great merit of this project is that*
(more formally)	
Nous acceptons vos propositions dans les grandes lignes, mais souhaitons recevoir de plus amples détails.	*we accept*
Ce livre **est le bienvenu** car il apporte un nouvel éclairage sur la question.	*... is very welcome*
L'auteur souligne ce détail **à juste titre** *or* **avec raison.**	*... rightly emphasises ...*
On ne peut qu'admirer la clarté avec laquelle il présente les faits.	*one can but admire*
Nous approuvons sans réserve toute initiative de votre part.	*we approve*
Nous accueillons avec enthousiasme le projet de restauration des remparts.	*we welcome wholeheartedly*
En définitive, **nous portons un jugement favorable sur** ce qui a été fait jusqu'à présent.	*we are favourably impressed by*
Nous apportons par avance notre soutien à *or* **Nous accordons par avance notre soutien à** tous ceux qui prennent la défense de ces victimes.	*we declare our support for*

AND, ACCORDING TO CONTEXT:

c'est exactement ce que j'espérais / nous sommes entièrement d'accord / on comprend fort bien que / cela vaut la peine de / il était grand temps que / cet exemple mérite d'être suivi / il serait effectivement souhaitable que

DISAPPROVAL

Je désapprouve toute démarche visant à supprimer cette partie du programme.	*I disapprove of*
Je vous reproche de ne pas avoir terminé à temps.	*I blame you for not ...*
Il n'aurait pas dû présenter la chose sous cet angle-là.	*he shouldn't have*
Vous auriez plutôt dû *or* **Vous auriez mieux fait de** lui suggérer de partir le premier.	*you would have been better to ...*
Je trouve qu'il a eu tort de procéder ainsi.	*I think he was wrong to ...*
Je n'ai guère apprécié la façon dont le débat a été mené.	*I didn't think much of*
Cette idée **me déplaît profondément.**	*I am profoundly unhappy about*
Il est regrettable que *or* **Il est (fort) dommage que** la commande ait été exécutée avec tant de retard.	*it is a (great) pity that*
Je ne peux que regretter l'absence de conclusions dans un rapport par ailleurs excellent.	*I can only regret*
Je condamne l'intransigeance dont vous avez fait preuve dans cette affaire.	*I condemn*
Je me sens tenu d'exprimer ma désapprobation devant le coût astronomique de cette réalisation.	*I feel bound to express my disapproval of*
Je ne puis admettre *or* **Je ne puis tolérer** *or* **Je ne supporte pas** un tel manque de franchise.	*I cannot tolerate*
Je ne comprends pas comment on peut négliger un tel problème. // **Il me semble incompréhensible qu'**on puisse négliger un tel problème.	*I can't understand how*
Je suis profondément déçu par les résultats du deuxième trimestre.	*I am profoundly disappointed by*
Je suis farouchement opposé à la vivisection.	*I am fiercely opposed to*
Je proteste contre *or* **Je m'élève contre** la sévérité avec laquelle il a été traité.	*I protest against*
De quel droit se permet-on de changer des dispositions aussi importantes sans prévenir?	*what right has anyone to ...*

AND, ACCORDING TO CONTEXT:

je suis consterné de / cela laisse à désirer / il n'y a vraiment pas de quoi être fier / cela ne me dit rien qui vaille / je n'aime pas sa façon de / cela pourrait être désastreux / je répugne à / je déplore / c'est absolument scandaleux / je commence à en avoir assez de / je ne veux pas en entrendre parler

CERTAINTY, POSSIBILITY AND CAPABILITY

EXPRESSING CERTAINTY

Je suis sûr que *or* **Je suis certain que** j'ai expédié ces documents hier. // **Je suis sûr d'**avoir *or* **certain d'**avoir expédié ces documents hier.	*I am sure that*
Nous sommes convaincus *or* **Nous sommes persuadés** qu'un tel projet permettrait de redonner vie au village.	*we are convinced that*
Il ne fait aucun doute que la proposition sera rejetée. // **Sans aucun doute,** la proposition sera rejetée.	*there is no doubt that*
Il est certain que *or* **Il est évident que** le nouveau règlement va compliquer les choses.	*it is clear that*
Il est incontestable que *or* **Il est indéniable que** leur situation financière est bien plus saine que l'an dernier.	*it is indisputable that*
Il est hors de doute que le nouveau centre culturel attirera un public de jeunes. // **Nul doute que** le nouveau centre n'attire *(subj)* un public de jeunes.	*there is no doubt that*
Il va sans dire que cette commande sera suivie de beaucoup d'autres.	*it goes without saying that*
Il faut bien reconnaître que *or* **Il faut bien admettre que** les désavantages sont considérables.	*it must be recognised that*
De toute évidence, le nouveau système est très coûteux. // **Il faut se rendre à l'évidence**: le nouveau système est très coûteux.	*from the evidence it is clear that*
Qu'il soit intelligent, **personne ne peut le nier.**	*no one can deny that*
Le doute n'est plus permis quant à son rôle dans cette affaire.	*there can be no more doubt about*
J'ai la conviction qu'il *or* **J'ai la certitude qu'**il nous a menti.	*I am convinced that*
Nous ne manquerons pas de vous communiquer les résultats de l'enquête.	*we shall not fail to ...*
Tout me porte à croire qu'il faut se mettre en rapport avec eux immédiatement.	*everything leads me to believe that*

EXPRESSING PROBABILITY

Il est probable que le comité se réunira le mois prochain. // Le comité se réunira **probablement** le mois prochain.	*it is probable that*
Il doit lui être arrivé un accident. // **Il a dû avoir** un accident. // **Il a sans doute eu** un accident.	*he has doubtless had ...*
Le chèque que je vous ai envoyé **devrait** vous parvenir avant la fin de la semaine.	*... should reach you ...*
On dirait que le temps va changer.	*it looks as though*
Vous avez dû en être informé par vos collègues.	*you must have been told*
Cela ne m'étonnerait pas qu'il n'ait pas l'argent nécessaire.	*I would not be surprised if*
Je pense m'absenter pour affaires la semaine prochaine.	*I am thinking of*
Je crois que la nouvelle machine sera installée bientôt.	*I think that*
Il y a de fortes chances que le projet ne soit pas mis à exécution.	*there is a strong chance that*
Il est bien possible qu'il n'en ait pas été informé.	*it is very possible that*
Il semble bien que votre demande n'ait pas été considerérée avec les autres.	*it seems likely that*
Il se pourrait bien qu'il y ait des retards à cause de la grève.	*it is quite possible that*
Sans doute a-t-il été obligé de modifier le programme.	*doubtless he has had to ...*
Tout semble indiquer qu'il y a eu un accident.	*everything seems to point to the fact that*

EXPRESSING POSSIBILITY

Il s'agit **peut-être** du nouvel élève.	*perhaps*
Peut-être est-il déjà trop tard pour s'inscrire. // **Peut-être qu'**il est déjà trop tard pour s'inscrire. // Il est **peut-être** déjà trop tard pour s'inscrire.	*perhaps it is*
La situation **peut** changer du jour au lendemain.	*... could change ...*
Il est possible que la baisse du prix du pétrole ait un effet néfaste sur l'économie.	*it is possible that*
Est-il possible que l'on ne nous ait pas dit toute la vérité?	*is it possible that*
Il n'est pas impossible que sa demande soit acceptée.	*it is not impossible that*
Ils pourraient déjà avoir passé un accord avec une compagnie rivale.	*they could already have ...*
Il se peut que je sois de passage à Paris la semaine prochaine.	*it may be that*
Il se pourrait que le conseil municipal en décide autrement.	*it could be that*
Il me semble que les conditions de travail sont en train de s'améliorer. // Les conditions de travail s'améliorent, **semble-t-il.**	*it seems that*
Il arrive qu'on découvre encore des chefs-d'œuvre inconnus.	*it happens that*
À ce qu'il paraît, des progrès considérables ont été accomplis.	*as far as one can make out*

EXPRESSING DOUBT

Je doute fort qu'elle puisse venir demain.	*I doubt if*
Il est douteux qu'elle puisse arriver avant la fin de la semaine.	*it is doubtful whether*
Je doute d'avoir jamais fait une telle proposition.	*I doubt if I ever ...*
Le doute subsiste quant au nombre exact des victimes.	*there is still some doubt about*
D'après ce qu'on dit, **il n'est pas sûr** *or* **il n'est pas certain qu'**elle soit malade.	*it is not certain that*
Elle n'est **pas forcément** malade.	*she's not necessarily ill*
Je ne suis pas sûr *or* **Je ne suis pas certain** *or* **Je ne suis pas convaincu de** pouvoir vous en donner une explication satisfaisante.	*I am not sure I can ...*
Il serait étonnant que *or* **Cela m'étonnerait que** des fonds suffisants aient été réunis.	*I'd be surprised if*
Nous sommes encore incertains quant au choix des matériaux.	*we are still unsure about*
Nous sommes encore dans l'incertitude en ce qui concerne le sort des victimes.	*we are still in the dark about*
Rien ne permet de penser que la nouvelle méthode soit plus économique.	*nothing leads us to believe that*
On ne sait pas encore exactement *or* **On ne sait pas encore au juste ce que** le président va proposer.	*as yet no one knows exactly what*
Nous nous demandons si nous devons accepter leurs propositions.	*we are wondering whether*

EXPRESSING IMPROBABILITY

Il est peu probable que *or* **Il n'est guère probable que** la réforme soit acceptée.	*it is very improbable that*
Il risque d'y avoir un retard dans la livraison. // Les marchandises **risquent de** ne pas arriver à temps.	*there could be a delay*
Vous n'en avez **probablement pas** encore entendu parler.	*you probably haven't*
Cela m'étonnerait vraiment qu'il soit reçu à son permis de conduire.	*I'd be amazed if*
Il ne semble pas qu'elle soit malade.	*it doesn't seem as if she's ill*
Il y a peu de chances qu'on puisse enrayer l'épidémie.	*there is not much chance that*
Il est douteux que le nouveau système soit réellement supérieur.	*it is doubtful whether*
Je crains fort que nous n'arrivions pas à nous entendre sur ce point.	*I doubt very much whether we shall ever*

EXPRESSING IMPOSSIBILITY

Il n'est pas possible que *or* **Il est impossible que** les marchandises aient été endommagées en transit.	*it is not possible that*
Il ne peut s'agir de la même personne.	*it can't ...*
Il m'est matériellement impossible de m'absenter la semaine prochaine.	*it is totally impossible for me to ...*
Il n'y a aucune chance que nous terminions cette traduction à temps. // **Nous n'avons aucune chance de** terminer cette traduction à temps.	*there's no chance that*
Il est absolument exclu que nous leur soumettions les plans à l'avance.	*it is out of the question for us to ...*
Je suis malheureusement dans l'impossibilité d'accepter votre aimable offre.	*unfortunately it is impossible for me to ...*
Toute collaboration avec eux **est hors de question. // Il est hors de question que** nous collaborions avec eux.	*is out of the question*
Le changement de gouvernement **a rendu impossible** toute négociation à ce sujet.	*has ruled out*

EXPRESSING WHAT SOMEONE IS ABLE OR UNABLE TO DO

Les candidats doivent **être capables de** traduire des textes scientifiques.	*must be able to ...*
Savez-vous vous servir de la nouvelle machine?	*do you know how to ...*
Il sait faire du ski/nager.	*he can ...*
Je comprends le français.	*I can understand French*
Je vois la maison sur la colline. // **J'arrive tout juste** *or* **Je peux tout juste** en distinguer les contours.	*I can see // I can just see*

Je suis vraiment navré de ce malentendu.	*I am very sorry about*
Pardonnez-moi de ne pas vous avoir demandé la permission.	*do forgive me for*
Je suis impardonnable!	*it's unforgivable of me*
Il est vraiment regrettable que vous ne puissiez venir.	*it is indeed a pity that*
Je regrette infiniment, mais je ne peux pas me libérer vendredi prochain.	*I am very sorry but*
Malheureusement, il m'est impossible d'accepter votre aimable invitation.	*unfortunately I cannot*
C'est moi le fautif *or* **C'est moi le coupable** — je n'avais pas compris ce qu'il fallait faire.	*it's my fault*

(more formally)

Je ne peux que vous **renouveler mes excuses** pour ce malencontreux incident.	*I can only say once again how sorry I am*
Nous tenons à vous présenter nos excuses pour les difficultés qui en ont résulté.	*we must apologise for*
Je vous prie d'excuser le retard que j'ai mis à vous répondre.	*I must ask you to forgive*
Nous regrettons de ne pouvoir publier votre article.	*we are sorry not to . . .*
Nous regrettons vivement les complications que cela a causées.	*we greatly regret*
Je suis au regret de vous informer que votre demande est arrivée trop tard.	*I must regretfully inform you that*
Je regrette de devoir vous annoncer que votre candidature n'a pas été retenue.	*I must regretfully inform you that*
J'ai le regret de ne pouvoir me rendre à ce séminaire, car j'ai un autre engagement.	*I regret that I cannot*

(more tentatively, or suggesting explanation)

Je me rends bien compte maintenant que **je n'aurais jamais dû** dire ça.	*I should never have*
Je reconnais que j'ai eu tort de lui donner votre numéro de téléphone.	*I realise I was wrong*
Si seulement je n'en avais pas parlé!	*if only*
Vous comprendrez, j'espère, que je ne suis pas personnellement responsable de ce retard, qui est dû à la grève des postes.	*you will understand I hope that*
C'est à cause d'une erreur de notre part que cela est arrivé.	*it is because of a mistake on our part*
Je suis sûr que vous comprendrez les raisons qui m'ont poussé à agir ainsi.	*I am sure you will understand*
Hélas, j'avais complètement oublié ce détail.	*unfortunately*
C'est moi qui suis responsable de ce malentendu.	*it's I who am responsible for*
J'avoue *or* **Je reconnais** avoir pensé que cela faciliterait les choses.	*I admit that I . . .*
J'accepte l'entière responsabilité de cette affaire.	*I accept full responsibility for*
Je vous jure que **je n'ai pas fait exprès** de casser le vase.	*I didn't do it on purpose*
Je ne voulais pas vous ennuyer avec tous ces détails.	*I didn't want to worry you with*
Je n'avais pas l'intention d'y aller, mais on m'y a forcé.	*I didn't mean to . . .*
Je sais bien que ce n'est pas la meilleure solution, mais **j'ai dû** prendre une décision sur le champ.	*I had to . . .*
J'avais cru bien faire en lui disant qu'il vous reverrait bientôt.	*I thought I was doing right*
Que voulez-vous, **je ne pouvais pas faire autrement.**	*I couldn't do anything else*
Je sais que les apparences sont contre moi, mais je vous assure que **je n'y suis pour rien.**	*I had nothing to do with it*
J'espère que vous me croyez quand je dis que **nous avons été obligés d'**accepter leurs conditions.	*we were obliged to*
Nous avions cru comprendre que les crédits avaient été accordés.	*we believed that*

AND, ACCORDING TO CONTEXT:

permettez-moi au moins de vous expliquer / je ne peux pas m'empêcher d'y penser / j'aurais dû vous écrire plus tôt / j'essayais simplement de vous éviter . . . / nous espérons que vous ne nous tiendrez pas rigueur de / soyez assuré que cela ne se reproduira pas / nous ferons tout notre possible pour / c'est une véritable catastrophe / je me sens très coupable d'avoir . . . / il faut que vous sachiez combien je regrette / ce que j'avais voulu dire, c'est que

HÉLÈNE MOLVAU
6 AVENUE DU GRAND PRÉ
17028 LA ROCHELLE

Société Intervins [1]
Service du personnel
18 avenue de la Libération
33000 Bordeaux

La Rochelle, le 4 juin 1993

Objet: demande d'emploi
d'attaché(e) de direction

Messieurs,

En réponse à votre annonce parue cette semaine dans Commerce et Industrie, je me permets de poser ma candidature au poste d'attachée de direction dans votre compagnie.

Je vous prie de bien vouloir trouver ci-joint mon curriculum vitae, et me tiens à votre disposition pour vous communiquer tout complément d'information que vous pourriez souhaiter.

Dans l'espoir que vous voudrez bien considérer favorablement ma demande et dans l'attente de votre réponse, je vous prie de croire, Messieurs, à l'assurance de mes sentiments respectueux.

Hélène Molvau

CURRICULUM VITAE

[1] This address is appropriate if you are writing to a firm or to an institution. However, if you are writing to the holder of a particular post, you should write thus:

Monsieur le Directeur du personnel,
Société Intervins,
18 avenue de la Libération,
33000 Bordeaux.

In this case, you should begin your letter with "Monsieur le Directeur du personnel, ...", and repeat this in the closing formula.

If the actual name of the person is known to you, you should write:

Monsieur Joël Rivedoux,
OR
Madame Marguerite Fabien,
Directeur du personnel,
Société Intervins etc.

Your letter should then begin: "Monsieur, ..." or "Madame, ...".

More information about letter-writing is to be found on pages 20 and 22.

[2] People with British or American etc qualifications applying for jobs in a French-speaking country might use some form of wording such as "équivalence baccalauréat (3 A-levels)", "équivalence licence de lettres (B.A. Hons.)" etc.

USEFUL VOCABULARY

Me référant à votre annonce parue aujourd'hui dans le *Quotidien du Midi,* je vous serais reconnaissant de bien vouloir m'envoyer des renseignements plus complets sur ce poste, ainsi qu'un dossier de candidature.	*In reply to your advertisement in today's 'Quotidien du Midi', I should be grateful if you would please send me further details of this post, together with an application form.*
Par votre annonce insérée dans l'édition d'hier de *Voyages et Transports*, j'ai appris que vous cherchez un correspondant bilingue et j'ai l'honneur de solliciter cet emploi.	*I wish to apply for the post of bilingual correspondent which you advertise in yesterday's 'Voyages et Transports'.*
Je souhaite vivement travailler en France pendant les vacances universitaires et vous serais très reconnaissant de me faire savoir s'il me serait possible d'obtenir un emploi dans votre compagnie.	*I am anxious to find a job in France during my summer vacation from University, and wonder whether you are able to offer me work in any capacity.*
J'ai travaillé pendant trois ans comme employé de bureau et sais utiliser un système de traitement de textes.	*I have three years' experience of office work, and have used a word-processor.*
Bien que je n'aie pas d'expérience personnelle de ce type de travail, j'ai eu d'autres emplois intérimaires au cours des étés précédents et puis vous fournir, si vous le désirez, des attestations de mes anciens employeurs.	*Although I have not got any previous experience of this type of work, I have had other holiday jobs, and can supply references from my employers, if you would like them.*
Mon salaire actuel est de ... par an et j'ai quatre semaines de congés payés.	*My present salary is ... per annum, and I have four weeks holiday per year with pay.*
Ce poste m'intéresse tout particulièrement, car je souhaite vivement travailler dans l'édition.	*I am particularly interested in this job, as I am very anxious to work in publishing.*
Je suis désireux de travailler en France afin de perfectionner mes connaissances de français et d'acquérir une certaine expérience de l'hôtellerie.	*I wish to work in France in order to improve my French and to gain experience of hotel work.*
Je parle couramment l'anglais, j'ai de bonnes connaissances d'allemand, et je lis le suédois.	*As well as speaking fluent English, I have a working knowledge of German and a reading knowledge of Swedish.*
Je serai disponible à partir de la fin du mois d'avril.	*I shall be available from the end of April.*
Je vous remercie de votre lettre du 19 mars et serai très heureux de me rendre à vos bureaux, avenue Parmentier, pour une entrevue le 12 novembre à 15 heures.	*Thank you for your letter of 19th March. I shall be delighted to attend for interview at your offices in avenue Parmentier on 12th November at 3 p.m.*
Dans mon dossier de candidature pour le poste, je dois donner les noms de deux personnes voulant bien me recommander, et je vous serais très reconnaissant de me permettre de donner le vôtre comme référence.	*I have to give names of two referees with my application for this job, and I am writing to ask if you would be kind enough to allow me to put your name forward.*
J'ai sollicité pour cet été un emploi de serveuse à l'hôtel Bel Air, à Sainte-Marie, et le directeur me demande une attestation. Je vous serais très reconnaissante si vous pouviez avoir l'amabilité de m'en fournir une.	*I have applied for the job of waitress for the summer in the Hotel Bel Air, in Sainte-Marie, and they have asked me to supply a reference. I wonder if you would be kind enough to give me one? I should be most grateful if you would agree to do this.*
Monsieur Jean Legrand sollicite une place de réceptionniste dans notre hôtel, et il a donné votre nom comme référence. Nous vous serions reconnaissants de bien vouloir nous dire si vous avez été satisfait de ses services.	*Mr. Jean Legrand has applied for the post of hotel receptionist with us, and has given your name as a reference. I should be grateful if you would kindly let me know whether in your opinion he is suitable for this post.*
Votre réponse sera considérée comme strictement confidentielle.	*Your answer will be treated in strict confidence.*
Auriez-vous l'obligeance de nous dire depuis combien de temps et à quel titre vous connaissez Mademoiselle Claude Bernard, et si vous la recommandez pour un emploi de ce type?	*Would you be kind enough to mention in your reply how long you have known Miss Claude Bernard, in what capacity, and whether you can recommend her for this type of employment.*
C'est avec grand plaisir que je vous recommande Madame Marion Lebrun pour le poste de responsable du logement. Je connais Madame Lebrun depuis plus de dix ans. Elle est d'un caractère agréable, pleine de bonne volonté et digne de confiance.	*It is with pleasure that I write to recommend Mrs. Marion Lebrun for the post of housing officer: I have known her for over ten years, during which time I have found her friendly, helpful and reliable at all times.*
Monsieur Renaud travaille pour nous depuis onze ans. Il est méthodique, ponctuel et extrêmement consciencieux dans son travail. Nous n'avons aucune hésitation à recommander quelqu'un d'aussi sérieux.	*Mr. Renaud has worked for me for the past eleven years, and during that time I have been impressed by his careful approach to his work, his punctuality and his sense of responsibility: he is a thoroughly reliable worker.*

Nous vous remercions de votre chèque de ... en règlement de notre relevé et espérons rester en relations avec vous.

Thank you for your cheque for ... in settlement of our statement: we look forward to doing further business with you in the near future.

Saint-Pierre, le 10 mars 1993

Chers Francine et Roger,

Comme cela fait bien longtemps que nous ne nous sommes pas vus, je vous écris pour vous demander si vous aimeriez venir passer deux ou trois jours chez nous. Nous pourrions vous faire visiter un peu les environs et je suis sûre que nous aurions beaucoup de choses à nous raconter. J'ai pensé que les vacances de Pâques approchant il vous serait peut-être plus facile de vous libérer. Le week-end du 27 mars vous conviendrait-il? Sinon, dites-nous quand vous seriez disponibles. Naturellement, nous serions ravis d'accueillir les enfants!

Dans l'espoir de vous revoir bientôt, je vous envoie à tous deux mes plus affectueuses pensées.

Hélène Morvan

Granbourg le 16 février 1993

Messieurs,

Il y a quelques années, j'avais acheté chez vous un service à café en porcelaine de Limoges, modèle "Trianon". Ayant malheureusement cassé deux des tasses, je souhaite remplacer les pièces manquantes et voudrais donc savoir si vous suivez ce modèle. Si tel est le cas, je vous serais reconnaissante de bien vouloir m'envoyer votre liste de prix, et de m'indiquer les délais de livraison.

Veuillez accepter, Messieurs, l'expression de mes sentiments distingués.

Marianne Legrand

ENDING A LETTER

Pierre se joint à moi pour vous envoyer nos meilleurs vœux.	*Pierre joins me in sending very best wishes to you all.*
Transmettez, s'il vous plaît, mes amitiés à Denis.	*Do give my kindest regards to Denis.*
Jeanne vous envoie ses amitiés (*or* vous embrasse).	*Jeanne sends her kindest regards* (ou *her love*).
Catherine me charge de vous transmettre ses amitiés.	*Catherine asks me to give you her best wishes.*
Veuillez transmettre mon meilleur souvenir à votre mère.	*Please remember me to your mother.*
Embrasse Olivier et Marion pour moi, et dis-leur bien combien ils me manquent.	*Give my love to Olivier and Marion, and tell them how much I miss them.*
Marie vous embrasse tous les deux.	*Marie sends her love to you both.*
Dis bonjour à Sandrine pour moi.	*Say hullo to Sandrine for me.*
N'hésitez pas à m'écrire si je puis vous être utile.	*If there is anything else I can do, please do not hesitate to get in touch again.*
Écris-moi si tu as une petite minute de libre.	*Do write when you have a minute.*
N'oublie pas de nous donner de tes nouvelles de temps en temps.	*Let us have your news from time to time.*
J'attends avec impatience une lettre de vous.	*I look forward to hearing from you.*

TRAVEL PLANS

Je vous serais reconnaissant de bien vouloir me communiquer vos tarifs.	*Please give me details of your prices.*
Je voudrais retenir une chambre avec petit déjeuner.	*I would like to book bed-and-breakfast accommodation with you.*
Je voudrais retenir une chambre avec un grand lit pour ma femme et moi-même, ainsi qu'une chambre à lits jumeaux pour nos deux fils, tous deux âgés de moins de 12 ans.	*I wish to book one double room for my wife and myself, and one twin-bedded room for our sons, who are both under 12 years of age.*
Veuillez me faire savoir, par retour du courrier, si vous avez une chambre pour une personne, avec douche et en pension complète, pour la semaine du 24 juin.	*Please let me know by return of post if you have one single room with shower, full board, for the week beginning June 24th.*
Veuillez m'indiquer le montant des arrhes que je dois verser pour la réservation.	*Would you please let me know what deposit you require on this booking.*
Je confirme ainsi ma réservation et vous prie de me garder la chambre, jusqu'à une heure tardive si besoin est.	*Please consider this a firm booking, and hold the room until I arrive, however late in the evening.*
Sauf imprévu, nous arriverons en début de soirée.	*We expect to arrive in the early evening, unless something unforeseen prevents us.*
Je me vois obligé de vous demander de reporter ma réservation du 25 août au 3 septembre.	*I am afraid I must ask you to alter my booking from 25 August to 3 September.*
Pour des raisons indépendantes de ma volonté, je suis contraint d'annuler la réservation que j'avais faite pour la semaine du 5 septembre.	*Owing to unforeseen circumstances, I am afraid that I must cancel the booking made with you for the week beginning 5 September.*
Je voudrais retenir un emplacement pour une caravane et une tente (2 adultes et 2 enfants) du 15 juin au 7 juillet inclus.	*I wish to reserve a site for a caravan and a tent (2 adults and 2 children) from 15 June to 7 July inclusive.*

THANKS AND BEST WISHES

EXPRESSING THANKS

Jean et moi **te remercions de** ton aimable attention.	*... thank you for your kind thought.*
Je vous écris pour vous remercier de tout cœur des magnifiques fleurs qui ont été livrées aujourd'hui.	*I am writing to thank you most warmly for*
Je ne sais comment vous remercier de votre aide.	*I don't know how to thank you for*
C'est vraiment très gentil de votre part de m'avoir écrit à la suite de mon accident.	*it is really very kind of you to have ...*
Remercie-le de ma part pour tout ce qu'il a fait.	*give him my thanks for*
Merci de m'avoir prévenu de votre changement d'adresse.	*thank you for having told me about*
Je vous remercie d'y avoir consacré tant de temps.	*thank you for*
Mon mari et moi **vous sommes extrêmement reconnaissants des** précieux conseils que vous avez bien voulu nous donner.	*... are exceedingly grateful to you for*
Transmettez, je vous prie, mes remerciements à vos collègues.	*please give my warmest thanks to your colleagues*
Au nom du comité, je tiens à vous exprimer notre gratitude pour le soutien que vous nous avez apporté au cours de ces derniers mois.	*I am writing on behalf of ... to express our gratitude to you for ...*
Acceptez, je vous prie, mes très sincères remerciements pour votre généreuse contribution à notre fonds de secours.	*I would ask you to accept my most sincere thanks for*

BEST WISHES

(... and responding)

Monsieur et Madame Michel Wolff félicitent Monsieur et madame Olivier Laplace à l'occasion du prochain mariage de leur fille Catherine, et acceptent avec plaisir leur aimable invitation/mais regrettent de ne pouvoir se joindre à eux en cette journée.	*Formal reply to invitation: 'and have much pleasure in accepting/but regret they are unable to accept'*
Monsieur et Madame André Bureau adressent leurs sincères félicitations aux parents de Joséphine et tous leurs vœux de bonheur aux futurs époux.	*Formal congratulations, written on card: 'send their congratulations and best wishes on the engagement of ...*
Pour Catherine et Paul, avec toutes mes félicitations pour votre mariage et tous mes vœux de bonheur.	*Card with gift: 'With congratulations and best wishes'*
C'est avec une grande joie que nous avons appris le mariage de votre fille avec Bernard Lefèvre. Nous vous présentons toutes nos félicitations et souhaitons aux jeunes mariés beaucoup de bonheur et de prospérité.	*Fairly formal letter: 'send you our congratulations and best wishes on'*
J'ai été très heureux d'apprendre par ta lettre le mariage de Richard et de Marguerite. Tu sais que je leur souhaite tout le bonheur possible.	*Informal letter: 'I was delighted to hear of'*

(announcing a change of address)

Nous vous prions de bien vouloir noter notre nouvelle adresse, qui sera, à partir du 1er novembre 1993: 26 Avenue de Rome, 92000 Boulogne.	*Formal private or business letter*

(announcing a death)

Monsieur et Madame Jacques Bonnard et leurs enfants ont la douleur de vous faire part de la mort soudaine de M. Henri Bonnard, leur père et grand-père, survenue le 3 avril 1993. La cérémonie religieuse aura lieu le 7 avril en l'église St. Thomas et sera suivie de l'inhumation au cimetière de Clamart.	*Formal announcement: 'announce with deep sorrow and regret the death of'*
Nous avons la très grande peine de vous faire part de la perte cruelle que nous venons d'éprouver en la personne de notre mère, décédée le 2 janvier après une brève maladie. Le service religieux et l'inhumation ont eu lieu dans la plus stricte intimité.	*Formal letter: 'it is with deepest sorrow that we have to inform you of our sad loss ...'*
C'est avec beaucoup de peine que je t'écris pour t'annoncer que mon père est décédé la semaine dernière.	*Informal letter: 'I am writing to tell you the sad news that my father died last week'*

(... and responding)

Monsieur et Madame Paul Lambert vous prient d'accepter l'expression de leur profonde sympathie et vous adressent leurs plus sincères condoléances à l'occasion du deuil qui vient de vous frapper.	*Formal, on card: 'send their deepest sympathy on the occasion of'*
C'est avec une profonde tristesse que nous avons appris la disparition de votre frère. Croyez que nous prenons part à votre peine et soyez assurés de notre sincère sympathie.	*Formal letter: 'it is with the greatest sorrow that we learnt of'*
J'ai été bouleversé d'apprendre la disparition de ta sœur. Je tiens à te dire combien je pense à toi en ces moments douloureux.	*Informal letter to friend: 'I was terribly upset to learn of the death of ...'*

INVITATIONS

(formal invitations)

See p.26, **'announcing a marriage'**.

Madame Paul Ambre et Madame Michel Potet recevront après la cérémonie religieuse au Relais des Glycines, route de Marleroy, Fontanes. R.S.V.P.	*'request the pleasure of your company afterwards at ... ' (On card inside wedding invitation.)*
Les éditions Roget ont le plaisir de vous inviter à un cocktail à l'occasion de la sortie du premier livre de la collection Espoir le lundi 9 août 1993 à partir de 18 h 30.	*'have pleasure in inviting you to ...'*
Monsieur et Madame André Bureau prient Madame Labadie de leur faire le plaisir de venir dîner le mercredi 27 octobre à 20 heures.	*'request the pleasure of your company at dinner on ...'*

(... and replies)

See p.26, **'announcing a marriage ... and responding'**.

Mademoiselle Charlotte Leblanc accepte avec grand plaisir de se rendre au cocktail organisé le 9 août par les éditions Roget/regrette profondément de ne pouvoir se rendre au cocktail *etc.*	*'thanks ... and accepts with pleasure/ but regrets that she cannot accept'*
Madame Jeanne Labadie remercie Monsieur et Madame André Bureau de leur aimable invitation à dîner qu'elle accepte avec le plus grand plaisir/ qu'elle regrette de ne pouvoir accepter en raison d'un autre engagement.	*'thanks ... which she is happy to accept/which she regrets that she cannot accept owing to a previous engagement*

(informal invitations)

Pour fêter les fiançailles de Geneviève et de Xavier, nous organisons une réception à l'Hôtel de France, à Saint Martin, le 2 septembre à 20 heures et serions très heureux si vous pouviez vous joindre à nous.	*'we are having a party to celebrate their engagement ... and hope you will be able to join us there'*
Michèle et Philippe doivent venir déjeuner dimanche prochain et nous espérons que vous pourrez être des nôtres.	*'are coming to lunch ... and we hope you will be able to join us'*
Est-ce que cela te dirait d'aller passer la journée à La Rochelle?	*'would you like to spend the day ...'*
Lors de votre passage à Lyon, vous nous feriez très plaisir si vous pouviez nous consacrer une soirée pour que nous dînions ensemble.	*'when you are in ... lovely if you would spend an evening with us ... have dinner together'*
Nous projetons de passer le mois de juillet à l'île de Ré et serions très heureux de vous y accueillir quelques jours.	*'we are planning to spend July ... and would be happy to welcome you ...'*

(... and replies)

Je vous remercie de votre aimable invitation et me fais une joie de venir.	*'thank you for your very kind invitation ... I am looking forward to it'*
C'est très gentil de votre part de m'inviter et je me réjouis d'être des vôtres.	*'very kind of you to invite me ... looking forward very much to being with you'*
Nous pensons passer le week-end de Pentecôte à Lyon et vous téléphonerons dès notre arrivée pour arranger une rencontre.	*'we are thinking of spending Whit weekend in ... and shall telephone you to arrange a meeting'*
Votre invitation pour l'île de Ré nous a fait grand plaisir et nous espérons passer un week-end chez vous vers le 14 juillet.	*'thank you very much for your invitation ... we hope to come for a weekend about ...'*
C'est avec le plus grand plaisir que je vous accompagnerai à l'Opéra. Merci d'avoir pensé à moi.	*'I am free that evening ... and will gladly go with you to ... thank you for thinking of me'*
C'est vraiment très aimable à vous de m'inviter pour votre soirée de samedi, mais je me vois malheureusement contraint de refuser, car j'ai déjà accepté une invitation pour ce soir-là.	*'It was so kind of you to invite me ... unfortunately I have to refuse ... already accepted another invitation for that evening'*
J'aimerais beaucoup passer un week-end chez vous, mais malheureusement, aucune des dates que vous proposez ne me convient.	*'I should like very much to spend a weekend with you ... unfortunately none of the dates is any good to me'*
Malheureusement, je ne peux pas me libérer le mois prochain. Peut-être pourrons-nous arranger une rencontre en octobre?	*'unfortunately I can't get away then ... perhaps we can arrange a meeting in ...'*

ESSAY WRITING

THE BROAD OUTLINE OF THE ESSAY

Introductory remarks

Dans son journal, Gide écrit: C'est avec les beaux sentiments qu'on fait de la mauvaise littérature'. **Ce jugement** peut paraître tranchant, mais il **soulève néanmoins une question essentielle** — celle des rapports de l'art et de la morale.	*this assertion ... raises a fundamental question ...*
Aujourd'hui tout le monde s'accorde à dire que le chômage menace la structure même de la société telle que nous la connaissons. **Cependant,** certaines des mesures actuellement suggérées pour lutter contre ce problème **impliquent,** elles aussi, des changements fondamentaux, et **ceci nous amène à nous demander si,** dans certains cas, le remède ne serait pas pire que le mal.	*it is generally agreed today that ... however ... imply ... this leads us to wonder whether ...*
'La voiture est un luxe indispensable'. **Voici une remarque fréquemment entendue** qui illustre les problèmes de notre société de consommation moderne. **Il convient donc d'examiner** le rôle actuel de l'automobile.	*such a remark is often heard ... let us therefore take a closer look at ...*
Depuis quelque temps, les problèmes de la sidérurgie sont à la une de l'actualité et nous avons tous présentes à l'esprit les images des manifestations violentes qui ont eu lieu la semaine dernière dans l'Est. **La question est** donc de savoir si l'on doit sacrifier une communauté entière au nom de l'intérêt économique?	*once more the question arises*
Presque chaque semaine on trouve dans la presse des articles portant sur les problèmes démographiques en France. **Tantôt** on s'inquiète du vieillissement de la population, **tantôt** on affirme que nous sommes trop ou trop peu nombreux.	*hardly a week goes by without ... sometimes ..., sometimes ...*
Ces attitudes contradictoires montrent à quel point la place de la famille est actuellement **remise en question.**	*this clash of opinions ... called into question*
Un problème dont il est souvent question aujourd'hui est celui de la faim dans le Tiers Monde.	*one recurring problem today is*
On ne peut nier le fait que la télévision influence profondément la façon dont nous percevons la vie politique.	*it cannot be denied that*
Il serait naïf de croire que les hommes politiques agissent *(subj)* toujours pour des motifs désintéressés.	*it would be naïve to consider that*
On exagérerait à peine en disant que ce sont les accidents de la route qui grèvent le budget de la Sécurité sociale.	*it would hardly be an exaggeration to state that*
Nous vivons dans un monde où la paix est constamment menacée.	*we live in a world where*
L'histoire nous fournit de nombreux exemples de génies incompris à leur époque et reconnus par les générations suivantes.	*history offers us numerous examples of*
Il n'est guère possible d'ouvrir le journal sans y découvrir un nouvel exemple de violence.	*it is scarcely possible to open a newspaper without finding some new example of*
Le problème se résume donc à ceci: Sartre peut-il être à la fois romancier et philosophe?	*the problem may be summarised thus: ...*
Une telle attitude mérite d'être examinée de plus près et il serait donc utile de la replacer dans son contexte historique.	*such an attitude deserves closer attention*

Developing the argument

La première constatation qui s'impose, c'est que le sujet traité par l'auteur est mal connu du grand public.	*the first thing that must be said is that*
Prenons comme point de départ le rôle que le gouvernement a joué dans l'élaboration de ce programme.	*let us begin with*
Il serait utile d'examiner la façon dont l'auteur définit ses personnages dans le premier chapitre.	*it would be useful to consider*
En premier lieu il convient d'examiner *or* **En premier lieu examinons** l'attitude selon laquelle le sport est un devoir.	*let us first of all look at*
Selon l'auteur, la province serait une prison empêchant le héros de s'épanouir, et **il revient sur cette idée** à plusieurs reprises.	*the author would have us believe that ... he comes back to this idea*
En cherchant à analyser les causes de ce malaise, **il faut tout d'abord reconnaître que** les enseignants en ont assez des réformes incessantes.	*in an attempt to analyse ... it must first be recognised that*
Le premier argument que l'on puisse faire valoir, c'est que les jeunes ne savent plus s'amuser.	*the first telling argument is that*
Rappelons les faits: les pluies acides détruisent chaque année une fraction croissante de la forêt européenne.	*let us state the facts once more:*
La première question qui se pose, c'est de savoir quel est le motif qui peut pousser l'héroïne à agir ainsi.	*the first question that arises is ...*

The other side of the argument

Après avoir étudié la progression de l'action, **considérons maintenant** le style *or* **il faut maintenant parler du** style.	*let us now consider*
Puisque l'étude de l'environnement ne nous apporte pas de réponse satisfaisante sur ce point, **cherchons d'autres facteurs** susceptibles de contribuer à cette détérioration.	*let us look for other factors*
L'auteur **a beau** insister sur l'importance des rapports entre le maître et le valet, il n'arrive pas toujours à les rendre convaincants. Pourquoi?	*however hard the author tries to ...*
Il est maintenant nécessaire d'aborder la question de la censure à la télévision.	*we must now consider*
Venons-en maintenant à l'analyse des personnages.	*now we come to ...*
Est-ce vraiment là une raison suffisante pour réclamer le rétablissement de la peine de mort?	*is this really a good reason for*
Tournons-nous maintenant vers *or* **Passons maintenant à** un autre aspect du problème — celui des conséquences de cette mesure sur l'emploi des femmes.	*let us now turn our attention to*
Puisqu'il a été établi que le héros n'est pas poussé par le désir du gain, **examinons de plus près** la scène où il se trouve en présence de son père.	*let us take a closer look at*
Il serait intéressant de voir si le même phénomène se produit dans d'autres pays.	*it would be interesting to see whether*
Il est raisonnable de penser que l'auteur exprime ses vues avec sincérité.	*it is reasonable to believe that*
On peut également aborder le problème sous un angle différent et considérer la portée politique de ces mesures.	*the problem could also be approached from another angle, by ...*
Pour l'auteur, la forme est plus importante que le fond, **mais il se peut, bien sûr, que le contraire soit vrai.**	*for the author ... but of course the opposite may very well be true*
Est-on pour autant autorisé à dire que les défenseurs des droits des animaux sont les prophètes d'une nouvelle moralité?	*is it reasonable to claim that*
Un deuxième argument qui est loin d'être négligeable consiste à dire que les plus jeunes, tout comme les plus vieux, sont particulièrement défavorisés dans notre société.	*there is a second argument which cannot be ignored, namely that*

The balanced view

Au terme de cette analyse on doit cependant faire remarquer que la rapidité du changement est peut-être le facteur le plus important.	*at the end of the day, it must however be pointed out that*
Il faut néanmoins reconnaître que l'action individuelle et l'éducation ne suffisent pas: des mesures doivent être prises à l'échelon gouvernemental.	*it must however be recognised that*
Cependant, **il faut envisager un troisième facteur.**	*we must allow for a third factor*
Enfin, nous devons nous demander si le véritable intérêt de l'ouvrage ne réside pas dans l'étude des mœurs de l'époque.	*finally, we must ask ourselves if*
La position de l'auteur est **encore plus nuancée** qu'on ne le pense.	*is still more complex ...*
Peut-être faudrait-il étendre un peu le problème et se demander si la corruption du pouvoir ne forme pas le sujet essentiel de la pièce.	*we should perhaps go further, and ask whether*

In conclusion

Quelles conclusions tirer de *or* **Quelles conclusions déduire de** cette analyse?	*what conclusions may be drawn from*
Les différents accidents **dont il a été question ci-dessus prouvent** *or* **démontrent que** les normes de sécurité ne sont pas respectées.	*which have been discussed earlier ... prove that*
Il semble donc que dans son roman, l'auteur n'accorde d'importance particulière ni au cadre, ni à l'action. **En fait,** toute son attention est concentrée sur l'analyse psychologique.	*it would seem clear that ... in point of fact*
Il résulte de tout ceci que la prison peut transformer un délinquant en criminel.	*all this goes to show that*
Est-on en mesure de **dresser le bilan de** ces premiers mois de gouvernement?	*... assess the performance of*
D'après ce qui précède, il semble que *or* **D'après ce qui vient d'être dit, il semble que** l'auteur se cache soigneusement derrière ses personnages.	*from this, it would seem that*
En définitive *or* **De toute façon,** le plus grand problème actuel, c'est notre manque d'imagination en ce que concerne l'avenir.	*all in all*
Ainsi, il apparaît que l'opinion publique est de plus en plus consciente des dangers du nucléaire.	*it would appear then that*
Tels seraient donc les principaux moyens d'expression utilisés par l'auteur.	*these then are ...*

CONSTRUCTING A PARAGRAPH

Ordering various elements within it

On peut invoquer ici plusieurs arguments différents.	*at this point, several arguments could be mentioned*
Plusieurs facteurs ont contribué au succès du produit: **tout d'abord,** le directeur a obtenu une licence de fabrication du Japon, **ensuite** il a organisé une grande campagne de publicité, **et enfin,** il a lancé une gamme de dérivés ... (*or* **en premier/deuxième** *etc*/**dernier lieu**)	*several factors contributed to ... first ... then ... and lastly ...*
Qui sont les pauvres aujourd'hui? Eh bien, **d'une part,** il y a ceux qui naissent pauvres, **et d'autre part,** ceux qui le deviennent (*or* **d'un côté ... de l'autre**).	*on the one hand ... and on the other*
Les premiers connaissent des problèmes de travail et de logement, **les seconds** sont pris en charge par l'aide sociale (*or* **Ceux-là ... ceux-ci ...**).	*the first ... the second ... (the former ... the latter)*
Ceci est dû essentiellement à trois facteurs: **premièrement** ... *etc.*	*this is basically due to three factors first ...* etc
L'éducation nationale fait l'objet de critiques continuelles et **il en va de même** pour la sécurité sociale.	*and so also does ...*
De même que les étudiants se demandent à quoi leurs études vont leur servir, **de même** les professeurs s'interrogent sur leur rôle.	*as students ... so also teachers ...*
D'ailleurs *or* **De toute façon,** le président n'a pas le choix.	*in any case*
À cet égard *or* **À ce propos,** il faut noter une détérioration dans la qualité de l'enseignement.	*in this connection*
Bref *or* **En un mot,** il refuse.	*in a word*
On peut noter en passant que *or* **On peut mentionner en passant que** l'auteur n'y fait jamais allusion.	*one may point out in passing that*
Avant d'aborder la question du style, **mentionnons brièvement** le choix des métaphores.	*let us make brief mention of*
Sans nous appesantir sur les détails *or* **Sans nous attarder sur les détails,** notons toutefois que le rôle du conseil de l'ordre a été déterminant.	*without going into too much detail, we should ...*
Comme nous le verrons plus en détail par la suite, ce sont surtout les personnages secondaires qui font progresser l'action.	*as we shall see in greater detail later*
Nous ne pouvons dissocier ce facteur de la décision mentionnée plus haut.	*this factor cannot be dissociated from*
Nous reprenons ainsi une idée suggérée antérieurement.	*here we touch again on an idea*
Nous reviendrons plus loin sur cette question, **mais** signalons déjà l'absence totale d'émotion dans ce passage.	*we shall return to this later, but ...*
Mais pour en revenir au sujet qui nous intéresse, la cuisine française est en train de changer du tout au tout.	*but to return to the topic which interests us most, ...*

Adding, enumerating etc

De plus *or* **Par ailleurs,** il s'agit là d'un progrès tout à fait remarquable.	*moreover*
En outre, il faut noter que *or* **Il faut également noter que** les employés sont mal payés.	*we must also remember that*
Il examine les origines du problème, **ainsi que** certaines des solutions suggérées.	*as well as, in addition to*
Différentes formules sont offertes au client — voyage à forfait, **ou bien** hébergement chez l'habitant, **ou encore** demi-pension, **ou enfin** camping dans un village de vacances.	*or else ... or alternatively ... or finally*
Faut-il inclure dans les statistiques les handicapés et les personnes âgées? **Ou bien** doit-on exclure les jeunes et les travailleurs temporaires? **Ou encore** est-il nécessaire d'analyser le mode de vie en plus des revenus?	*or else ... or yet again ...*
Plusieurs catégories professionnelles ont été oubliées, **notamment** *or* **parmi lesquelles** les employés de bureau et les réceptionnistes.	*in particular*
Ils connaissent **des problèmes de** scolarité, de travail et d'hébergement, **problèmes qui** sont tous exacerbés dans le cas des groupes ethniques minoritaires.	*they have problems of schooling, of ... etc, problems which are ...*
Du parti communiste **à** l'extrême-droite, **tous** sont d'accord pour condamner cet acte de terrorisme.	*from the X on the one hand, to the Y on the other, all are agreed ...*
Médecins, chirurgiens, anesthésistes et infirmiers, **tous** sont surmenés.	*doctors, surgeons etc — all are ...*
Ajoutons à cela *or* **Il faut ajouter à cela** *or* **À cela s'ajoute** un sens remarquable du détail.	*added to that, ...*
Pour ce qui est des personnages secondaires, ils sont, eux aussi, remarquablement vivants.	*as far as the ... are concerned*
En ce qui concerne la pollution chimique, il faut reconnaître qu'elle constitue aussi un grave danger.	*as far as ... is concerned, as for the matter of ...*
Quant aux émissions sportives, elles suivent toujours le même modèle précis.	*as for the ...*
De même, on pourrait suggérer que le style de l'auteur manque d'originalité.	*similarly*

Introducing one's own point of view

À mon avis *or* **Selon moi** *or* **D'après moi,** ce chapitre est le meilleur du livre.	*in my view, as far as I am concerned*
En ce qui me concerne *or* **Pour ma part,** je déplore l'évolution actuelle de l'enseignement supérieur.	*as far as I am concerned, for my part*
Personnellement, ce qui me frappe le plus dans cette affaire, **c'est** le ton de la déclaration du juge.	*from my own point of view, what I find most striking is*
Si je puis me permettre d'exprimer une opinion personnelle, il me semble que l'auteur s'aventure sur un terrain dangereux.	*if I may be permitted to give a personal opinion ...*
Je soutiens que *or* **Je suis de l'opinion que** la télévision a un effet néfaste sur l'éducation des enfants.	*I maintain that ..., it is my view that ...*
L'auteur affirme, **à juste titre selon moi,** que cette attitude est défaitiste.	*... and rightly, in my opinion ...*

Introducing someone else's point of view

Selon l'auteur *or* **D'après l'auteur** *or* **Suivant l'auteur,** le motif principal du crime est la jalousie.	*according to the author*
Comme le soulignent (*or* **le laissent entendre** *etc)* **les experts,** l'important est d'inventer des solutions nouvelles.	*as the experts emphasize (or imply* etc)
Le budget du ministère est, **dit-il** (*or* **affirme-t-il** *etc),* dans les normes de la CEE.	*... he says (or he declares* etc)
Il dit/pense/croit/affirme/déclare que ce système présente de nombreux avantages.	*he says/thinks/believes/states/declares that*
L'auteur **attire notre attention sur/nous rappelle/nous signale** l'ampleur de ce changement.	*the author draws our attention to/ reminds us of/points out*
Il insiste sur le fait que/Il maintient que/Il soutient que ces rivalités internes sont la véritable faiblesse du mouvement.	*he emphasizes/maintains/claims that*
Un soi-disant expert **prétend qu'**il est possible/**voudrait nous faire croire qu'**il est possible d'apprendre les langues vivantes sans effort.	*claims that/wants to convince us that*
Selon la version officielle des faits, ceci ne pourrait avoir de conséquences néfastes pour la population.	*according to the official version of the facts*

Introducing an example

Prenons le cas de Louis dans le Nœud de Vipères.	*consider the case of*
Il suffit de donner comme exemple les documentaires à valeur éducative.	*one has only to instance*
Un seul exemple suffit à montrer l'importance de cette réorganisation.	*one single example is enough to show*
L'un des exemples les plus frappants se trouve au deuxième chapitre.	*one of the most striking examples*
Mille travailleurs, **dont** 10% de femmes, risquent de perdre leur emploi.	*10% of whom are*

Introducing a quotation or source

Suivant *or* **Selon** *or* **D'après** les auteurs du rapport, 'l'important n'est pas de nourrir l'Afrique, mais de la faire reverdir'.	*according to*
'La raison du plus fort est toujours la meilleure', **constate/affirme/observe** La Fontaine.	*concludes/declares/observes*
Comme l'a fait remarquer le président, 'la croissance économique dépend du taux d'investissement'.	*as the president points out*
Chénier avait écrit 'l'art ne fait que des vers, le cœur seul est poète', et **Musset reprend la même idée** 'Ah, frappe-toi le cœur, c'est là qu'est le génie'.	*Chénier had written ... and Musset takes up the same theme ...*
Selon les paroles de Duhamel, 'le romancier est l'historien du présent'.	*in the words of Duhamel ...*
Dans sa remarquable étude sur le folklore vendéen, Jean Thomas **observe ...**	*in his remarkable study of ... he observes ...*
Dans un article récemment publié dans le journal *Le Temps*, nous trouvons cette remarque **sous la plume de** Jean Lefèvre: '...	*in a recent article in ... from the pen of*

THE MECHANICS OF THE ARGUMENT

Introducing a fact

Il est exact que les travaux ont commencé.	*it is true that*
On constate *or* **On observe** un progrès soutenu.	*... is noticeable*
On peut noter que la **CEE** n'a pas donné son accord.	*one should note that*
Il s'agit d'une histoire toute simple.	*it is a ...*
Le nouveau programme **fait l'objet de** violentes critiques.	*has been a target for*
Rappelons les faits: la pollution du Rhin devient inquiétante et ...	*we must not lose sight of the facts:*
À mesure qu'on avance dans la lecture de l'ouvrage, on découvre des perspectives nouvelles.	*as the reader progresses, new perspectives open up*
L'auteur rapporte que de nombreuses superstitions concernent les plantes et les animaux.	*the author reports that*

Indicating a supposition

On est en droit de supposer que cette solution sera adoptée.	*one might justifiably suppose that*
Il est probable que leur réaction sera connue sous peu.	*it is probable that*
On évoque ici la possibilité d'une nouvelle réunion au sommet.	*the possibility of ... is mentioned*
Il pourrait y avoir une autre explication.	*there could be*
Supposons que l'essence sans plomb devienne obligatoire: l'automobiliste devra l'accepter, et ...	*let us suppose that*
Le refus du comité **laisse supposer** *or* **permet de penser** que les fonds nécessaires n'ont pas été réunis à temps.	*leads one to believe that*
Il n'est pas impossible qu'il y ait eu une explosion.	*it is not impossible that*
Ceci expliquerait la baisse des ventes en février.	*this would explain*
On peut supposer que l'auteur est au courant des faits.	*one may suppose that*

Expressing a certainty

Il est certain que *or* **Il est évident que** cette découverte constitue un grand pas en avant.	*it is clear that*
Son deuxième roman est **incontestablement** *or* **indéniablement** supérieur au premier.	*... is indisputably or undeniably ...*
Tout pousse à croire que *or* **Tout permet de penser que** son rival l'emportera.	*everything leads one to the conclusion that*
Qu'il ait du talent **ne fait aucun doute.** // **Sans aucun doute** il a du talent.	*there can be no doubt that*
Tout le monde s'accorde pour critiquer les méthodes qu'il emploie.	*everyone agrees in criticising ...*
Il est clair que les événements prennent une tournure tragique.	*it is clear that*
Comme chacun le sait, la camomille est un remède souverain contre l'insomnie.	*as everyone knows*

Indicating doubt or uncertainty

Il semble qu'elle ait essayé de prendre contact avec eux.	*it would seem that*
Il est possible que *or* **Il se peut que** l'héroïne n'en ait pas conscience.	*it is possible that*
Peut-être préfère-t-on aujourd'hui voir des films plus gais.	*perhaps people prefer ...*
Sans doute est-il préférable d'économiser dès maintenant certains des minerais les plus rares.	*perhaps it is preferable to ...*
Il pourrait s'agir d'un nouveau virus.	*it could be*
Ceci pourrait expliquer le retard avec lequel la nouvelle lui est parvenue.	*this could explain*
Ceci remet en question la validité de ces statistiques.	*this calls into question again ...*
On hésite à croire qu'une telle décision ait été prise.	*it is difficult to believe that*

Conceding a point

Nous savons réduire les effets de la pollution, et **pourtant** *or* **toutefois** *or* **cependant** *or* **néanmoins,** nous hésitons souvent à le faire à cause du coût.	*however*
Bien que *or* **Quoique** les personnages soient étudiés avec soin, ils manquent de vie.	*although*
Le style est intéressant, **quoique** *or* **bien que** *or* **encore que** lent parfois.	*albeit*
Ils ont raison **jusqu'à un certain point, mais** certains de leurs idées prendraient trop longtemps à réaliser.	*up to a certain point they are right, but ...*
Je suis d'accord avec l'auteur sur bien des points, **mais** je dois néanmoins formuler quelques réserves.	*I agree with him on many points, but ...*
Bien sûr, la limitation de vitesse réduirait le nombre des accidents, **mais** elle créerait aussi d'autres problèmes.	*of course ... but ...*
Selon elle, le plus gros du travail est fait. **Toujours est-il qu'**il reste encore de nombreux détails à mettre au point.	*the fact still remains that*
Quel que soit le talent du metteur en scène, il n'arrive pas à rendre plausible une histoire aussi rocambolesque.	*however great the talent ...*
On ne peut nier que *or* **Il est indéniable que** la robotique conduit *or* conduise à des suppressions d'emploi, mais ...	*it cannot be denied that*
Certes, les spots publicitaires font vendre, mais il coûtent aussi très cher.	*undoubtedly*
Sans aller jusqu'à dire que la femme est exploitée, **il faut cependant reconnaître qu'**elle rencontre des difficultés particulières dans le monde du travail.	*it must be recognised that*
Tout en reconnaissant que les grands ensembles ont permis de loger des milliers de sans-abri, **il faut néanmoins accepter que** les conditions y sont souvent déplorables.	*while recognising ... one must also agree that*
Sans doute la solitude est-elle un fléau moderne, **mais** c'est souvent à l'individu de lutter contre elle.	*doubtless ... but ...*
Le moins que l'on puisse dire, c'est que le personnage est fascinant.	*the least one can say is that*

Emphasizing particular points

Pour souligner la complexité du problème, l'auteur nous décrit les effets secondaires de ces produits.	*in order to emphasize*
Il faut bien préciser qu'il *or* **Précisons bien qu'**il s'agit là d'une méthode couramment employée.	*let us make it quite clear that*
Cette décision **met en lumière** l'ignorance et les préjugés de celui qui l'a prise.	*... highlights ...*
N'oublions pas que les femmes vivent dans l'ensemble plus longtemps que les hommes.	*let us not forget that*
Il faut insister sur le fait que personne n'était au courant de ces tentatives.	*we must make it absolutely clear that*
C'est cet incident **qui** est à l'origine de la réforme des prisons. **C'est** dans les lycées **que** le mécontentement est le plus évident.	*it is this ... which ...*
Si elle ne s'en est pas encore occupée, **c'est** par indifférence, **et non pas** par manque de temps.	*it is indifference, not lack of time, that has prevented her from ...*
Non seulement il s'est opposé à la réduction du budget, **mais** il a demandé de nouveaux crédits.	*not only did he ... but ...*
Cela ne veut pas dire que la pièce est *or* soit mauvaise, **mais plutôt que** l'auteur manque encore d'expérience.	*this does not mean that ..., but rather that ...*
L'ambition — **voilà** ce qui différencie le héros des autres personnages.	*that is what ...*
Bien loin de nous transformer en imbéciles, la télévision nous instruit et nous divertit tout à la fois.	*far from changing us into ...*
Non pas qu'il *or* **Ce n'est pas qu'**il condamne *(subj)* cette attitude, **mais** il craint qu'elle soit incomprise.	*it is not that ... but rather that ...*
Le chômage va encore augmenter, **d'autant plus que** le gouvernement refuse d'aider les industries en difficulté.	*and all the more so because ...*
J'irais même jusqu'à dire qu'il a tort.	*I would even go so far as to say that*
La pièce comporte de nombreuses inexactitudes historiques, **et qui plus est,** la chronologie est déformée.	*and what is more serious ..., and more than that ...*
Cette loi a toujours été injuste, **à plus forte raison maintenant que** l'opinion publique a évolué.	*and more than ever now that*

Moderating a statement

Sans vouloir critiquer cette façon de procéder, il semble cependant qu'une autre méthode pourrait avoir de meilleurs résultats.	*without wishing to criticize*
L'auteur a certainement raison **dans l'ensemble,** mais certains détails mériteraient d'être revus.	*by and large*
Une mise au point serait souhaitable.	*one might offer a slight clarification here*
Sans attacher trop d'importance à des détails, il semble pourtant qu'une révision s'impose.	*without laying too much emphasis on details*
Il serait injuste de reprocher à l'auteur son manque d'expérience.	*it would be unfair to ...*
Il serait mal venu de demander plus de détails.	*it would be churlish to ...*

Indicating agreement

Beaucoup de gens trouvent les grands ensembles très laids, et **en effet** *or* **effectivement,** ils sont souvent hideux.	*and indeed*
Il faut reconnaître que les résultats sont décevants.	*one must admit that*
Sa description de l'événement est **exacte en tous points.**	*is correct in every detail*
L'explication qu'il en donne est **tout à fait convaincante.**	*is wholly convincing*
Nous ne pouvons que nous incliner devant ces conclusions.	*we can only bow to these conclusions*
Comme le suggère l'auteur, il semble indispensable de pousser plus loin les recherches.	*as the author suggests*
Tout semble effectivement indiquer qu'il y a eu un accident d'une gravité exceptionnelle.	*everything certainly seems to point to*
Il est évident que cette méthode est efficace.	*it is clear that*
Rien n'est plus vrai que cette description de l'exil.	*nothing is more true than*

Indicating disagreement

Il est impossible d'accepter le point de vue de l'auteur sur ce point.	*it is impossible to accept*
Cette explication **ne mérite pas d'être retenue.**	*is not worthy of our attention*
Les habitants de l'île **protestent contre** la construction du pont.	*protest against*
Ces faits **sont en contradiction avec** la version officielle.	*these facts contradict*
Il ne saurait être question de procéder à de nouvelles élections.	*there can be no question of*
Je me sens tenu de **formuler quelques réserves/de soulever quelques objections.**	*... to make some reservations/to raise some objections*
Le professeur Durand **réfute l'argument selon lequel** la médecine préventive est plus économique que la médecine curative.	*refutes the claim that*
À tous ceux qui critiquent la publicité, **on peut répondre que** *or* **on peut répliquer que** c'est un nouveau genre artistique.	*one can reply that*
Cette affirmation **me semble contestable.**	*... seems to me to be questionable*
L'auteur commet une grave erreur en laissant entendre qu'un accord avait été conclu.	*the author makes a grave mistake in*
Bien que son raisonnement soit intéressant, **je ne partage pas le point de vue de l'auteur.**	*... I do not share the author's point of view*
Quand bien même il aurait raison sur ce point, cela ne résout pas le problème dans son ensemble.	*even if he is right*
Quand on dit que la catastrophe a fait 2 000 victimes, **on est très loin de la vérité.**	*this is far from the truth*
Il faut s'élever contre cette vue pessimiste de l'existence.	*one cannot let this pass without comment*

Indicating approval

Heureusement, l'auteur nous précise plus tard que ce n'est pas le cas.	*fortunately*
On comprend fort bien que cette attitude plaise.	*one can well understand how ...*
La meilleure solution serait effectivement de restaurer le bâtiment.	*the best solution would certainly be to ...*
Il suffit de lire ces lignes pour se croire transporté au XVIIIe siècle.	*you have only to read these lines to be ...*
Les responsables de l'enquête **ont raison d'**inclure les moins de 15 ans.	*... were right to ...*
L'auteur souligne ce détail **à juste titre** *or* **avec raison.**	*... rightly emphasizes*
Il était grand temps que quelqu'un prenne la défense des personnes âgées.	*it was certainly time that*
Enfin un ouvrage qui traite vraiment des problèmes des femmes qui travaillent!	*at last, a work which really ...*
Ce livre est le bienvenu car il apporte un nouvel éclairage sur la question.	*this book is welcome because*

Indicating disapproval

Il est regrettable que l'auteur n'ait pas apporté le même soin à la présentation de son ouvrage.	*it is a pity that*
Il serait vraiment dommage qu'une découverte aussi importante ne soit pas reconnue à sa juste valeur.	*it would be a pity if*
Malheureusement, cette étude est très inégale.	*unfortunately*
On peut s'étonner de la rapidité avec laquelle la réforme a été appiquée.	*one may well be surprised at*
On voit mal comment les élèves pourraient bénéficier de cette mesure.	*it is difficult to see how*
Les habitants **condamnent** *or* **critiquent** le projet d'autoroute, qui va détruire la tranquillité du village.	*condemn*
Ils **reprochent aux** autorités *or* ils **accusent** les autorités **de** ne pas les avoir consultés à temps.	*they complain that the authorities ...*

Making a correction

En réalité *or* **En fait,** il ne s'agit pas du tout de cela.	*in (actual) fact*
Il ne s'agit pas à proprement parler de commerce, **mais plutôt de** troc.	*it is not a question of X, but rather of Y*
Son récit est **très loin de la vérité: en fait** ...	*... is very far from the truth: in fact ...*
Ces critiques **ne semblent pas justifiées.**	*... do not seem to be justified*
Ces craintes **sont** absolument **sans fondement.**	*are quite without foundation*
Pour rétablir les faits, je dirai que ...	*to re-establish the facts, I shall ...*

Indicating the reason for something

Ceci tient à *or* **Ceci résulte d'**un malentendu.	*this arises from*
C'est pour cette raison que tout retour en arrière est impossible.	*it is for this reason that*
Le vieux château sera réparé: **en effet,** il constitue un des meilleurs exemples de l'architecture du XVIIe siècle.	*indeed, it constitutes ...*
On ne peut se fier à ces chiffres, **attendu que** *or* **vu que** les calculs sont approximatifs.	*given that*
S'il a accepté, **c'est certainement qu'**on a fait pression sur lui.	*it is certainly because ...*
Ceci expliquerait la baisse des ventes en février.	*this would explain*
L'auteur **laisse entendre que** *or* **suggère que** l'explication est ailleurs.	*suggests that*

Setting out the consequences of something

Cette décision **a eu d'heureuses conséquences/a eu des conséquences néfastes.**	*had happy/fatal consequences*
Sa nomination **a eu pour conséquence de** créer un mécontentement considérable au sein de l'organisation.	*had the effect of*
On peut donc en déduire que *or* **On en arrive à la conclusion que** l'auteur désapprouve cette conception de l'autorité.	*one is led to the conclusion that*
Il était très mécontent des conditions qui lui étaient offertes, **aussi** a-t-il donné sa démission.	*which is why*
Voilà pourquoi *or* **C'est pourquoi** la famille occupe une place de choix dans ses romans.	*and that is why*
La fermeture de l'usine **aura pour conséquence** *or* **aura comme résultat** *or* **mènera à** la disparition du village.	*will result in*
Les compagnies aériennes ont augmenté leurs tarifs, **d'où** une réduction du nombre des passagers.	*leading to*
Le nombre de postes sera réduit à trois, **ce qui implique** *or* **ce qui signifie** le départ de quatre employés.	*which means*
Le héros n'apparaissant pas dans ce chapitre, **il s'ensuit que** *or* **il en résulte que** les personnages secondaires occupent le premier plan.	*it follows from this that*
Il s'est refusé à tout commentaire, **ce qui tend à prouver qu'**il avait menti.	*which seems to confirm that*
Ainsi, la personnalité du héros se révèle être beaucoup plus complexe qu'elle ne le semblait au premier abord.	*thus*

Contrasting or comparing

Certains disent que la production d'énergie est essentielle à notre avenir, **d'autres affirment** que nous en produisons déjà trop.	*some say ... others declare ...*
Certains parlent aujourd'hui de la faillite de l'école. **Inversement, d'autres** proclament les progrès de l'éducation.	*some people ... conversely, others ...*
Il dépasse de loin son rival. // **Il n'arrive pas à la cheville de** son rival.	*he is far better than // not nearly as good as*
Comparé à son premier roman, celui-ci a plus de finesse.	*compared with*
Il n'y a pas de comparaison possible **entre** les deux.	*there is no comparison possible between the two*

LE TÉLÉPHONE

POUR OBTENIR UN NUMÉRO

Could you get me Newhaven 465786 please.
(four-six-five-seven-eight-six)
You'll have to look up the number in the directory.
You should get the number from International Directory Enquiries.
Would you give me Directory Enquiries please.

Can you give me the number of the Decapex company, of 54 Broad Street, Newham.
It's not in the book.
They're ex-directory *(Brit)*. // They're unlisted *(US)*.
What is the code for Exeter?
Can I dial direct to Colombia?
You omit the '0' when dialling England from France.

How do I make an outside call? // What do I dial for an outside line?

LES DIFFÉRENTS TYPES DE COMMUNICATIONS

It's a local call.
This is a long-distance call from Worthing.

I want to make an international call.
I want to make a reverse charge call *ou* a transferred charge call to a London number *(Brit)*. // I want to call a London number collect *(US)*.
I'd like to make a personal call *(Brit) ou* a person-to-person call *(US)* to Joseph Broadway on Jamestown 123456.
I want an ADC call to Bournemouth.

I'd like a credit card call to Berlin.

What do I dial to get the speaking clock?
I'd like an alarm call for 7.30 tomorrow morning.

LE STANDARDISTE PARLE

Number, please.
What number do you want? // What number are you calling? // What number are you dialling?
Where are you calling from?
Would you repeat the number please.
You can dial the number direct.
Replace the receiver and dial again.

There's a Mr Sandy Campbell calling you from Canberra and wishes you to pay for the call. Will you accept it?
Can Mr Williams take a personal call *(Brit)*? // Can Mr Williams take a person-to-person call *(US)*?
Go ahead, caller.
(Directory Enquiries) There's no listing under that name.
There's no reply from 45 77 57 84.
I'll try to reconnect you.

Hold the line, caller.
All lines to Bristol are engaged — please try later.

It's a card phone.
I'm trying it for you now.

It's ringing. // Ringing for you now.
The line is engaged *(Brit)*. // The line is busy *(US)*.

THE TELEPHONE

GETTING A NUMBER

Je voudrais le 46 09 37 12, s'il vous plaît.
(quarante-six zéro-neuf trente-sept douze)
Vous devez consulter l'annuaire.
Vous pourrez obtenir le numéro par les renseignements internationaux.
Pourriez-vous me passer les renseignements, s'il vous plaît?
Je voudrais le numéro de la société Decapex, 20 rue de la Marelle, à Pierrefitte.
Je n'ai pas trouvé le numéro dans l'annuaire.
Désolé, leur numéro est sur la liste rouge.
Quel est l'indicatif pour Briançon?
Est-ce que je peux appeler la Colombie par l'automatique?
Si vous téléphonez de France en Angleterre, ne faites pas le zéro.
Comment est-ce que je peux téléphoner à l'extérieur?

DIFFERENT TYPES OF TELEPHONE CALL

C'est une communication locale.
C'est une communication interurbaine en provenance de Lille.
Je voudrais une communication pour l'étranger.
Je voudrais appeler Londres en PCV. (N.B.: system no longer exists in France.)

Je voudrais une communication avec préavis à l'intention de M. Gérard Leblanc au 26 85 77 08.
Je voudrais une communication avec indication de durée pour Bourges.
Je voudrais une communication payable avec carte de crédit pour Berlin.
Quel numéro dois-je faire pour l'horloge parlante?
Je voudrais être réveillé à 7.30 demain.

THE OPERATOR SPEAKS

Quel numéro voulez-vous?
Quel numéro demandez-vous?

D'où appelez-vous?
Pourriez-vous répéter le numéro, s'il vous plaît?
Vous pouvez obtenir ce numéro par l'automatique.
Raccrochez et renouvelez votre appel. // Raccrochez et recomposez le numéro.
M. Ladret vous appelle en PCV d'Amsterdam. Est-ce que vous acceptez la communication?
Il y a un appel avec préavis pour M. Williams — est-ce qu'il est là?
C'est à vous. // Vous êtes en ligne.
(aux Renseignements) Il n'y a pas d'abonné à ce nom.
Le 45 77 57 84 ne répond pas.
J'essaie de rétablir la communication. // Je vais essayer de refaire le numéro.
Ne quittez pas.
Par suite de l'encombrement des lignes, votre appel ne peut aboutir. Veuillez rappeler ultérieurement.
C'est un téléphone à carte.
J'essaie de vous mettre en ligne. // J'essaie d'obtenir la communication.
Ça sonne.
La ligne est occupée.

QUAND L'ABONNÉ RÉPOND

Could I have extension 516? // Can you give me extension 516?
Is that Mr Lambert's phone?
Could I speak to Mr Swinton please? // I'd like to speak to Mr Swinton, please. // Is Mr Swinton there?
Could you put me through to Dr Henderson, please?
Who's speaking?
I'll try again later.
I'll call back in half an hour.
Could I leave my number for her to call me back?
I'm ringing from a callbox *(Brit)*. // I'm calling from a pay station *(US)*.
I'm phoning from England.
Would you ask him to ring me when he gets back.

Could you ring that number for me?

LE STANDARD DE L'ABONNÉ PARLE

Queen's Hotel, can I help you?

Who is calling, please?
Who shall I say is calling?
Do you know his extension number?
I am connecting you now. // I'm putting you through now.
I'm putting you through now to Mrs Thomas.
I have a call from Tokyo for Mrs Thomas.
I've got Miss Martin on the line for you.
Miss Paxton is calling you from Paris.
Dr Craig is talking on the other line.
Sorry to keep you waiting.
There's no reply.
You're through to our Sales Department.

POUR RÉPONDRE AU TÉLÉPHONE

Hullo, this is Anne speaking.
(Is that Anne?) Speaking.
Would you like to leave a message?
Can I take a message for him?
Don't hang up yet.
Put the phone down and I'll call you back.
This is a recorded message.

Please speak after the tone.

EN CAS DE DIFFICULTÉ

I can't get through (at all).
The number is not ringing.
I'm getting 'number unobtainable'. // I'm getting the 'number unobtainable' signal.

Their phone is out of order.
We were cut off.
I must have dialled the wrong number.
We've got a crossed line.
I've called them several times with no reply.
You gave me a wrong number.
I got the wrong extension.

This is a very bad line.

WHEN YOUR NUMBER ANSWERS

Pourriez-vous me passer le poste 516, s'il vous plaît?

Je suis bien chez M. Lambert?
Je voudrais parler à M. Wolff, s'il vous plaît?. // Pourrais-je parler à M. Wolff, s'il vous plaît?
Pourriez-vous me passer le docteur Dupont, s'il vous plaît?
Qui est à l'appareil?
Je rappellerai plus tard.
Je rappellerai dans une demi-heure.
Pourrais-je laisser mon numéro pour qu'elle me rappelle?
Je vous appelle d'une cabine téléphonique. // Je téléphone d'une cabine.
J'appelle d'Angleterre. // Je téléphone d'Angleterre.
Pourriez-vous lui demander de me rappeler quand il rentrera?
Voulez-vous appeler ce numéro pour moi?

THE SWITCHBOARD OPERATOR SPEAKS

Allô — Hôtel des Glycines, j'écoute. // Allô — Hôtel des Glycines, à votre service.
Qui est à l'appareil?
C'est de la part de qui?
Est-ce que vous connaissez le numéro du poste?
Je vous le passe.
Je vous passe Mme Thomas.
Quelqu'un en ligne de Tokyo demande Mme Thomas.
J'ai Mlle Martin à l'appareil.
Mme Dupuis vous appelle de Paris.
M. Potain est sur l'autre ligne.
Ne quittez pas.
Ça ne répond pas.
Vous avez le service des ventes en ligne.

ANSWERING THE TELEPHONE

Allô, c'est Anne à l'appareil.
(C'est Anne à l'appareil?) Elle-même.
Voulez-vous laisser un message?
Voulez-vous que je lui fasse une commission?
Ne quittez pas. // Ne raccrochez pas.
Raccrochez et je vous rappelle.
Vous êtes en communication avec un répondeur automatique.
Au bip sonore, veuillez laisser votre message.

WHEN IN TROUBLE

Je n'arrive pas à avoir le numéro.
Ça ne sonne pas.
Tout ce que j'obtiens, c'est 'il n'y a pas d'abonné au numéro que vous demandez'. // Tout ce que j'obtiens, c'est 'le numéro que vous demandez n'est pas attribué'.
Leur téléphone est en dérangement.
On nous a coupés. // La communication a été coupée.
J'ai dû faire un faux numéro.
Il y a quelqu'un d'autre sur la ligne.
J'ai appelé plusieurs fois, mais ça ne répond pas.
Vous m'avez donné un faux numéro.
On ne m'a pas donné le bon poste. // On s'est trompé de poste.
La ligne est très mauvaise.

LA SUGGESTION

We could stop off in Barcelona for a day or two, if you would like to.	*nous pourrions*
How do you fancy a couple of days at the sea?	*as-tu envie de*
What would you say to a morning on Grand Canal?	*que diriez-vous de*
Would you like to visit the castle while you are here?	*aimeriez-vous*
I suggest *ou* **I would suggest** *ou* **I'd like to suggest that** we offer him the job.	*je suggère que*
What if we were to arrange a meeting for the end of May?	*et si on organisait*
Perhaps we should ask him if he would like to come with us?	*peut-être devrions-nous*
Why not go round to see him yourself?	*pourquoi ne pas*
Suppose *ou* **Supposing** you were to rent a house in Sicily?	*supposons que*
Perhaps you might care to add your name to this list?	*voudriez-vous*
You could *ou* **You might** buy the tickets for both of us, if you agree.	*vous pourriez peut-être*
You might like to write to him and explain what happened.	*vous pourriez toujours*
In your place *ou* **If I were you,** I'd be very careful.	*à votre place*
What do you think about trying to set up such a meeting?	*que pensez-vous de*
Have you ever thought of applying for the job?	*avez-vous jamais pensé à*
I've got an idea — let's invite him over here.	*j'ai une idée — invitons-le ...*
If I may make a suggestion, why not discuss it with him?	*si je puis faire une suggestion*
If I might be permitted to suggest something: would you take her on in your department for a while?	*si je puis me permettre de suggérer quelque chose*
We propose that half the fee be paid in advance, and half on completion of the contract.	*nous proposons que*

(avec une certaine hésitation)

It is quite important that you should wait till he returns.	*il est important que*
I am convinced that this would be a dangerous step to take.	*je suis convaincu que*
I was thinking of going there next month — how about it?	*je pensais*
There would be a lot to be said for acting at once.	*il y aurait un gros avantage à*
Might I be allowed to offer a little advice? — talk it over with your parents first.	*puis-je offrir un conseil?*
If you want my advice, I'd steer well clear of them.	*à mon avis, vous feriez bien de*
In these circumstances, **it might be better to** wait.	*il vaudrait peut-être mieux*
It might be a good thing *ou* **It might be a good idea** to warn her about this.	*il serait bon de*
If you were to give me the negative, **I could** get copies made.	*si vous me donniez ... je pourrais*
Would it matter if you didn't hand in the essay on time?	*est-ce que cela serait grave si*
Say you were to change the date of your holiday?	*et si vous changiez ...*
Some people might prefer to wait until they are sure of the money before acting.	*il y a des gens qui préféreraient*
Perhaps it might be as well to ask her permission first?	*peut-être serait-il préférable de*
I'd be very careful not to commit myself.	*je ferais très attention à ne pas*

DEMANDANT DES SUGGESTIONS

What would you do in my place *ou* **What would you do if you were me?**	*que feriez-vous à ma place?*
Have you any idea what the best way to go about it is?	*savez-vous ...*
I wonder if you have any suggestion to offer on where we might go for a few days?	*je me demande si vous pouvez suggérer*
I'm a bit doubtful about where to start.	*je ne sais pas exactement*

ET, SELON LE CONTEXTE:

if you don't object / I'd like to ask you a favour / I would advise you to ... / take care not to ... / I would recommend / whatever you do, don't ... / perhaps you would kindly / I cannot put it too strongly / my idea was to ... / how do you feel about this? / I should be grateful if you would / it could be in your interest to ... / it occurred to me that / I would be delighted to ... / I hope you will not be offended if / if I were to make an informed guess, I'd say / it might have something to do with / if you ask me, you'd better / it would certainly be advisable to ...

LE CONSEIL

POUR DEMANDER UN CONSEIL

I'd like your advice about *ou* **I'd appreciate your advice about** where to go in Italy.	*je voudrais vous demander votre avis sur*
What would you advise me to do in the circumstances?	*que me conseilleriez-vous de faire*
Would you advise me to do as they ask?	*à votre avis, dois-je ...*
How would you go about it, in my place? // **What would you do,** if you were me?	*que feriez-vous*
Do you think I ought to sell it to him?	*pensez-vous que je devrais*
What would you recommend in these circumstances?	*que recommandez-vous*

POUR DONNER UN CONSEIL

If you want my advice, I'd steer well clear of them.	*si vous voulez mon avis, vous feriez bien de*
Take my advice and don't rush into anything.	*suivez mon conseil*
My advice would be to have nothing to do with this affair.	*je vous conseillerais de*
I would strongly advise you to reconsider this decision.	*je vous conseille vivement de*
I would advise against any such course of action.	*je déconseillerais*
It would certainly be advisable *ou* **You would be well advised to** get his permission before going any further in this matter.	*il serait recommandé de*
In your place I would *ou* **If I were you I would** clear it with her headmaster first.	*à votre place, je ...*
I think you should send *ou* **I think you ought to** send it by express post, as time is so important.	*à mon avis, vous devriez*
Why don't you explain to her exactly what happened?	*pourquoi ne pas*
If you want my opinion, I'd go by air to save time.	*je trouve que tu devrais*
You'd be as well to think it over carefully, before taking any decision.	*tu ferais bien de*
Would you allow me to suggest something? You could go there direct from London.	*me permettez-vous une suggestion?*
If you ask me, you'd better find another travel agency.	*à mon avis, vous feriez mieux de*
Do be sure you read the small print before you sign anything.	*prenez soin de*
Try to avoid a quarrel with him, for my sake.	*essaie de*
Whatever you do, don't drink the local brandy.	*quoi qu'il arrive*
We believe that **you would be ill-advised to** have any dealings with this firm.	*vous auriez tort de*
Please believe me when I say **it is in your interest to** act promptly now.	*il est dans votre intérêt de*

(de façon moins directe)

It might be wise *ou* **It might be a good thing to** go and see your doctor about this.	*il serait peut-être prudent de*
In view of the present situation, **it might be better to** think it over for a while before acting.	*il serait peut-être préférable de*
I'd be very careful not to commit myself.	*je ferais très attention de ne pas*
You might like *ou* **You might care to** write to him and explain what happened.	*vous pourriez peut-être*
There would be something to be said for acting at once.	*il y a quelques avantages à*
I wonder if it might be as well to wait for another few days?	*peut-être serait-il souhaitable de*

POUR LANCER UN AVERTISSEMENT

Take care not to spend too much money.	*faites attention de ne pas*
Be careful not to believe everything they tell you.	*veillez à ne pas*
Make sure you don't *ou* **Mind you don't** sign anything.	*surtout, ne signez rien*
I'd think twice about going on holiday with her.	*j'hésiterais à*
It would be sensible to consult someone who knows the country before making detailed plans.	*il serait bon de*
It would be sheer madness to marry him when you feel that way about him.	*ce serait de la folie de*
You're risking a long delay in Cairo, if you decide to come back by that route.	*vous risquez*

ET, SELON LE CONTEXTE:

what would you do in my position? / can you help me to ... / I should be grateful if you could / what would your reaction be if / might I be allowed to offer some advice? / we would urge you to ... / things being what they are / in your shoes, I would / my view of the matter is / it's really none of my business but ... / a word of caution ... / it would seem a good idea to ... / I hope you don't think I'm interfering but ... / it occurred to me that you might / don't be offended if I suggest / if I might be permitted to ... / I should warn you that / instinct tells me that

L'OFFRE

May I show you the city when you are here?	*puis-je*
Would you like me to find out more about it for you?	*voudriez-vous que je*
Is there anything I can do about your accommodation?	*puis-je vous aider*
We would like to offer you the post of assistant manager.	*nous voudrions vous offrir*
I might perhaps *ou* **I could perhaps** give you a hand with the painting?	*je pourrais peut-être*
Shall I collect the documents for you on my way there?	*voulez-vous que je*
How about letting me find some help for you in the house?	*et si je ...*

(de façon plus indirecte)

Say I were to lend you the money till your bursary comes through?	*mettons que je ...*
Would you allow me to contribute towards the cost?	*me permettriez-vous de*
I would be delighted to help, if I may.	*je serais enchanté de*
I hope you will not be offended if I offer a contribution towards the expense you are incurring.	*j'espère que vous ne serez pas vexé si*
It would give me great pleasure to welcome you to my home.	*je serais très heureux de*
I'd like to pay my share, **if it's all the same to you.**	*si cela vous est égal*
If you don't mind, I'll buy my own tickets.	*si cela ne vous ennuie pas*
Do let me know if I can help you on anything else.	*prévenez-moi si*
If I can be of any assistance, please **do not hesitate to** write to me.	*n'hésitez pas à*
What if I were to call for you in the car?	*et si je ...*
It occurred to me that I might go with you as far as the border at least?	*j'ai pensé que je pourrais peut-être*

LA REQUÊTE

Would you please *ou* **Will you please** call in and see her if you have time when you are in Rome.	*voudriez-vous avoir la gentillesse de*
Would you please *ou* **Would you kindly** reserve one single room for those nights.	*veuillez avoir l'obligeance de*
Could you arrange *ou* **Would it be possible for you to** arrange for a car to come to the airport for me?	*pourriez-vous*
Would you mind letting me have a copy of your letter to him?	*est-ce que cela vous ennuierait de*
Might I ask you to *ou* **Could I ask you to** let me have a note of his address some time?	*puis-je vous demander de*

(dans une langue plus soutenue)

I should be grateful if you would let me know which you have in stock.	*je vous serais reconnaissant de bien vouloir*
I would ask you *ou* **I must ask you** not to use the telephone for long-distance calls.	*je dois vous demander de ne pas*
We should be glad to receive your cheque for this amount by return of post.	*nous vous serons obligés de nous envoyer*
You are requested to return the books to us at once.	*vous êtes prié de*
Kindly inform us when your account will be in credit.	*veuillez ...*

(de façon plus indirecte)

I would rather you didn't tell him what I said.	*je préférerais que vous ne ...*
It would be very helpful *ou* **It would be very useful if** you could find me a room there.	*cela me rendrait service si ...*
I was hoping that you might find time to go and see her.	*j'espérais que*
I wonder whether you might not ask her for it?	*pourquoi ne pas*
I would appreciate it if you could let me have copies of the best photographs.	*je vous serais reconnaissant de*

ET, SELON LE CONTEXTE:

I apologize for troubling you with such a request / I hope this will not take up too much of your time / if it is not too much trouble / if I am not disturbing you / I hope you don't mind about this / don't forget to ... / for heaven's sake don't / may I remind you to ... / we look forward to receiving from you / if you do not ... we shall

LA COMPARAISON

This year's sales figures are very high **in comparison with** *ou* **compared with** *ou* **when compared with** those of our competitors.	*en comparaison de*
By comparison, this one is much more expensive.	*par comparaison*
If you compare New York and Washington, you realise how pleasant the latter is to live in.	*si l'on compare*
If we set the overall cost **against** our estimate, we can see how inaccurate it was.	*si nous comparons*
This house has a lovely garden, **whereas** *ou* **whilst** the other has only a small yard.	*tandis que*
The quality of the paintings is very disappointing **beside** that of the sculpture section in the exhibition.	*comparé à*
In contrast to Joan's, Anne's career has flourished since she left university.	*par contraste avec*
As opposed to John's *ou* **Unlike** John's, Peter's work is careful and thorough.	*par opposition à*
This is **nowhere near as** large **as** the other one.	*loin d'être aussi ... que*
Let us compare and contrast the two approaches.	*comparons et contrastons*
We must now attempt to **note the similarities and the differences.**	*noter les ressemblances et les différences*
There is no comparison between them *ou* **You cannot compare them at all** *ou* **They are simply not comparable** — the first scheme is clearly much more ambitious than the second.	*ils ne sont pas comparables*
The former looks good, but **the latter** is more effective.	*le premier ... le second*
There is some (*ou* **no** *ou* **a certain** *etc*) **resemblance between** the two photographs. // **There is** some (*ou* **no** *etc*) **similarity between** them.	*il y a une certaine* etc *resemblance entre*
There is some (*ou* **no** *etc*) **difference between** them.	*il y a une certaine* etc *différence entre*
It's swings and roundabouts — what you gain on one, you lose on the other.	*c'est du pareil au même*
It is something like a television screen, **but** much smaller. // **He's like** his brother, **only** fairer.	*ressemble à ... mais en plus ...*
What differentiates him from similar writers is his grasp of social truths.	*ce qui le distingue de*
(comparaisons favorables)	
It is greatly superior to that restaurant we went to last time we were in Rome.	*c'est infiniment supérieur à*
The imported version just **can't compete with** the one we make ourselves.	*ne peut se comparer à*
I think James **has the edge over** Paul in maths.	*est légèrement supérieur à*
The little chest of drawers is really **in a class of its own.**	*unique en son genre*
(comparaisons défavorables)	
It is **much inferior to** the sample they sent us.	*est très inférieur à*
His book **is not worthy of comparison with** *ou* **does not bear comparison with** the writings of the experts in the field.	*n'est pas comparable à*
I'm afraid her work simply **does not measure up to** that of her classmates.	*n'est pas aussi bon que*
The English forwards **were no match for** the French, who scored three goals in the first half.	*étaient très inférieurs aux*
As far as brains go, **he is not in the same class as** *ou* **he is not a patch on** his father.	*il est loin d'être aussi bien que*
(ce qui est semblable)	
It is really **much the same as** the other. // **There's not much difference between** them. // **There's not much to choose between** them.	*il n'y a pas grande différence entre*
These rings are about **equal in** value. // They are **of equal** value.	*sont de valeur égale*
The value of this house **is equivalent to** *ou* **corresponds to** that of the one you own.	*correspond à*
It has been likened to *or* **It has been compared to** one of Wordworth's later poems.	*on l'a comparé à*
His exam results **are on a par with** those of his brother.	*valent ceux de*
(ce qui ne peut pas se comparer)	
They are simply not comparable *ou* **You just can't compare them at all** — they are so different in their approach.	*on ne peut pas les comparer*
There is little correlation between one set of results and the other.	*il n'y a pas vraiment de corrélation entre*
They have so little in common that it is a waste of time trying to assess their respective merits.	*ils se ressemblent si peu*

L'OPINION

POUR S'ENQUÉRIR DE L'OPINION DE QUELQU'UN

What do you think of *ou* **What is your opinion on** the way he has behaved over this?	*que pensez-vous de*
If I may ask your opinion, **how do you see** the traffic developing in this part of the town?	*à votre avis, comment est-ce que*
I'd be interested to know what your reaction is to the latest report on food additives.	*j'aimerais savoir ce que vous pensez de*
Can you tell me **what your own feelings are about** the way the house was sold?	*pouvez-vous me dire ce que vous pensez personnellement de*
What are your thoughts on the subject of how to earn more money?	*avez-vous une opinion en ce que concerne*
I have been asked to find out **what your attitude is to** this problem.	*quelle est votre attitude en ce qui concerne*
Have you come to any conclusions about how we should plan the next stage?	*est-ce que vous avez décidé de ce que*

POUR EXPRIMER SON OPINION

In my opinion *ou* **As I see it,** that was the best thing that could have happened to them.	*à mon avis*
I feel children shouldn't be ordered around too much.	*je trouve que*
Personally, I believe her sister should have invited her to stay.	*personnellement, je trouve que*
When I think about it, **it seems to me that** there are too many people chasing too few jobs.	*il me semble bien que*
I have the impression that there has been enough money spent on this project already.	*j'ai l'impression que*
I have an idea *ou* **a hunch** he might be coming back before the end of the summer.	*j'ai comme une idée que*
I daresay he'll apologise if you give him time.	*j'imagine que*
To my mind, he's the wrong man for the job.	*à mon avis*
From my point of view *ou* **As far as I am concerned,** television is a complete waste of time.	*en ce qui me concerne*
My own view of the matter is that the government will have to act quickly.	*pour ma part, je pense que*
My own point of view is that *ou* **it's my belief that** people are best left to sort out their own lives.	*personnellement je trouve que*
It's my opinion that *ou* **I am of the opinion that** such people should not be allowed to get access to public funds.	*je considère que*
I am convinced that they did it in order to make things difficult for us.	*je suis convaincu que*
From where I stand, it looks as though the school will have to close.	*de mon point de vue, il semble que*
If you ask me *ou* **If you want to know what I think** *ou* **if you want my opinion,** he should have been sent to hospital right away.	*si vous me demandez mon avis, je trouve que*

POUR RÉPONDRE SANS EXPRIMER D'OPINION

I should prefer not to comment on that statement at the moment.	*je préférerais ne pas donner mon avis sur*
I would rather not commit myself at this stage.	*je préférerais ne pas m'engager*
I don't know what to think about *ou* **I don't know what to say about** the new scheme to brighten up to town.	*je ne sais que penser de*
This is not something I have given a lot of thought to.	*je n'y ai pas vraiment réfléchi*
I have no particular views on this subject. // **I haven't any strong feelings** about it.	*je n'ai pas d'opinion particulière sur*
I am not in a position to say much about what is going on at these talks, as I have been abroad for some time.	*je ne suis pas à même de dire*
I haven't any idea *ou* **I haven't the slightest notion** what we ought to do now.	*je n'ai pas la moindre idée de ce que*
I'm afraid **I am totally ignorant about** *ou* **I know nothing at all about** the internal combustion engine.	*j'ignore tout de*
It all depends on what you mean by ...	*tout dépend de ce que vous voulez dire par ...*
It depends on your point of view.	*c'est une question de point de vue*
It is difficult to say who is right about this.	*il est difficile de dire*
Your guess is as good as mine.	*vous en savez autant que moi*
It doesn't much matter to me, whether or not he decides to go.	*cela m'est égal ...*
I wouldn't like to give an opinion on that.	*je n'aimerais pas me prononcer là-dessus*

LES GOÛTS ET PRÉFÉRENCES

POUR S'ENQUÉRIR DE CE QU'ON AIME OU PRÉFÈRE

Would you like to visit the castle, while you are here?	*aimeriez-vous*
How do you feel about going to a cricket match when you're in England?	*avez-vous envie de*
What do you like doing best, when you are on holiday?	*que préférez-vous faire*
What's your favourite way to spend an evening?	*quelle est votre occupation favorite*
Which of the two do you prefer?	*lequel des deux préférez-vous?*
We could either go to Ottawa or stay in New York — **which would you rather do?**	*que préférez-vous*

POUR DIRE CE QU'ON AIME

I greatly enjoy going to the cinema, especially to see a good French film.	*j'aime beaucoup*
I'm very keen on gardening.	*j'aime énormément*
As for seaside towns, **I'm very fond of** Brighton.	*j'aime particulièrement*
What I like better than anything else is *ou* **There's nothing I like more than** a quiet evening by the fire with a book.	*ce que j'aime le mieux, c'est*
For me, there's nothing to compare with the Italian Renaissance painters.	*pour moi, rien ne vaut ...*
I must admit to a certain **affection for** *ou* **fondness for** *ou* **weakness for** Victorian houses.	*un penchant pour*
I have **a soft spot for** labradors.	*un faible pour*
I like people **to be** on time for their appointments.	*j'aime qu'on soit*

POUR DIRE CE QU'ON N'AIME PAS

I can't stand *ou* **I can't bear** books that other people have written on.	*je déteste*
I'm not too keen on seaside holidays.	*je n'aime pas trop*
I can't say writing essays **appeals to me very much.**	*je ne peux pas dire que j'aime*
It's not my kind of book *(ou* film *ou* place *etc).*	*ce n'est pas mon genre de*
I'm fed up with snooker on television.	*j'en ai assez de*
Cowboy films **aren't my favourite** form of entertainment.	*ne sont pas ce que je préfère*
I'm not too wild about *ou* **I can't get up any enthusiasm for** hill-walking.	*je ne suis pas emballé par*
Knitting **isn't really my thing,** I'm afraid.	*n'est pas qch que j'aime*
I've gone off the idea of cycling round Holland.	*je n'ai plus envie de*
There's nothing I like less *ou* **There's nothing I dislike more** than having to get up at dawn.	*il n'y a rien qui me déplaise plus que*
I don't much like the fact that he is always late on Monday mornings.	*je n'aime pas beaucoup le fait que*
I took a dislike to him the moment I saw him.	*il m'a déplu*
What I hate most is waiting in queues for buses.	*ce que je déteste le plus*
I find it intolerable that there should be no public transport here on Sundays.	*il est intolérable que*
I have a particular aversion to *ou* **I have a particular dislike of** people who think like that.	*je ne peux pas supporter*

POUR DIRE CE QU'ON PRÉFÈRE

I should prefer to *ou* **I would rather** wait until we have enough money to go by air.	*je préférerais*
I'd prefer not to *ou* **I'd rather not** go and see her until I have found the book she lent me.	*je préférerais ne pas*
I'd prefer you not to *ou* **I'd rather you didn't** invite him.	*je préférerais que vous ne ... pas*
We should prefer you to put any comments in writing, and send them to our Service Manager.	*nous préférerions que vous*
I like the blue curtains **better than** the red ones. // **I prefer** the blue curtains **to** the red ones.	*j'aime mieux les ... que les ...*

POUR EXPRIMER L'INDIFFÉRENCE

I have no particular preference.	*je n'ai aucune préference*
I don't mind at all — let's do whichever is easiest.	*ça m'est complètement égal*
I really don't care what you tell her.	*peu importe*
It's all the same to me whether he comes with us or not: I suggest you decide.	*ça n'a pas d'importance si*
I don't feel strongly about what sort of transport we choose — why don't you make that decision?	*je n'ai pas de préférence marquée*
It makes no odds, one way or the other.	*ça ne change rien*

L'INTENTION ET LA VOLONTÉ

POUR S'ENQUÉRIR DE CE QUE QUELQU'UN COMPTE FAIRE

Will you take the job? // **Do you intend to** *ou* **Do you mean to** take the job?	*avez-vous l'intention de*
What flight **do you mean** *ou* **do you intend to** take to New York?	*pensez-vous prendre*
What do you propose to do with the money you have inherited?	*que comptez-vous faire*
It would be useful to know **what your intentions are** *ou* **what you intend to do.**	*ce que vous comptez faire*
What had you in mind for the rest of the programme?	*qu'envisagiez-vous*
Did you mean to tell him how much you had paid for the house, or did the figure just slip out?	*aviez-vous l'intention de*

POUR EXPRIMER SES INTENTIONS

I am going *ou* **I intend** *ou* **I mean** *ou* **My intention is to** sell the car as soon as I can.	*j'ai l'intention de*
They **intended him to** go to university, but he did not pass his exams.	*ils voulaient qu'il aille*
I have made up my mind *ou* **I have decided** to go to university.	*j'ai décidé*
I am thinking of going to live in the country when I retire.	*je fais le projet de*
I am hoping to go and see her when I am in the States.	*j'espère*
They have every intention of returning next year.	*ils sont bien décidés à*
I went to London, **intending to** visit her *ou* **with the intention of** visiting her, but she was away on business.	*dans l'intention de*
What I have in mind is to start a small hardware business.	*mon intention est de*
I aim to reach Africa in three months.	*mon but est de*
He resolved *ou* **He made a resolution to** devote his life to the welfare of the underprivileged.	*il a résolu de*
Our aim *ou* **Our object** in buying the company is to provide work for the people of the village.	*notre intention*
My whole point in complaining **was to** get something done about the state of the roads.	*c'était afin de*
We plan to move *ou* **We are planning on** moving into the European market next year.	*nous comptons*
They bought the land **in order to** farm it *ou* **for the purpose of** farming it.	*dans le but de*
He studied history, **with a view to** becoming a politician when he left college.	*afin de*

POUR EXPRIMER CE QU'ON N'A PAS L'INTENTION DE FAIRE

I didn't mean *ou* **I didn't intend to** offend her, but she made me very angry.	*je ne voulais pas*
I intend not to pay *ou* **I don't intend to pay** unless he completes the work.	*j'ai l'intention de ne pas payer*
His parents **didn't intend him to** be a lion-tamer, but it was the only work he could find.	*n'avaient pas voulu en faire*
He had no intention of accepting the post even it it were offered to him.	*il n'avait nullement l'intention de*
We are not thinking of advertising this post at the moment.	*nous n'envisageons pas de*

POUR EXPRIMER CE QU'ON DÉSIRE FAIRE

I should like to see the Sistine Chapel.	*je voudrais*
Her father **wanted her to** be a teacher.	*voulait qu'elle soit*
Robert **wished** to work abroad but could not get a work permit.	*désirait*
I am very keen to see more students take up engineering.	*je voudrais bien voir*
I'm longing *ou* **I'm dying to** go to Australia, but I can't afford it yet.	*je meurs d'envie de*
I insist that you inform me as soon as you hear from them.	*j'insiste pour que*

POUR EXPRIMER CE QU'ON NE VEUT PAS FAIRE

I don't want *ou* **I have no wish** *ou* **I haven't any desire** to take the credit for something I did not do.	*je n'ai pas l'intention de*
I wouldn't want you to change your plans for my sake.	*je ne veux pas que*
I refuse to tell you where I put the documents.	*je refuse de*
I should prefer you not to speak to her about this.	*je préférerais que vous ne ... pas*

ET, SELON LE CONTEXTE:

what have you in view for / have you anyone in mind for / I am trying to discover your exact aims / did you do it intentionally? / I did it on purpose / it was by design / it was quite deliberate / it was not intentional / I went into this with my eyes open / he contrived to ... / we were figuring on / we were reckoning on / they do not envisage / her dearest wish was to ... / he had set his sights on / his ambition is / I did not bargain for

LA PERMISSION

POUR DEMANDER LA PERMISSION

May I *ou* **Might I** *ou* **Can I** *ou* **Could I** tell her about this?	*puis-je*
Would you let me *ou* **Would you allow me to** be present at the interview?	*me permettriez-vous*
Would it be possible for us to leave the car in your garage for a week?	*nous serait-il possible de*
Is there any chance of borrowing your boat while we are at the lake?	*y a-t-il un petit espoir de*
Do you mind if I come to the meeting next week?	*cela vous ennuierait-il si*
Would it be all right if I arrived on Monday instead of Tuesday?	*cela vous dérangerait-il si*
Would it bother you if I invited him? // **Would you have anything against my** inviting him?	*cela vous ennuierait-il si*
Would you have any objection *ou* **Would there be any objection to** my bringing a friend with me?	*est-ce que vous avez une objection à ce que*
Would you be kind enough to allow me *ou* **I should be grateful if you would allow me to** travel with your group as far as the border.	*je vous serais reconnaissant de bien vouloir me permettre de*
May I be permitted *ou* **May I be allowed to** leave early on these three days?	*me serait-il permis de*
Are we allowed *ou* **Are we permitted** *ou* **Is it allowed** *ou* **Is it permitted to** visit the Cathedral? // **Is** visiting the Cathedral **permitted?**	*est-ce qu'il nous est permis de*
Is it permissible to take photographs inside the gallery?	*est-il permis de*

POUR DONNER LA PERMISSION

You can *ou* **You may** have the car if you promise to drive carefully.	*tu peux*
Of course you must borrow our boat — we are always glad when friends use it. // **By all means,** borrow our boat ...	*je vous en prie*
I should be delighted if you gave my name as a reference for this job.	*je vous permets volontiers de*
It's all right by me *ou* **I'm quite happy** if you want to skip the Cathedral visit.	*je ne vois pas d'inconvénient*
Of course I don't mind if you prefer to stay in Italy for another week.	*bien sûr que cela m'est égal*
I have no objection at all to your quoting me in your article. // **I have nothing against** your quoting me.	*je n'ai pas d'objection à ce que*
You have my permission to be absent for that week.	*je vous permets de*
We should be happy to allow you to inspect the papers here.	*nous vous donnons volontiers l'autorisation de*
You are allowed to visit the Museum, as long as you apply in writing to the Curator first.	*vous avez le droit de*
We have been given permission *ou* **We have been authorised to** hold the meeting in the town hall.	*on nous a donné l'autorisation de*
The manager **is quite agreeable to** *or* **has agreed to** our using his premises.	*veut bien que*

POUR REFUSER LA PERMISSION

You can't *ou* **You mustn't** go anywhere near the research lab.	*vous ne devez pas*
I should prefer you not to *ou* **I wouldn't want you to** *ou* **I'd rather you didn't** give them my name.	*je préférerais que vous ne ... pas*
We regret that it is not possible for you to visit the castle at the moment, owing to the building works.	*il est malheureusement impossible de*
I cannot allow this *ou* **I cannot permit this** for the time being.	*je ne peux le permettre*
I couldn't possibly allow you to show the photographs to a publisher.	*je ne peux en aucun cas vous autoriser à*
I'm not allowed to visit such places alone.	*je n'ai pas le droit de*
I forbid you to approach him on my behalf. // **You must not** approach him.	*je vous interdis de*
You must not *ou* **You are forbidden to** enter the premises without authority from the owners.	*il vous est interdit de*
I've been forbidden to swim for the moment.	*on m'a interdit de*
My doctor **forbids me** any alcohol. // **I've been forbidden** alcohol by my doctor.	*m'interdit*
It is strictly forbidden to carry weapons in this country. // Carrying weapons **is strictly prohibited.**	*il est strictement interdit de*

ET, SELON LE CONTEXTE:

I wanted to ask you if I might / I wonder if I might / if it's all right by you, I ... / can I have the go-ahead to ... / with your permission, I should like to ... / if you agree / that's OK by me / permission is granted / I'm sorry, there's no chance of this / I'm sorry to have to say no, but ... / we are obliged to withhold permission / I am afraid we must reject this request / he has no objection to our ... / they won't object / I managed to get him to agree to ... / he wouldn't hear of it / he refused point-blank

L'OBLIGATION

POUR EXPRIMER CE QU'ON EST OBLIGÉ DE FAIRE

You must *or* **You have got to** *ou* **You have to** be back before midnight.	*vous devez*
You must not fail to pay the amount owing, or you will become liable to prosecution.	*il est indispensable que*
You will go directly to the headmaster's office, and wait for me there.	*(emploi du futur pour marquer l'obligation)*
They could not get into the country **without** a visa. // **They had to have a** visa **to** get into the country.	*il leur fallait ... pour*
She was obliged to give up her room in the hostel.	*elle a dû*
He was forced to *ou* **obliged to ask** his family for a loan. // He was **driven to** asking his family for a loan.	*il a été contraint de*
You need to *ou* **You must** *ou* **You have to** have an address in Rome before you can apply for the job.	*vous êtes obligé de*
Three passport photos **are required.**	*... sont requises*
It is essential *ou* **It is of the utmost importance to** know what the career options are like, before choosing a course of study.	*il est extrêmement important de*
Go and see Pompeii — **it's a must!**	*il faut l'avoir vu*
You really must *ou* **You really should** *ou* **You really ought to** be more careful with your things.	*tu devrais vraiment*
You certainly ought to visit the Colosseum.	*vous devriez en tout cas*
A clean driving licence **is indispensable** *ou* **necessary** *ou* **essential** *ou* **compulsory** for the job. // It is **a requirement of** the job.	*... est indispensable*
I must now offer my resignation: in the circumstances, **I cannot do otherwise** *ou* **I have no alternative.**	*je n'ai pas le choix*
You have to come with me — **there's no two ways about it,** since I don't speak the language at all.	*tu devras ... il n'y a pas d'autre possibilité*

(pour savoir si l'on est obligé de faire quelque chose)

Do I need to *ou* **Must I** *ou* **Do I have to** *ou* **Have I got to** have a work permit?	*dois-je*
Ought I to *ou* **Should I** take some reading matter?	*devrais-je*
Is it necessary to *ou* **Must one** *ou* **Does one need to** *ou* **Does one have to** *ou* **Has one got to** own a pair of skis?	*est-il nécessaire de*
Am I meant *ou* **Am I expected** *ou* **Am I supposed to** fill in this bit of the form too?	*est-ce que je suis censé*

POUR EXPRIMER CE QU'ON N'EST PAS OBLIGÉ DE FAIRE

You needn't *ou* **You don't have to** *ou* **You haven't got to** go there if you don't want to.	*vous n'êtes pas obligé de*
I haven't got to apply before September, but I'd like to do so before I leave on holiday.	*il n'est pas nécessaire que*
It is not necessary *ou* **There's no need** *ou* **It is not compulsory** *ou* **It is not obligatory to** have a letter of acceptance in advance, but it does help.	*il n'est pas obligatoire de*
You are not obliged *ou* **You are under no obligation to** invite him, but it would be a kindness to do so.	*vous n'êtes pas obligé de*
Surely I needn't *ou* **Surely I haven't got to** give him all the details immediately?	*je ne dois quand même pas*

POUR EXPRIMER CE QU'ON NE DOIT PAS FAIRE

You must not *ou* **You are not allowed to** sit the exam more than three times.	*vous n'avez pas le droit de*
You must not *ou* **On no account must you** show this document to any unauthorised person.	*vous ne devez pas*
It is forbidden *ou* **It is not allowed to** bring cameras into the gallery without prior permission from the owners.	*il est interdit de*
I forbid you to return there. // **You are forbidden to** return there.	*je vous défends de*
Smoking **is forbidden** *ou* **is prohibited** in the dining room. // Smoking is **not allowed** *ou* **is not permitted** in the dining room.	*il est interdit de*
You're not supposed to *ou* **You're not meant to** use this room unless you are a club member.	*en principe vous ne devez pas*
You cannot be out of the country for longer than three months **without** losing your right to this grant.	*vous devez rentrer ... sinon vous perdrez ...*

ET, SELON LE CONTEXTE:

he had to go, willy-nilly / it was obligatory / they had made it compulsory / it's vital that / it is necessary / it is quite indispensable / it is a prerequisite of / it is my duty to ... / I'm duty bound to ... / the onus is on you to ... / we could not but agree / he was compelled to ...

L'ACCORD

POUR EXPRIMER L'ACCORD AVEC CE QUI EST DIT

I fully agree with you *ou* **I totally agree with you** on this point. // **We are in complete agreement** on this.	*je suis entièrement d'accord avec vous*
You're quite right *ou* **You are quite correct** when you say the fault lies with the government policy here.	*vous avez raison de dire que*
I share your opinion that this was extremely badly arranged. // **I share** your concern about this matter. // **I share** your views about this.	*je partage*
I think **we see eye to eye** on the question of who should pay for these.	*nous sommes d'accord sur*
We are of the same mind, certainly, **when it comes to** allocating responsibility within the department.	*nous sommes d'accord quand il s'agit de*
We have been thinking along the same lines, that is quite clear.	*nos vues convergent*
We are broadly in agreement with you on the way to approach this problem.	*dans l'ensemble nous sommes d'accord sur*
There are several points of contact between us.	*nous sommes d'accord sur plusieurs points*
My own experience certainly **bears out** *ou* **confirms** what you say.	*confirme ce que vous dites*
Our conclusions **are entirely consistent with** your findings.	*correspondent tout à fait à*
My own independent statistics **corroborate** those of your researcher.	*corroborent ...*
We must endorse, with some hesitation, your conclusions on this matter.	*nous adhérons à vos conclusions*
Our opinion coincides with yours on all the important points.	*notre opinion coïncide avec la vôtre*
We applaud the group's decision to stand firm on this point.	*nous approuvons le groupe d'avoir décidé*
I take your point about the increased transport costs.	*je reconnais*
I am prepared to **concede that** a trip to Australia is justified.	*je vous accorde que*
It's true that you had the original idea, **but** many other people worked on it.	*il est vrai que ... mais*
I have no objection to this being done. // **I do not object to** your doing this.	*je n'ai pas d'objection à*

POUR EXPRIMER L'ACCORD AVEC CE QUI EST PROPOSÉ

This solution is most **acceptable to** us.	*est tout à fait acceptable*
We will readily fall in with these proposals.	*nous accepterons volontiers*
I like the sound of what you say about *ou* **I do like your idea of** limiting sightseeing to mornings only.	*j'approuve ce que vous dites à propos de*
This certainly **seems the right way to go about it.**	*... semble être la bonne façon de procéder*
As for the idea of your speaking to him about it, **I should certainly welcome this.**	*j'y serai certainement favorable*
The proposed scheme **meets with our approval.**	*nous approuvons*
This is a proposal **which deserves our wholehearted support.**	*qui mérite tout notre soutien*
I will certainly **give my backing to** such a scheme.	*j'apporterai mon soutien à*
We assent to *ou* **We give our assent to** your plan to develop this site commercially.	*nous donnons notre accord à*

POUR EXPRIMER L'ACCORD AVEC CE QUI EST DEMANDÉ

Of course **I shall be happy to** get the tickets.	*je serai heureux de*
I'll do as you suggest and send him the documents.	*je suivrai votre conseil*
There is no problem about getting tickets for him, and I shall do it at the end of the week.	*il n'y a pas de problème pour*
We should be delighted to cooperate with you in this enterprise.	*nous serions enchantés de*
We shall comply with your request at once.	*nous ferons ce que vous demandez*

ET, SELON LE CONTEXTE:

I think the same as you do / as you have quite rightly pointed out / I'll go along with that / it makes sense to do this / I am fully in accord with / I am prepared to give the go-ahead to / I am certainly in favour of / I can see no reason to oppose this / this is quite satisfactory / I am quite ready to ... / we shall sanction the use of / if you insist, I shall ... / there can be no doubt about / I cannot dispute the facts given in / there's no denying that / I hasten to agree with / this is just what I had hoped for / after thinking this over / I hoped you would say this / I would urge you to do so / I have taken this on board, and shall ... / I note your suggestion about / it is eminently sensible to ... / this is justified by / I have given it some thought / I agree in theory, but in practice ... / I can't help thinking that / I agree up to a point

LE DÉSACCORD

POUR EXPRIMER LE DÉSACCORD AVEC CE QUI EST DIT

I cannot agree with what you say about this. // **I absolutely disagree** *ou* **I totally disagree** with you on this.	*je ne suis absolument pas d'accord*
You are quite wrong when you suggest that it was his fault.	*vous vous trompez*
There must be some mistake — the ferry could not cost as much as that.	*il doit s'agir d'une erreur*
This cannot be the case. // I am obliged to point out that **this is not the case.**	*ce n'est pas le cas*
You are wrong *ou* **You are mistaken** in believing that my son was involved.	*vous avez tort*
This is your view of the events: **it is certainly not mine.**	*il n'en est pas de même pour moi*
Surely you cannot believe all this?	*j'espère que vous n'y croyez pas*
I can't share your point of view on this. // This is your opinion: I am afraid **I cannot share it.** // **I cannot share** your concern for this section of the group.	*je ne partage pas*
I cannot accept this interpretation of the events.	*je ne peux accepter*
I entirely reject all you say about this.	*je rejette absolument*
We explicitly reject the implication in your letter.	*nous rejetons catégoriquement*
We must agree to differ on this one.	*il faut se résigner à ne pas être d'accord*
I think it might be better if you **thought it over** again.	*il vaudrait mieux y réfléchir un peu plus*
I cannot support you on this matter.	*je ne peux pas vous apporter mon soutien*
I am afraid that **I'm not altogether with you** on this.	*je ne suis pas tout à fait d'accord avec vous*
I can't go along with all you say about them.	*je ne suis pas d'accord avec*
I have discussed this matter with my colleagues, and **we cannot accept your version of the events.**	*nous ne pouvons accepter votre version des événements*
The facts do not bear out this assertion.	*les faits sont en contradiction avec*
This report **diverges from the facts** as I know them.	*ne correspond pas aux faits*
I am afraid I think **the whole thing sounds rather unlikely.**	*c'est peu probable*
I take great exception to this statement.	*je suis indigné de*

POUR EXPRIMER LE DÉSACCORD AVEC CE QUI EST PROPOSÉ

I am not too keen on this idea. // **I don't think much of** this idea.	*je ne crois pas que ce soit une bonne idée*
I am afraid it seems to me to be **the wrong sort of approach to** such a problem.	*ce n'est pas la meilleure façon d'aborder ...*
This does not seem to be the right way of dealing with the problem.	*ce n'est probablement pas la meilleure façon de ...*
While we are grateful for the suggestion, **we are unfortunately unable to** implement this change.	*il nous est malheureusement impossible de*
It is not feasible to change the schedule at this late stage.	*il n'est plus possible de*
This is **not a viable** alternative.	*ce n'est pas faisable*
I'd dead against this idea.	*je m'y oppose catégoriquement*
I will not hear of such a thing.	*je ne veux pas en entendre parler*
I regret that I am not in a position to accept your kind offer, but it is much appreciated nonetheless.	*je ne suis pas malheureusement en mesure d'accepter*

POUR EXPRIMER LE DÉSACCORD AVEC CE QUI EST DEMANDÉ

I am afraid **I must refuse.** // **I can't do it,** I'm sorry to say.	*je crains de devoir refuser*
I won't agree *ou* **I can't agree** to do that.	*je refuse*
I cannot in all conscience do what you request.	*je ne peux pas en mon âme et conscience ...*
I hope you are not too upset, but **I just can't manage it.**	*je ne vais pas y arriver*
I cannot possibly comply with this request.	*je ne peux pas faire ce que vous demandez*
I wouldn't dream of doing a thing like that.	*je ne ferais jamais cela*
I refuse point blank to have anything to do with this affair.	*je refuse catégoriquement*
It would not be possible for me to do this.	*il ne me serait pas possible de*
This is quite **out of the question** for the time being.	*il n'en est pas question*
It is unfortunately impracticable for us to commit ourselves at this stage.	*il nous serait malheureusement difficile de ...*
In view of the proposed timescale, **I must reluctantly decline to** take part.	*je regrette de ne pouvoir*

L'APPROBATION

You are quite right to wait before making such an important decision.	*vous avez tout à fait raison de*
I entirely approve of the idea of meeting you all in Geneva.	*j'approuve entièrement*
I have a very high opinion of *ou* **I have a very high regard for** *ou* **I think very highly of** the school, and of its headmistress.	*je pense le plus grand bien de*
We are all very enthusiastic about *ou* **We are all very keen on** his proposals for a new sports centre here.	*nous accueillons avec enthousiasme*
It's just the sort of arrangement *(etc)* **I wanted.**	*c'est exactement ce que je voulais*
I certainly go along with that!	*entièrement d'accord!*
I am very much in favour of that sort of thing.	*je suis tout à fait en faveur de*
This project is **worthy of our admiration,** in that it attempts to alleviate poverty and hunger.	*... est admirable*
I greatly appreciated the comfort and cleanliness of the hotel.	*j'ai beaucoup apprécié*
I certainly admire his courage in attempting such a daunting task.	*en tout cas j'admire*
I applaud your honesty in admitting all that.	*j'applaudis*
I shall certainly give it my backing, as it seems the best hope the company has of surviving this very difficult period.	*j'apporterai mon soutien*
Thank you for sending the draft programme: **I like the look of it very much indeed.**	*il me plaît beaucoup*
I must congratulate you on the careful way you approached this problem.	*je vous félicite de*
There are considerable advantages in such a method, not only from the point of view of cost effectiveness, but also ...	*... présente des avantages considérables*
I can thoroughly recommend this plan of action, which has clearly been carefully thought out.	*je recommande vivement*
This plan **deserves our total support** *ou* **our wholehearted approval.**	*... mérite notre soutien*
We are pleased to recognize the merits of this scheme.	*nous sommes heureux de reconnaître les avantages de*
We view this proposal **favourably,** not least because it is based on a clear perception of the needs of the situation.	*nous portons un jugement favorable sur*
We endorse completely all that is proposed for this region.	*nous appuyons tout à fait*

ET, SELON LE CONTEXTE:

that's the way it should be / it's exactly what I had in mind / it's just the job / we should do all we can to see that this is a success / you have a real gift for ... / I couldn't have put it better myself / it is worth the effort / I fully agree with what is being done / he rightly suggests / what a splendid thing to do / an excellent idea

LA DÉSAPPROBATION

I strongly disapprove of *ou* **I heartily disapprove of** such behaviour.	*je désapprouve complètement*
I cannot support *ou* **I cannot approve of** any sort of testing of the drug on live animals.	*je suis opposé à*
We are opposed to *ou* **We condemn** all forms of professional malpractice.	*nous condamnons*
I write to complain of what is being done in the name of progress.	*j'écris pour protester contre*
I must object to this attempt to damage our hospital service.	*je dois m'élever contre*
I can't say I'm pleased about what has happened.	*je ne peux pas dire que je sois content de*
I don't think much of what this government has done so far.	*je n'aime pas beaucoup*
I take a dim view of *ou* **I take a poor view of** students who do not do enough work.	*je critique*
I have a poor opinion of *ou* **I have a low opinion of** people like him.	*je n'ai pas une bien haute opinion de*
I'm fed up with having to wait so long for a passport.	*j'en ai assez de*
I've had about enough of this sort of insinuation.	*je commence à en avoir assez de*
I can't bear *ou* **I can't stand** people who smoke between courses in a restaurant.	*je ne supporte pas*
I am very unhappy about your idea of going off to Turkey on your own.	*je suis contre*
He was quite wrong to tell her what I said about her.	*il a eu tort de*
They should not have refused to give her the money.	*ils n'auraient pas dû*
How dare he say that such people do not matter!	*comment ose-t-il ...*

ET, SELON LE CONTEXTE:

it is really necessary to ... / this does not seem to be the right way of going about it / it seems to be the wrong approach / I greatly dislike / I write to protest against / this is a dreadful nuisance / with considerable dissatisfaction / I reproach him with / I am sorry to learn that / it is a disgrace / it is a scandal

LA CERTITUDE, LA POSSIBILITÉ ET LA CAPACITÉ

POUR EXPRIMER LA CERTITUDE

I am sure *ou* **I am certain** *ou* **I am positive** *ou* **I am convinced that** he will keep his word to us.	*je suis convaincu que*
We now know for certain *ou* **We now know for sure that** the exam papers were seen by several students before the day of the exam.	*nous savons maintenant avec certitude que*
It is certain *ou* **It is indisputable** *ou* **It is undeniable that** the two men met last Friday in London.	*il est certain que*
There is no doubt *ou* **There can be no doubt** that the goods arrived in Liverpool on May 9th.	*il ne fait aucun doute*
It has been established beyond all possible doubt *ou* **It has been established once and for all** that he was working for a foreign power during the time he was in Cairo.	*c'est un fait établi*
From all the evidence it is clear that they were planning to gain control of the company.	*les faits montrent clairement que*
It is beyond all doubt *ou* **It is beyond dispute** *ou* **It is beyond question** that their country is rich enough to support such research.	*il est incontestable que*
The facts are these: we cannot sell the goods without their marketing resources.	*voilà les faits:*
No one can deny that the weather there is better for skiing.	*il est indéniable que*
We shall not fail to let you have the papers as soon as we have processed them.	*nous ne manquerons pas de*
It is inevitable that they will get to know of our meeting.	*il est inévitable que*
You have my absolute assurance that this is the case.	*je peux vous garantir que*
Make no mistake about it — I shall return when I have proof of your involvement.	*soyez certain que*
I can assure you that I have had nothing to do with any dishonest trading.	*je peux vous assurer que*
She was bound to discover that you and I had talked.	*il était inévitable qu'elle ...*
I made sure that *ou* **I made certain that** no one was listening to our conversation.	*j'ai veillé à ce que*

POUR EXPRIMER LA PROBABILITÉ

It is highly probable *ou* **quite likely that** they will come to the airport to meet you. // They will **very probably** come to meet you.	*il est très probable que*
He must know what we want of him.	*il doit savoir ce que*
The cheque **should** reach you in Saturday's post.	*devrait*
It wouldn't surprise me to learn that he was working for the Americans.	*cela ne m'étonnerait pas d'apprendre que*
There is a strong chance that *ou* **It seems highly likely that** they will agree to the deal.	*il y a de fortes chances que*
It could very well turn out to be the case that they had run out of funds.	*il se pourrait bien après tout que*
The probability is *ou* **The likelihood is that** we shall have to pay more for it if we buy it from them. // **In all probability** *ou* **In all likelihood** we shall have to pay more.	*il est très probable que*
It is reasonable to think that he will agree to join us.	*il est légitime de penser que*
It would appear *ou* **It would seem that** he knew James Joyce in Ireland.	*il semblerait que*
The chances are that *ou* **The odds are that** *ou* **There is a good chance that** you are right.	*il y de fortes chances que*
It stands to reason that he had seen the book before.	*il est logique de penser que*

POUR EXPRIMER LA POSSIBILITÉ

The situation **could** *ou* **might** change from day to day.	*pourrait*
Perhaps he has already arrived.	*peut-être est-il ...*
It would appear *ou* **It would seem that** the grey car had been in an accident.	*il semblerait que*
It is possible that *ou* **It is conceivable that** they had met before.	*il est possible que*
It may be that I shall come to the States in the autumn.	*il se peut que*
It may be the case that they got your name from your former department.	*il se peut que*
It is within the bounds of possibility that he will know the man you speak of.	*il est possible que*
There is reason to believe that the books were stolen from the library.	*il y a de bonnes raisons de penser que*
There are grounds for believing *ou* **There are grounds for the belief that** they knew what we were doing as early as 1970.	*on a de bonnes raisons de croire que*
I venture to suggest that he could be the man we need.	*je me permets de suggérer que*
There is the outside chance that the hotel isn't yet full.	*il est tout juste possible que*

POUR EXPRIMER LE DOUTE OU L'INCERTITUDE

I doubt if he knows where it came from. // **It is doubtful whether** he knows where it came from.	*je doute que*
There is still some doubt surrounding his exact whereabouts.	*le doute subsiste quant à*
It isn't certain *ou* **It isn't known for sure** where she is.	*on ne sait pas exactement*
It is not necessarily the case.	*ce n'est pas forcément*
I am not sure *ou* **I am not certain** *ou* **I am not convinced** *ou* **I cannot say definitely** that these goods will sell.	*je ne suis pas certain*
We are still in the dark about where the letter came from.	*nous ne savons pas encore*
I am wondering if I should offer to help them out?	*je me demande si je devrais*
There is no proof *ou* **There is no evidence that** what he says is correct.	*rien ne prouve que*
It is touch-and-go whether they can save the company.	*il n'est pas sûr que*
It's all still up in the air — we shan't know for certain until the end of next week.	*rien n'est encore décidé*
It is debatable whether there is any value in interviewing him so long after the event.	*il n'est pas sûr que*
It's anyone's guess who will be chosen.	*personne ne peut prévoir*
I have my doubts about the value of the experiment.	*j'ai des doutes en ce qui concerne*

POUR EXPRIMER L'IMPROBABILITÉ

It is highly improbable that there could be any saving in the original budget.	*il est tout à fait improbable que*
You probably have not yet seen the document I am referring to.	*vous n'avez probablement pas vu*
It is very doubtful now whether the expedition will reach the summit.	*il est très peu probable que*
In the unlikely event that she should get in touch with you, please let me know immediately.	*si jamais elle ...*
There is but a small chance that anyone survived such a horrendous accident.	*il y a très peu de chances que*
It is scarcely to be expected that the university will contribute towards the cost.	*on ne peut guère s'attendre à ce que*

POUR EXPRIMER L'IMPOSSIBILITÉ

Such a thing **cannot** happen.	*cela ne peut pas*
It cannot be the case that they want to return to the East.	*il est impossible que*
It is quite impossible that *ou* **It is out of the question that** *ou* **It is unthinkable that** such a thing should happen.	*il est vraiment impossible que*
They **couldn't possibly have** arrived already.	*il n'est pas possible que*
This rules out any possibility of their working with us again.	*ceci exclut la possibilité que*
There is not (even) the remotest chance that *ou* **There is absolutely no chance that** he will succeed.	*il est absolument impossible que*
There is no question of our giving them a contribution to this fund.	*il est hors de question que*
There can be no return to earlier standards.	*il n'est pas possible de ...*

POUR EXPRIMER CE QU'ON EST CAPABLE OU INCAPABLE DE FAIRE

I can drive a car. // **I am able to** drive a car. // **I know how to** drive a car.	*je sais conduire*
I can't drive a car, I'm afraid. **I don't know how to** drive a car.	*je ne sais pas conduire*
Applicants **must be able to** use a word processor.	*doivent être capables de*
Can you speak French? // **Do you speak** French?	*parlez-vous français?*
I can *ou* **I am able to** lend him the money.	*je suis en mesure de*
He is quite incapable of telling a lie. // **He is quite unable to** tell a lie. // **He cannot** tell a lie.	*il est incapable de*
He was quite **incapable of** passing that examination. // He was quite **unable to** pass it.	*il était incapable de*
It is quite impossible for me to be in Paris next week. // **I cannot** be in Paris next week.	*il m'est impossible de*
We are not in a position to give any sort of decision yet.	*nous ne sommes pas à même de*
He has been ill, and is still not **up to** *ou* **equal to** any heavy work.	*n'est pas en état de*
I'm quite hopeless at *ou* **I am no good at** decorating and practical things.	*je suis incapable de*
I'm afraid the task proved quite **beyond his powers** *ou* **beyond his capabilities** *ou* **beyond his abilities.** // It proved quite **beyond him.**	*a été trop difficile pour lui*
He simply could not cope with the stresses of family life.	*il ne pouvait faire face à*
He is qualified to teach physics.	*il a les diplômes requis pour*

PRÉPOSITIONS

He had to refuse promotion, **because of** *ou* **on account of** his wife's health.	*à cause de*
He behaved like that **out of** *ou* **through** *ou* **from** sheer embarrassment.	*par*
Owing to lack of time, we have been unable to complete the job.	*par suite de*
We have been forced to reduce our staff **as a result of** the economic crisis.	*par suite de*
I have succeeded in proving my innocence, **thanks to** your timely help.	*grâce à*
By virtue of his connection with the family, he was allowed to enter the building.	*en vertu de*
The government financed this **by means of** massive tax increases.	*au moyen de*
In exchange for *ou* **In return for** financial aid, we gave them a lot of publicity.	*en échange de*
Following this incident, all trade between the two countries was stopped.	*à la suite de*
We gave them the contract **on the strength of** these promises.	*sur la foi de*
In view of their poor production record, we have decided not to renew their contract.	*étant donné*
In the light of what has happened so far, we have decided not to renew their licence.	*étant donné*
The Government extended police powers **in the face of** the renewed outbursts of violence.	*devant*
He hid the wallet, **for fear of** their anger/being accused of having stolen it.	*de crainte de*
We cannot do this **for lack of** *ou* **for want of** funds.	*faute de*
With so many people there, it was difficult to find him.	*avec*

CONJONCTIONS

They won't come, **because** they can't afford it.	*parce que*
They won't come, **for the simple reason that** they can't afford it.	*tout simplement parce que*
As we have none in stock at the moment, we are forced to delay this shipment.	*comme*
Given that inflation is still rising, house prices are unlikely to remain stable.	*étant donné que*
Since for the moment these are out of stock, we cannot dispatch your order.	*puisque*
Seeing that *ou* **In view of the fact that** there is no money left, we cannot do what we planned.	*vu que*
This will have no immediate effect, **for** some delay is inevitable.	*car*
They can't afford it, **so** they won't come.	*donc*
We have to re-order the parts: **therefore** there will be a delay of several weeks.	*donc*
He refused, **on the grounds that** he had so little time at his disposal.	*sous prétexte que*
Now (that) beef is so expensive, more people are buying pork.	*maintenant que*

AUTRE VOCABULAIRE UTILE

I attribute this to lack of foresight on the part of the committee.	*attribue*
The change in his attitude was **caused by** *ou* **brought about by** their rejection of his proposals.	*a été causé par*
The situation **goes back to** *ou* **dates from** his decision not to contest the seat.	*remonte à*
This situation is **due to** an unfortunate miscalculation on our part.	*dû à*
He was retired early, **on** health **grounds** *ou* **for** health **reasons.**	*pour raisons de*
It was like this: she had been ill for several weeks and hadn't heard the news.	*voilà de quoi il s'agit:*
This alteration to the programme **gave rise to** *ou* **provoked** *ou* **produced** a lot of comment.	*a donné lieu à*
The reason that they withdrew was that the scheme cost too much.	*la raison pour laquelle*
It was her stupidity that **led to** *ou* **caused** the accident.	*a causé*
The thing is that her French isn't good enough.	*c'est que*

ET, SELON LE CONTEXTE:

it is obvious why / for a start / for one thing ... for another / to be precise, we ... / this brings me to / to give only one example / I would point out that / it is true to say that / it is based on / this had the effect of / this has something to do with / consequently / as a result / that's why

L'EXCUSE

I'm really very sorry — I can't come on Sunday after all, as I have to go and visit my sister.	*je suis vraiment désolé*
I'm sorry to disturb you. // **I'm sorry that** you have been troubled.	*je suis désolé de/que*
I can't tell you how sorry I am about this unfortunate incident.	*je suis vraiment navré*
Please forgive me for not asking your permission before approaching him.	*je vous prie de me pardonner*
Do forgive me — I should have checked with your office first.	*pardonnez-moi*
I must apologise for all the inconvenience you have been caused.	*je dois vous prier de m'excuser de*
I am sorry to have to tell you that your application arrived too late.	*je regrette de devoir vous dire*

(dans une langue plus soutenue)

I would ask you to excuse this misunderstanding on our part.	*je vous prie d'excuser*
I can only apologize once again, on behalf of the Committee, for the disturbances at your lecture.	*je ne peux que renouveler mes excuses*
I am writing to ask you to forgive our apparent rudeness in not replying to your original letter.	*je vous écris pour vous demander de nous excuser*
We send you our most sincere apologies for all the difficulties that have occurred in this matter.	*nous vous présentons toutes nos excuses pour*

(pour exprimer le regret)

I am very upset about the whole affair, which should never have happened.	*je suis très contrarié de*
I am really ashamed of what happened last week.	*j'ai vraiment honte de*
I wish I hadn't mentioned it at all, although at the time it didn't seem important.	*si seulement je n'avais pas ...*
I should never have said a thing like that.	*je n'aurais jamais dû*
To my great regret, we have been unable to dissuade him.	*à mon grand regret*
Unfortunately, it is not possible for me to do any more to help you in this matter.	*malheureusement, il m'est impossible de*
I am entirely to blame for all this — I should have phoned the travel agency myself.	*tout ceci est de ma faute*
It is my fault that this misunderstanding happened, and I have written to the head of department explaining the circumstances.	*c'est moi qui suis responsable du fait que*
I have absolutely no excuse for this error on my part.	*mon erreur est absolument inexcusable*
I am afraid I quite forgot about it until the office had closed.	*je crains d'avoir*
I admit I gave him the papers, and should not have done so.	*je reconnais avoir*
It was an accident — I can assure you **I didn't mean to** break the clock.	*c'était accidentel ... je n'ai pas fait exprès de ...*
I really didn't do it on purpose — I had not realised that the handle had already been damaged.	*je ne l'ai pas fait exprès*
It is exceedingly unfortunate that the tickets were mislaid.	*il est extrêmement regrettable que*
We regret to inform you that *ou* **We must regretfully inform you that** this title is now out of print.	*nous sommes au regret de vous informer que*
We very much regret that we cannot publish this work.	*nous regrettons infiniment de ne pas pouvoir*

(pour suggérer une explication)

I was simply trying to give you less work.	*j'essayais simplement de*
You may find this difficult to believe, but **I thought I was doing the right thing.**	*je croyais bien faire*
There has obviously been an error in our accounting procedure, possibly owing to our recent change in computing facilities.	*manifestement il y a eu une erreur*
I was anxious not to upset him any more, as he was clearly very worried by what happened.	*je voulais éviter de*
I was acting in good faith when I showed them the documents.	*j'étais de bonne foi quand*
We were obliged to accept their conditions.	*nous avons été obligés de*
We were under the impression that these figures had been passed by the Accounts Office.	*nous croyions que*
We had unfortunately no choice in the matter.	*nous n'avions malheureusement pas le choix*
I can assure you that **I had nothing to do with** the arrangements.	*je n'y étais pour rien*
We had no alternative but to terminate his contract at once.	*nous ne pouvions rien faire d'autre que de*

ET, SELON LE CONTEXTE:

I feel sure you will understand why / I can promise you it won't happen again / you can be sure that we shall be more careful in future / I assure you that this cannot now happen / I shall do all in my power to see that ... / we shall do all we can to improve ... / I undertake to do all that is necessary in this respect.

19th August 1993

The Personnel Director,
Messrs. J. M. Kenyon Ltd.,
Firebrick House,
Clifton,
MC45 6RB

Dear Sir or Madam,[1]

With reference to your advertisement in today's Guardian, I wish to apply for the post of systems analyst.

I enclose my curriculum vitae. Please do not hesitate to contact me if you require any further details.

Yours faithfully,

Rosalind A Williamson

CURRICULUM VITAE

Name:	Rosalind Anna WILLIAMSON
Address:	11 North Street, Barnton, BN7 2BT, England
Telephone:	Barnton (0294) 476230
Date of Birth:	6.5.1968
Marital Status:	Single
Nationality:	British
Qualifications:[2]	B.A. 2nd class Honours degree in Italian with French, University of Newby, England (June 1990) A-levels: Italian (A), French (B), English (D) (1986) O-Levels in 9 subjects. (1984)
Present Post:	Assistant Personnel Officer, Metal Company plc, Barnton (since January 1992)
Previous Employment	Nov. 1990 - Jan. 1991: Personnel trainee, Metal Company plc. Oct. 1986 - June 1990: Student, University of Newby

Skills, Interests and Experience: fluent Italian & French; adequate German; some Russian; car owner and driver (clean licence); riding & sailing.

The following have agreed to provide references:

Ms. Alice Bluegown, Personnel Manager, Metal Company plc, Barnton, NB4 3J
Dr. I.O. Sono, Department of Italian, University of Newby, Newby, SR13 2RR

[1] Quand on ne sait pas si la personne à qui on s'adresse est un homme ou une femme, il convient d'utiliser la présentation ci-dessus. Toutefois, si l'on connaît le nom de la personne, la présentation suivante est préférable:

Mr. Derek Balder,
OU
Mrs. Una Claridge,
Personnel Director,
Messrs. J.M. Kenyon Ltd. etc.

Pour commencer votre lettre, la formule à employer est la suivante: "Dear Sir ou "Dear Madam ...".

Toute lettre commençant ainsi doit se terminer par la formule "Yours faithfully" suivie de la signature. Pour plus de détails, voir pages 56 et 58.

[2] Si l'on pose sa candidature à un poste à l'étranger, l'emploi de formules telles que "French equivalent of A-levels (Baccalauréat Langues)" est conseillé.

EXPRESSIONS UTILES

In reply to your advertisement for a trainee manager in today's *Daily News,* I should be grateful if you would please send me further details of this post, together with an application form.

Me référant à votre annonce parue aujourd'hui dans le 'Daily News', je vous serais reconnaissant de bien vouloir m'envoyer des renseignements plus complets sur ce poste, ainsi qu'un dossier de candidature.

I wish to apply for the post of bilingual correspondent which you advertise in yesterday's *Travel Agency News.*

Par votre annonce insérée dans l'édition d'hier de 'Travel Agency News', j'ai appris que vous cherchez un correspondant bilingue et j'ai l'honneur de solliciter cet emploi.

I am anxious to find a job in Britain during my summer vacation from University, and wonder whether you are able to offer me work in any capacity?

Je souhaite vivement travailler en Angleterre pendant les vacances universitaires et vous serais très reconnaissant de me faire savoir s'il me serait possible d'obtenir un emploi dans votre compagnie.

I have three years' experience of office work, and have used a word-processor.

J'ai travaillé pendant trois ans comme employé de bureau et sais utiliser un système de traitement de textes.

Although I have not got any previous experience of this type of work, I have had other holiday jobs, and can supply references from my employers, if you would like them.

Bien que je n'aie pas d'expérience personnelle de ce type de travail, j'ai eu d'autres emplois intérimaires au cours des étés précédents et puis vous fournir, si vous le désirez, des attestations de mes anciens employeurs.

My present salary is ... per annum, and I have four weeks holiday per year with pay.

Mon salaire actuel est de ... par an et j'ai quatre semaines de congés payés.

I am particularly interested in this job, as I am very anxious to work in publishing.

Ce poste m'intéresse tout particulièrement, car je souhaite vivement travailler dans l'édition.

I wish to work in England in order to improve my English and to gain experience of hotel work.

Je suis désireux de travailler en Angleterre afin de perfectionner mes connaissances d'anglais et d'acquérir une certaine expérience de l'hôtellerie.

As well as speaking fluent English, I have a working knowledge of German and a reading knowlege of Swedish.

Je parle couramment l'anglais, j'ai de bonnes connaissances d'allemand, et je lis le suédois.

I shall be available from the end of April.

Je serai disponible à partir de la fin du mois d'avril.

I enclose a stamped addressed envelope for your reply.

Je vous prie de trouver ci-joint pour votre réponse une enveloppe timbrée à mes nom et adresse.

Thank you for your letter of 19th June. I shall be pleased to attend for interview at your offices in Park Lane on Thursday, 24th June, at 10.30 a.m.

Je vous remercie de votre lettre du 19 juin et serai très heureux de me rendre à vos bureaux, Park Lane, pour une entrevue jeudi le 24 juin à 10.30 heures.

I have to give names of two referees with my application for this job, and I am writing to ask if you would be kind enough to allow me to put your name forward.

Dans mon dossier de candidature pour le poste, je dois donner les noms de deux personnes voulant bien me recommander, et je vous serais très reconnaissant de me permettre de donner le vôtre comme référence.

I have applied for the job of waitress for the summer in the Hotel Beaufort, in Furness, and they have asked me to supply a reference. I wonder if you would be kind enough to give me one? I should be most grateful if you would agree to do this.

J'ai sollicité pour cet été un emploi de serveuse à l'hôtel Beaufort, à Furness et le directeur me demande une attestation. Je vous serais très reconnaissante si vous pouviez avoir l'amabilité de m'en fournir une.

Mr. John Addams has applied for the post of hotel receptionist with us, and has given your name as a reference. I should be grateful if you would kindly let me know whether in your opinion he is suitable for this post.

Monsieur John Addams sollicite une place de réceptionniste dans notre hôtel, et il a donné votre nom comme référence. Nous vous serions reconnaissants de bien vouloir nous dire si vous avez été satisfait de ses services.

Your answer will be treated in confidence.

Votre réponse sera considérée comme strictement confidentielle.

Would you be kind enough to mention in your reply how long you have known Miss Jones, in what capacity, and whether you can recommend her for this type of employment.

Auriez-vous l'obligeance de nous dire depuis combien de temps et à quel titre vous connaissez Mademoiselle Jones, et si vous la recommandez pour un emploi de ce type?

It is with pleasure that I write to recommend Mrs. Amy Whitehead for the post of housing officer: I have known her for over ten years, during which time I have found her cheerful, friendly and helpful at all times.

C'est avec grand plaisir que je vous recommande Madame Amy Whitehead pour le poste de responsable du logement. Je connais Madame Whitehead depuis plus de dix ans. Elle est d'un caractère agréable, pleine de bonne volonté et digne de confiance.

Mr. Partridge has worked for me for the past eleven years, and during that time I have been impressed by his careful approach to his work, his punctuality and his sense of responsibility: he is a thoroughly reliable worker.

Monsieur Partridge travaille pour nous depuis onze ans. Il est méthodique, ponctuel et extrêmement consciencieux dans son travail. Nous n'avons aucune hésitation à recommander quelqu'un d'aussi sérieux.

14th March 1993

Dear Betty,

It seems such a long time since we last met and caught up with each other's news. However, I'm writing to say that Peter and I plan to take our holiday this summer in the Lake District, and we'll be driving past Preston on the M.6 some time during the morning of Friday, July 23rd. Will you be at home then? Perhaps we could call in? It would be lovely to see you and Alan again and to get news of Janie and Mark. Do let me know whether Friday, 23rd is convenient. We would expect to arrive at your place around 11 a.m. or so, and hope very much to see you then.

With love from

Susan.

Railway Arcade
HARLEY

Dear Mr. Hedgehopper,

Some years ago I bought a SHARPCUTTER penknife from you, and, as you know, it has been invaluable to me. Unfortunately, however, I have now lost it, and wonder if you still stock this range? If so, I should be grateful if you would let me have details of the various types of knife you make, and of their prices.

Yours sincerely,

Thomas Armitage

Thomas Armitage

Le schéma ci-dessous donne des exemples de formules couramment employées en début et fin de lettres. Les permutations sont possible à l'intérieur de chaque section:

À QUELQU'UN QU'ON CONNAÎT PERSONNELLEMENT

LES FAIRE-PART, INVITATIONS ET RÉPONSES

COMMENT ANNONCER UNE NAISSANCE

Mr. and Mrs. Peter Thomson are happy to announce the birth of their daughter, Stephanie Jane, in Cambridge, on 31 July 1993.

Faire-part: convient en toutes circonstances: 'ont la joie d'annoncer'

I am very glad to say that Helen and Martyn had a son, Alexander Edward John, on 22 July, and that mother and child are both well.

Lettre à un ami ou à une connaissance: 'J'ai le plaisir de vous annoncer que'

... ET COMMENT RÉPONDRE

With warmest congratulations to you both on the birth of your son, and best wishes to Alexander for good health and happiness throughout his life.

Carte accompagnant un cadeau: 'Toutes nos félicitations et nos vœux les meilleurs'

We were delighted to learn of the birth of Stephanie, and send our most sincere congratulations to you both, and our very best wishes to the baby for health, happiness and prosperity throughout her life.

Lettre à des amis ou à des connaissances: 'Nous vous félicitons pour'

COMMENT ANNONCER DES FIANÇAILLES

Mr. and Mrs. Robert Jamieson are pleased to announce the engagement of their daughter Fiona to Mr. Joseph Bloggs.

Faire-part: convient en toutes circonstances: 'sont heureux d'annoncer'

Polly and Richard have got engaged — you can imagine how delighted we all are about this.

Lettre à un ami ou à une connaissance: 'ont annoncé leurs fiançailles ... vous imaginez comme nous en sommes heureux'

... ET COMMENT RÉPONDRE

Fiona and Joseph: with our warmest congratulations on your engagement, and our best wishes for a long and happy life together.

Carte accompagnant un cadeau: 'Toutes nos félicitations et nos vœux de bonheur'

I was very glad to learn of your engagement to Richard, and send you both my congratulations and very best wishes for your future happiness.

Lettre à un ami ou à une connaissance: 'J'ai été ravi d'apprendre vos fiançailles'

COMMENT ANNONCER UN MARIAGE

Mr. and Mrs. William Morris are happy to announce the marriage of their daughter Sarah to Mr. Jack Bond, in St. Francis Church, Newtown, on 27 October 1993.

Faire-part: pourrait convenir en toutes circonstances: 'ont l'honneur de vous faire part du mariage de'

Stephen and Amanda were married here, in the registry office, last Saturday.

Lettre à un ami ou à une connaissance: 'se sont mariés samedi dernier'

... ET COMMENT RÉPONDRE

With congratulations on your marriage and all good wishes to you both for your future happiness.

Carte accompagnant un cadeau: 'Toutes nos félicitations et nos vœux de bonheur'

We were delighted to learn of your daughter's marriage to Jack Bond, and send you our best wishes on this happy occasion.

Dans la langue soignée, à une connaissance: 'C'est avec joie que nous avons appris'

I was so glad to hear that you and Robin were getting married, and send you both my most sincere congratulations and best wishes for your future happiness.

Lettre à des amis: 'C'est avec une grande joie que j'ai appris'

COMMENT ANNONCER UN DEUIL

Mrs. Mary Smith announces with deep sorrow the death of her husband, John R. Smith, at Sheffield, on 8th March 1993, after a long illness. The funeral took place privately.

Faire-part: 'ont la douleur de vous faire part de': en cas de mention 'No letters please', il convient de ne pas écrire

It is with the deepest sorrow that I have to tell you that Joe's father passed away three weeks ago.

Lettre à une connaissance: 'C'est avec beaucoup de peine que'

I lost my dear wife a little over a month ago.

Lettre à un ami: 'J'ai eu le malheur de perdre ma femme ...'

... ET COMMENT RÉPONDRE

My husband and I were greatly saddened to learn of the passing of Dr. Smith, and send you and your family our most sincere condolences in your very sad loss.

Lettre à une connaissance: 'Nous prenons part à votre peine'

I was terribly upset to hear of Jim's death, and I am writing to send you all my warmest love and deepest sympathy in your tragic loss.

Lettre à un ami: 'J'ai été bouleversé d'apprendre la disparition de ... et tiens à vous exprimer ma profonde sympathie'

LES INVITATIONS OFFICIELLES

Mr. and Mrs. Mark Green request the pleasure of the company of Mr. James Brown at the marriage of their daughter Annabel to Mr. Paul Piper, in St. Peter's Church, Newtown, on Saturday, 20th November 1993 at 3 p.m., and afterwards at the Grand Hotel, Newtown.	*'vous prient d'assister au mariage de ...'*
The Chairman and Governors of Trentbury College request the pleasure of the company of Miss Charlotte Young at a dinner to mark the fiftieth anniversary of the founding of the college.	*'prient Mlle Charlotte Young de venir au dîner'*
Peter and Susan Atkins request the pleasure of your company at a reception *(or* dinner *etc)* to celebrate their Silver Wedding, on Saturday, 10 July 1993, at 8 p.m. at the Bows Hotel.	*'ont le plaisir de vous inviter à une réception ...'*

... ET COMMENT RÉPONDRE

Mr. James Brown thanks Mr. and Mrs. Green for their kind invitation to the marriage of their daughter Annabel on 20th November, and accepts with pleasure/but regrets that he is unable to accept.	*'remercie ... accepte avec plaisir/ regrette de ne pouvoir accepter'*
Miss Charlotte Young wishes to thank the Chairman and Governors of Trentbury College for their kind invitation to dinner and has much pleasure in accepting/but regrets that she is unable to accept.	*'remercie ... accepte avec plaisir/ regrette de ne pouvoir accepter'*

LES INVITATIONS PLUS LIBRES

We are celebrating Rosemary's engagement to David by holding a dinner and dance at the Central Hotel on Friday, 21st May, and very much hope that you will be able to join us then.	*'espérons que vous viendrez à une réception pour fêter les fiançailles de ...'*
We are giving a small dinner party on Saturday next for Lorna and Ian, who are home from Canada for a few weeks, and hope you will be able to come.	*'nous organisons un dîner en l'honneur de ... et espérons que vous pourrez venir'*
We should be very pleased if you and Letitia could dine with us on the Sunday evening, if you have arrived in town by then.	*'nous serions très heureux si vous pouviez venir dîner ...*
Our Managing Director, James Glasgow, will be in Edinburgh on Friday 19 November, and we are holding a small dinner party for him on that day at 8 p.m. here. We hope that you and Margery will be able to join us then.	*'nous organisons un dîner en son honneur ... et nous espérons que vous vous joindrez à nous'*
Would you be free for lunch one day next week? Any day but Thursday would suit me.	*'pourrions-nous déjeuner ensemble'*
We are planning a trip to Norway, probably in June for two weeks, and wonder if you would like to join us.	*'nous nous demandons si vous auriez envie de vous joindre à nous'*
Would you be interested in coming with us to the Lake District?	*'est-ce que cela te dirait de venir avec nous'*
It would give us great pleasure to welcome you and your family to our home.	*'nous serions très heureux de vous accueillir'*
Why don't you come over for a weekend and let us show you Sussex?	*'pourquoi ne pas venir passer un week-end ...'*

... ET COMMENT RÉPONDRE

It was so kind of you to invite me to meet James Glasgow and I shall be happy to come to dinner that evening/but I am afraid that I cannot accept your invitation to dinner.	*'je vous remercie de ... je suis heureux d'accepter/regrette de ne pouvoir accepter'*
Thank you for inviting me — I accept with the greatest of pleasure.	*'merci ... j'accepte avec grand plaisir'*
Thank you for your kind invitation to dinner — I shall be very pleased to come.	*'merci ... je suis très heureux d'accepter'*
It is very kind of you to invite me, and I shall be very happy to join you.	*'c'est très aimable à vous de m'inviter — je serais heureux d'accepter'*
How kind of you to ask me to go with you — I shall look forward to that very much.	*'comme c'est gentil à vous de m'inviter à ... je m'en réjouis d'avance'*
Thank you so much for your kind invitation to dinner on Saturday — unfortunately George and I will be out of town that weekend, and so I am afraid we have to refuse.	*'merci ... nous ne serons pas là ... nous ne pouvons pas accepter'*
I am terribly sorry, but I shan't be able to come on Saturday.	*'je regrette beaucoup, mais je ne pourrai pas venir'*
I'm afraid I couldn't possibly accept.	*'je suis dans l'impossibilité d'accepter'*

ET, SELON LE CONTEXTE:

it's just what I've always wanted to do / I've been longing to do something like that for ages / it will be such fun / I cannot make any definite plans until ... / I'd rather not commit myself yet / it's unfortunately out of the question for the moment / I doubt if we could / it's somewhat difficult to explain, but / because of pressure of work / I am afraid I have already promised to ... / I wish I could, but ... / unfortunately ... / much to our regret, we cannot ...

LES GRANDES LIGNES DE L'ARGUMENT

Pour introduire un sujet

It is often said *ou* **It is often asserted** *ou* **It is often claimed that the** youth of today doesn't care for anything but pleasure.	*on dit souvent que*
It would be universally acknowledged that unemployment is the greatest scourge of our days.	*il est généralement reconnu que*
It is a truism *ou* **It is a commonplace that** nothing of value is achieved without dedication.	*il est banal de dire que*
It is undeniably true that war springs from greed.	*on ne peut nier le fait que*
It is a well-known fact that children up to the age of three have no concept of extension in time.	*tout le monde sait que*
For the great majority of people, literature is a subject that is studied in school but which has no relevance to life as they know it.	*pour la plupart des gens*
It is sometimes forgotten that investment is essential for economic growth.	*on oublie parfois que*
It would be naïve to suppose that all politicians act in the public interest all of the time.	*il serait naïf de croire que*
It would hardly be an exaggeration to say that carelessness is the reason for all road accidents.	*on exagérerait à peine en disant que*
There are several aspects to the problem of understanding Shakespearean comedy.	*le problème de ... comporte différents aspects*
A problem that is often debated nowadays is that of world famine and how to deal with it.	*un problème dont il est souvent question aujourd'hui est celui de*
The question of whether Hamlet was really mad has occupied critics for generations.	*la question de savoir si ...*
The concept of existentialism **is not an easy one to grasp.**	*le concept de ... est difficile à saisir*
The idea of getting rich without too much effort **has universal appeal.**	*l'idée de ... plaît toujours*
We live in a world in which capitalism seems triumphant.	*nous vivons dans un monde où ...*
One of the most striking features of this problem (*ou* **issue** *ou* **topic** *ou* **question)** is the way it arouses strong emotions. // **One of the most striking aspects of ...**	*l'un des aspects le plus frappants de ce problème est ...*
A number of key issues arise from this statement.	*... soulève quelques questions fondamentales*
History provides numerous instances of misguided national heroes who eventually did more harm than good.	*l'histoire nous fournit de nombreux exemples de*
It is hard to open a newspaper nowadays without being faced (*ou* **confronted) with** some new example of mindless violence.	*il n'est guère possible d'ouvrir le journal sans y découvrir ...*
What this question boils down to is: was Eliot at heart more of a philosopher than a poet?	*la question se résume à ceci: ...*
What can we make of a somewhat sweeping assertion like this? It would be dangerous to reject it in its entirety without ...	*que faire d'une telle généralisation?*
First of all, let us try to understand what the writer really means.	*tout d'abord, essayons de comprendre ...*
It is easy enough to make broad generalizations about the evils of alcohol, **but in reality the issue is an extremely complex one.**	*il est facile de généraliser ... mais en réalité, il s'agit là d'un problème très complexe*
This statement **merits closer examination.** We might ask ourselves why ...	*mérite d'être examiné de plus près*
The public in general tends to believe that all education is a good thing, without regard to the quality of that education.	*le public a tendance à croire que*
What we are mainly concerned with here is the conflict between what the hero says and what he does.	*ce qui nous préoccupe ici, c'est ...*
It is often the case that truth is stranger than fiction, and never more so than in this instance.	*il est souvent vrai que*
By way of introduction, let us give a brief review of the background to this question.	*en guise d'introduction*
We commonly think of people **as** isolated individuals, but in fact few of us ever spend more than an hour or two of our waking hours alone.	*généralement nous pensons à ... comme à ...*
It is surprising that faith survives at all, far less that it should flourish, **in an industrialized society like ours.**	*... dans une société industrielle comme la nôtre*

Pour commencer un développement, présenter une thèse

The first thing that needs to be said is that the author is presenting a one-sided, even bigoted, view.	*il convient tout d'abord de signaler que*
What should be established at the very outset is that we are dealing here with a practical rather than a philosophical issue.	*la première constatation qui s'impose est que*
First of all, let us consider the advantages of urban life.	*considérons tout d'abord*
Let us begin with *ou* **I propose to consider first** the social aspects of this question.	*commençons par examiner*
Let us see if there is any real substance in this claim (*ou* **assertion** *ou* **statement).**	*voyons d'abord si cette affirmation est justifiée*
Was Othello a naïve man or not? **This is a question at which we must take a careful** (*ou* **close) look,** before we ...	*une question qui doit retenir notre attention*
An argument in support of this approach is that it does in fact produce practical results.	*un argument en faveur de cette méthode, c'est qu'elle ...*
We are often faced in daily life with the choice between our sense of duty and our own personal inclinations.	*dans la vie courante, nous devons souvent choisir entre ...*
Even the most superficial look at this issue raises fundamental questions about the nature and purpose of human existence.	*un coup d'œil rapide suffit à découvrir des questions d'une importance fondamentale concernant*
We must distinguish carefully between the two possible interpretations of this statement.	*il faut établir une distinction précise entre*
This brings us to the question of whether the language used is appropriate to the task the author sets himself.	*ceci nous amène à nous demander si ...*
It is interesting to consider how far this is true of other nations.	*il est intéressant de voir si ...*
One might mention, **in support of the above thesis,** the striking speech of Frederick in Act III.	*... pour appuyer cette hypothèse ...*
The second reason for advocating this course of action is that it benefits the community at large.	*la deuxième raison pour*
Another telling argument in support of this viewpoint **is that** it makes sense economically.	*un autre argument de poids ... est que*
An important aspect of Milton's imagery **is** the play of light and shade.	*un aspect important de ... est ...*
It would be reasonable to assume that the writer is sincere in his praise of such behaviour.	*il est raisonnable de penser que*
The fundamental reason for believing this assumption to be true is that subsequent events seem to prove it.	*la raison principale pour laquelle on peut y croire est que*
We need not concern ourselves here with the author's intentions in disclosing these facts so early in the book.	*ce qui nous intéresse ici, ce n'est pas ...*
It is now time to discuss the character of Sir James, and how this develops during the course of the first act.	*il faut en venir maintenant au caractère de ...*
When we speak of culture, **we have in mind** the development of the human spirit and its expression in various ways.	*quand nous parlons de ... nous pensons à ...*
I will confine myself to a brief outline of the problem, looking more particularly at how it affects the poorer countries of Africa.	*je me contenterai d'esquisser ...*
I am not here concerned with the undoubted difficulties and pitfalls inherent in the introduction of a new form of examination in secondary education.	*mon propos ici n'est pas d'examiner ...*
It is worth stating at this point that the position is exactly the same in most other countries.	*il faudrait remarquer à ce stade que*
Finally, there is the related problem of how to explain the concept of original sin.	*enfin, il y a un problème annexe*

Pour présenter un point de vue différent, une antithèse

On the other hand, it is observable that people do not normally behave like this in practice.	*d'un autre côté, on remarque que*
It may be asserted, however, that this is a superficial point of view.	*on peut cependant affirmer que*
The other side of the coin is, however, that free enterprise may create economic chaos in certain circumstances.	*mais il y a le revers de la médaille: ...*
Another way of looking at this question is to consider its social implications.	*on peut aussi aborder le problème sous un angle différent en considérant ...*
The snag about this argument is that it undermines the principles of free speech.	*l'inconvénient de cet argument est que*
The author says it is style that matters. **The very opposite may be true.**	*il se peut que le contraire soit vrai*
The claim she makes **has much to recommend it, but** it goes too far.	*... est tout à fait valable, mais ...*
It is difficult to share the writer's belief (*ou* **view** *ou* **opinion) that** with a little goodwill everything comes right in the end.	*il est difficile de suivre l'auteur quand il dit que*
To say that Parker's death was fortuitous **is,** however, **a totally unjustified assumption.**	*... est une supposition totalement injustifiée*
In actual fact it would be more accurate to say that the fault lies in the monetary system itself.	*en fait, il serait plus juste de dire que*
All this may well be true enough, but we should not forget the victim herself.	*tout ceci a beau être vrai, mais ...*
If you consider the author's real intentions, **this argument is an extremely weak one.**	*cet argument manque de solidité*
Hackneyed arguments of this kind are scarcely convincing even in the popular press, far less in a work which claims to have been seriously researched.	*des arguments rebattus comme celui-ci*
Paradoxical though it may seem, we must look for good in evil itself, for without that evil, how may good be identified?	*aussi paradoxal que cela puisse paraître*
It will be objected that punctuality, or at least a semblance of it, is necessary for civilized life.	*on objectera que*
The difficulty about supporting this statement **is that** the facts appear to contradict it.	*il est difficile de ... parce que ...*

Pour présenter une solution, une synthèse

The fact of the matter is surely that *ou* **The truth of the matter is surely that** television presentation does influence voting patterns.	*la vérité est que*
We have now established certain principles, but **when all is said and done it must be acknowledged that** a purely theoretical approach to social issues is sterile.	*en fin de compte, il faut reconnaître que*
How can we reconcile these two apparently contradictory viewpoints?	*comment réconcilier ...*
Of all these attempts to explain the playwright's intentions, **the last seems to offer the most convincing explanation.**	*la dernière explication semble être la plus convaincante*
There is much to be said on both sides of this question. On balance (*ou* **On reflection), however,** the arguments for the local rather than the national approach **have most to recommend them.**	*après avoir soigneusement pesé le pour et le contre, on peut conclure en faveur de ...*
If one weighs the pros and cons (of the case), the argument for freedom of speech in these circumstances is hard to sustain.	*si l'on pèse le pour et le contre*
One might be tempted to think that better technology is the solution, **but in actual fact** human attitudes are the vital element.	*... en réalité ...*
It is easy to believe that this could never happen in a civilized society, **but the truth is that** it happens everywhere, and it happens more and more often.	*... mais la vérité est que*
From all this it follows that these claims are false.	*il s'ensuit de tout cela que*
The key to this whole problem must surely be the development of heavy industries in that part of the country.	*la solution de ce problème réside sûrement dans ...*
The social and economic **consequences of the facts we have mentioned above** are too important to ignore.	*les conséquences ... de ce que nous venons de mentionner*
These two points of view, **while distinct, are not mutually exclusive.**	*... bien que distincts, ne s'excluent pas l'un l'autre*
In the final analysis, the themes of the novel are confused.	*en dernière analyse*
To recap *ou* **To sum up,** the cost of raw materials is falling faster than was ever expected in the early 1990s.	*récapitulons: ...*

Pour conclure

What conclusions can be drawn from all this?	*quelles conclusions pouvons-nous tirer de*
The most sensible (*ou* **satisfactory** *ou* **convincing) conclusion we can come to** is that the author has not succeeded in putting his message across.	*la conclusion la plus satisfaisante est que*
All this goes to show that it is unwise to make generalisations about human beings.	*tout ceci prouve bien que*
Surely the lesson to be learned from what has happened in Europe is that minorities should be respected.	*le leçon qu'il convient de tirer de ... est que*
The inescapable conclusion which emerges from what I have said is that health is too important to leave to the doctors.	*la conclusion inéluctable de ce que je viens de dire est que*
The problem we have considered **clearly does not admit of an easy solution, but** it is to be hoped that governments will take steps to ameliorate its worst effects.	*il est manifestement difficile de trouver une solution à ce problème, mais ...*
This brief account of the origin of the play is necessarily limited in scope.	*ce rapide récit de*
The relations between the hero and heroine appear complex, but **to put the whole matter in a nutshell,** they are both more interested in power than in love.	*... pour les résumer en un mot ...*
Ultimately, then, these two approaches are impossible to reconcile.	*en définitive*
All in all, we must acknowledge that the main interest of the book lies in its treatment of jealousy.	*au fond*
The play no doubt has an important message: nevertheless, **at the end of the day, it must be acknowledged that** it is a very bad play.	*en fin de compte il faut reconnaître que*
The best way of summing up the arguments I have put forward for equality of opportunity is that human rights have precedence over social inhibitions.	*la meilleure façon de résumer*
It would appear, then, that in a sane society nobody would be a social outcast.	*il semblerait donc que*
I have demonstrated that Cox's claims are based on a false assumption.	*j'ai démontré que*
To sum up, I believe that urgent action is needed.	*en résumé*

POUR RÉDIGER UN PARAGRAPHE

Pour ajouter, comparer, relier etc

This brings us to the question of whether we can believe in a benevolent deity.	*ceci nous amène à la question suivante: pouvons-nous ...*
On the one hand, wealth corrupts: **on the other,** it can achieve great things.	*d'une part ... d'autre part ...*
As for the theory of value, it counts for nothing in this connection.	*quant à*
Compared with the heroine, Alison is an insipid character.	*comparée à*
In the first (*ou* **second** *ou* **third** *etc*) **place,** let us consider the style of the novel.	*en premier* (etc) *lieu*
First of all, I will outline the benefits of the system: **next,** I propose to examine its disadvantages: **finally,** we will consider the views of the recipients.	*tout d'abord ... puis ... enfin*
The arguments in favour of this theory **fall into two groups: first,** those which rely on statistics, and **secondly,** those based on principle.	*... se divisent en deux catégories: premièrement ... deuxièmement ...*
Incidentally, we must not forget the contribution of Horatio to this scene.	*notons au passage*
As far as his character **is concerned,** we can only admire his persistence.	*en ce qui concerne*
Over and above all these considerations, there is the question of whether the country can afford such luxuries.	*enfin, ...*
Added to that, there is his remarkable sense of detail.	*ajoutons à cela*
Similarly, a good historian will never be obsessed with dates.	*de même*
There is a fundamental difference between people who act from the heart and those who act from the head.	*il y a une différence fondamentale entre*
There are important differences between these two approaches — differences which we ignore at our peril.	*il y a des différences considérables entre*
In the field of education it is clear that we have not learned by our mistakes.	*dans le domaine de l'éducation*
From the earliest days of nuclear development, it was plain that the potential danger of the process was perhaps the most important single aspect.	*dès le début de*
Once, **many decades ago,** a foreign observer commented that English people were incapable of discussing principles.	*il y a de nombreuses années*
The alternative is to accept the world as it is, and concentrate one's efforts on one's own spiritual development.	*l'autre solution est de*
A further complication is that the characters on stage at this point include the music master himself.	*une complication supplémentaire est que*
He considers the effect of this on the lives of the people, **as well as** on the economy of the country.	*ainsi que*
Also, there is the question of how this may be validated.	*de plus, il y a*
The book has considerable depth: **equally,** it has style.	*de même*
As regards *ou* **As for** the habits of foreigners, **one may observe that** they are very like our own.	*en ce qui concerne ... on peut remarquer que*
In order to clear the ground, I will give a brief account of Mason's theory.	*pour déblayer le terrain*
The problem is how to explain why people behave as they do.	*le problème est de savoir pourquoi*

Pour exprimer un point de vue personnel

My own view of this is that the writer is quite wrong in this assertion.	*je trouve que*
That is the popular viewpoint, **but speaking personally** I cannot see its logic.	*mais en ce qui me concerne, ...*
Jennings is, **it seems to me,** over-optimistic in his claim that no one is ever hurt by such wheeling and dealing.	*à ce qu'il me semble*
My personal opinion of this argument is that it lacks depth.	*personnellement, je trouve que*
The author argues for patriotism, but **I feel strongly that** this is a delusion.	*je suis convaincu que*
In my opinion, nearly everybody overestimates the size of the problem.	*à mon avis*
For my part, I cannot discount what their spokesman said.	*personnellement*
I maintain that no one has the right to deprive these people of their home.	*je maintiens que*

Pour introduire le point de vue d'autrui

The writer asserts (*ou* **claims** *ou* **maintains** *ou* **states) that** intelligence is conditioned by upbringing.	*l'auteur affirme que*
They would have us believe that the market is fair.	*ou voudrait nous faire croire que*
The official view is that this cannot affect the population adversely.	*selon l'opinion officielle*
The author gives us to understand that his main aim is merely to please.	*l'auteur nous fait comprendre que*
The position was put, with commendable clarity, by James Armitage, in a classic essay on this subject some years ago.	*cette position a été exprimée, avec une remarquable simplicité*
When one considers the man's achievements, **the portrait of him painted in this volume** amounts to little more than a calumny.	*la façon dont il est représenté dans cet ouvrage*
The writer **puts the case for** restrictions on the freedom of speech very persuasively.	*présente les arguments en faveur de*
The House of Commons, **it has been said,** is like an elephant's trunk: it can fell an oak or pick up a pin.	*on a constaté que*
This line of thinking leads the author into the dangerous territory of feminist polemics.	*cette démarche ...*
The animals are perhaps more attractive — **which brings us to another side of the question**: can the human race survive?	*ce qui nous amène à un autre aspect de la question: ...*
The writer here **is clearly concerned to** convey her conviction that life is seldom worth living, and never worth living to the full.	*souhaite particulièrement ...*
The author **draws our attention to the fact that** nowhere in the world is the soil so poor.	*attire notre attention sur le fait que*
What this character **is really saying is that** he disagrees with the foundations of religious belief.	*ce que le personnage veut dire, c'est qu'il ...*
According to the writer, these figures are inaccurate	*selon l'auteur*
The speaker is claiming, **if I understand her rightly,** that people do not really care about politics.	*si je ne me trompe*

Pour introduire un exemple, une citation

We should consider, **for example** *ou* **for instance,** the problems faced by tourists in a strange land.	*par exemple*
Take the case of Heathcote in 'Lost Masters'.	*prenons le cas de*
To illustrate the truth of this, one has only to mention the tragic death of Ophelia.	*pour illustrer ceci*
A single, but striking, example of this tendency is the way people dress for parties.	*un exemple frappant de*
One instance is enough to show how powerful a device this is.	*un seul exemple suffit à montrer*
As Chesterton **remarked,** there is a purpose to everything.	*comme l'a remarqué ...*
A recent newspaper article claimed that inflation was now beaten.	*dans un récent article, on affirmait que*
Wordsworth **observed with much truth** that daffodils are impressive in large numbers.	*a remarqué avec justesse*
According to the Prime Minister, our foreign policy is benevolent.	*selon*
The writer **makes this point graphically,** by instancing the plight of those whose beliefs clash with the society they belong to.	*illustre ceci de façon frappante*
Writing in 1932, Professor Armour-Jenkins said that unemployment had destroyed the minds of one generation, and the bodies of the next.	*en 1932, ... a écrit que*
This passage **serves to illustrate** the way in which the writer, more than any other Irish writer of his time, looks sympathetically at the problems of the English middle classes.	*illustre bien*
Take another example: many thousands of people have been and still are condemned to a life of sickness and pain because the hospital service cannot cope with the demand for its services.	*prenons un autre exemple*

LES MÉCANISMES DE LA DISCUSSION

Pour souligner un argument

It is obvious to everyone that Freud is right.	*il est manifeste que*
What is quite certain is that justice will triumph.	*ce qui est sûr c'est que*
The writer **clearly** does not understand the issue.	*il est clair que*
The fact of the matter is that nuclear waste is and always will be harmful.	*la vérité est que*
It is easy to concentrate on this aspect of the problem, but **the real question at issue** is different.	*le vrai problème*
The facts speak for themselves: James is guilty.	*les faits se passent de commentaires: ...*
Politicians make much of education aims, but **what we are concerned with here is** the financial resources to achieve these.	*ce qui nous préoccupe ici, c'est ...*
It should be stressed that this is only a preliminary assumption.	*il faut souligner le fait que*
It would be ridiculous to assert that any one political doctrine holds the answer to our quest for Utopia.	*il serait ridicule d'affirmer que*
Few will dispute the claim that the microchip has changed our lives, although many will wish to take issue with the statement that it has changed them for the better.	*on ne peut nier que*
It is undoubtedly true that time is money.	*il est vrai sans aucun doute que*

Pour atténuer un argument

The new law **could have far-reaching implications for** patterns of crime.	*... pourrait avoir des consequences d'une grande portée sur ...*
There might well be an explanation which we have overlooked.	*il pourrait y avoir*
Such a response **suggests that** *ou* **might be taken to mean that** the group lacked enthusiasm for the project.	*... laisse supposer que*
Let us assume (*ou* **suppose** *ou* **conjecture) that** Mary does love Worthington.	*supposons que*
There is a strong possibility that *ou* **There is strong probability that** Worthington loves Mary.	*il est fort possible que*
One might reasonably suppose *ou* **One might justifiably assume that** such behaviour would be frowned upon in any civilised society.	*on est en droit de supposer que*

Pour exprimer le doute

It is questionable whether the author intended this.	*il n'est pas sûr que*
The government's present attitude **raises the whole question of** whether local government can survive in its present form.	*... soulève la question de savoir si ...*
This line of reasoning **sets a serious question mark against** the future of education.	*met en doute*
It remains to be seen (however) whether new techniques can be found in time.	*il reste à savoir si*
It is to be doubted whether the book is intended to convey a real message.	*il n'est pas certain que*
It may well be that Johnson is serious in this, but his motives are certainly **questionable**.	*il se peut que ... mais on peut mettre en doute*
Few people would deny the benefits of such a scheme. **But, it may be urged,** few people would identify the need for it in the first place.	*mais on pourrait répliquer que*
It is certainly true that moral factors are important in this area, **but I wonder whether** the economic background is not more crucial.	*il est certain que ... mais je me demande cependant si ...*
We can believe the author **up to a point, but** it is hard to be sure that he is right all the time.	*jusqu'à un certain point, mais ...*
In spite of the known facts, there must be serious doubts about the validity of this approach.	*malgré les faits*
It is certainly possible that *ou* **It cannot be ruled out that** the author wished us to believe this.	*il se peut bien que*
It may be conceded that in this play Hector is a type rather than a person.	*on est obligé d'admettre que*
Of course, one could reduce the number of accidents by such a method, **but** we must ask ourselves whether the price is not too high.	*bien sûr ... mais*
Undoubtedly this has improved life for a large section of our society, **but** we must consider carefully the implications of this fact.	*certes ... mais*
It cannot be denied that the buildings are unusual, **but** whether they are beautiful is quite another matter.	*on ne peut nier que ... mais*
He has begun well. **It remains to be seen whether** he will continue as impressively.	*reste à savoir si*

Pour marquer l'accord

Nothing could be more true than this portrayal of the pangs of youthful love.	*rien n'est plus vrai que*
We must acknowledge the validity of the point made by Bevin.	*nous devons accepter*
In a minor sense, however, one is forced to admit that **these criticisms have some validity.**	*ces critiques sont justifées jusqu'à un certain point*
It is, **as the writer says,** a totally unexpected event.	*comme dit l'auteur*
Their opponents **are to be congratulated on** the accuracy of their predictions.	*on doit féliciter ...*
He says, **rightly in my view,** that there is no meaning in this statement.	*et à juste titre selon moi*
In Act II, the hero makes **an extremely perspicacious remark** about John's intentions.	*dit quelque chose de très perspicace à propos de*

Pour marquer le désaccord

It is hard to agree with the popular view that religious belief is out-of-date.	*il est difficile d'être d'accord avec*
This statement **is totally inaccurate** *ou* **is very far from the truth** in many respects.	*... est très loin de la vérité*
Unfortunately, **there is not the slighest evidence to justify such a claim.**	*rien ne prouve que cette affirmation soit vraie*
This argument **offers no solution to** the problems which have beset the artist from time immemorial.	*n'offre pas de solution à*
This is clearly a false view of the poet's intentions.	*il s'agit là d'une déformation de*
The pessimistic view of life **should not go unchallenged.**	*il faut s'élever contre ...*
This simplistic notion of Shakespeare's aim **is quite unconvincing.**	*cette interprétation simpliste de ... n'est pas convaincante*
I find it impossible to accept the philosophical argument for this.	*il m'est impossible d'accepter*

Pour mettre un détail en valeur

Let us be clear that the essential question is not one of money.	*il est clair que*
It should never be forgotten that the writer belongs to his own times.	*n'oublions pas que*
It is hard to overemphasize the importance of keeping an open mind.	*on ne peut sous-estimer l'importance de*
This disaster **underlines the importance of** good safety measures.	*... souligne l'importance de*
Most important of all, we must understand the feelings of the victims.	*le plus important est de*
The reasoning behind this conclusion **deserves especial consideration.**	*... doit être examiné avec une attention toute particulière*
Not only does this passage enlighten us, **but it also** inspires us.	*non seulement ... mais aussi ...*
It is well worth noting the background to this argument.	*il faut noter*
It is essential to realise that the problem will not be solved by more spending.	*il importe de comprendre que*
This scene is a difficult one, **especially in view of** the unlikely background events.	*surtout si l'on considère ...*
Next **I wish to focus our attention on** the use of dramatic irony.	*je tiens à attirer l'attention sur ...*
What is more, the argument lacks conviction.	*de plus*
It is no coincidence that law comes before order in the popular mind.	*ce n'est pas un hasard que*
Another argument supports this thesis: without the contribution which the working married woman makes to the economy, taxes would rise immediately.	*il y a un autre argument en faveur de cette thèse: ...*
The chief feature of this scheme is its emphasis on equality of opportunity rather than material goods.	*la principale caractéristique*
Let us remember that any chain is only as strong as its weakest link.	*n'oublions pas que*
Moreover, it was significant that the Conference rejected the call for peace at any price.	*de plus, il était révélateur que*
Virginia Woolf's attitude to this, as to many things, **is particularly interesting in that** it reflects the artist's sense of isolation.	*... est particulièrement intéressante dans la mesure où*
